

2016 | **ESCAPE**

Go Further

Put adventure in the fast lane.

And stay there with new SYNC[®] 3¹ – our next-generation of voice-activated technology. Featuring an easy-to-use design, high-speed performance and enhanced voice recognition, SYNC 3 helps empower your adventures. Go further in a 2016 Ford Escape.

SE. Ingot Silver. Chrome Package. Available equipment.

¹Available feature. Driving while distracted can result in loss of vehicle control. Only use SYNC/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

2016 **ESCAPE**
ford.com

Go. Empowered by your choice.

The 2016 Escape offers you 3 different engines: a 2.5L iVCT I-4, a 1.6L EcoBoost^{®1} and a 2.0L EcoBoost[!] Each is mated to our 6-speed SelectShift[®] automatic transmission. So you can shift for yourself, or leave the fun to Escape.

In curves and corners, standard Torque Vectoring Control seamlessly enhances your hold on the road² while electric power-assisted steering delivers responsive overall steering feel.

To make itself more aerodynamic and fuel efficient, Escape can adjust its Active Grille Shutters (on 2.5L and 1.6L models).

Our turbocharged, direct-injection 1.6L EcoBoost[!] uses twin independent variable camshaft timing to emphasize fuel efficiency or power output as your input demands. It has an EPA-estimated rating of 32 hwy mpg,³ while also producing 178 hp⁴ and 184 lb.-ft. of torque.⁴

For even more fun, step up to the 2.0L EcoBoost[!] Its 240 hp⁴ and 270 lb.-ft. of torque⁴ help the 2016 Escape deliver exhilarating performance.

Titanium. Magnetic. Available equipment.

2016 **ESCAPE**
ford.com

¹Available feature. ²Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ³EPA-estimated rating of 23 city/32 hwy/26 combined mpg, 1.6L EcoBoost, FWD. Actual mileage will vary. ⁴Tested with 93-octane fuel.

Adapt. To make the most of every day.

Loading cargo into Escape has never been easier than with its hands-free foot-activated liftgate.¹ You can even program the fully opened height to the position that works best for you.

Just kick your foot under the rear bumper with your Intelligent Access¹ key fob tucked nearby. Sensors detect your leg, the motion and the proximity of the fob, triggering the liftgate to open or close on its own.

A feeling of open spaciousness is amplified by the power panoramic Vista Roof.² You're always ready for adventure in Escape.

Up to 67.8 cu. ft. of cargo space is yours to fill with the rear seat folded. For a flat load surface, fold both sides of the 60/40 split rear seat and place the adjustable cargo load floor² in its highest position. In this versatile interior, Escape is designed to help you live life to its fullest.

Titanium. Electric Spice. Available equipment.

¹Available feature. ²Available with 17" wheels only.

2016 **ESCAPE**
ford.com

Nurture. Yourself and the environment.

Escape helps take care of you and your front passenger with 10-way power, heated, leather-trimmed seats¹, standard on Titanium. And every model comfortably supports with ample hip room and rear leg room.

Opt for the Audio System from Sony^{®1} to treat yourself and your lucky passengers to the deep, rich sound of 10 strategically placed speakers and the crisp clarity of HD Radio™ Technology.

Escape respects nature by putting several materials often destined for landfills to practical reuse. Recycled 20-oz. plastic bottles go into its carpeting, which is 100% recycled polyester fibers. Scrap cotton from denim manufacturers is turned into sound-absorption material that helps keep Escape quiet inside. To top it off, the vehicle itself is approximately 85% recyclable after it's driven its last mile.

Engage.

Our next generation is here.

Voice-activated SYNC^{®1} technology helps you keep your eyes on the road and hands on the wheel. SYNC. Say the word.[®]

- **Hands-free calling** lets you make a call with a simple push of a button along with the sound of your voice.
- **Automatic phone book download** transfers the names and numbers in your compatible phone automatically, once paired.
- **Voice-activated music commands** let you say what music you want to hear and listen to it easily with voice-activated search, or say "Bluetooth[®] audio" to stream content from your phone.
- **SYNC AppLink^{™2}** lets you control some of your favorite compatible mobile apps with your voice.
- **911 Assist^{®3}** is a convenient no-charge feature that allows you to connect your compatible cell phone to help call 911, even if you can't.

Upgrade to SYNC 3.¹ Our next generation of voice-activated technology with an easy-to-use new design and features.

- **New hardware meets new software** on the easy-to-read LCD color screen that displays phone, audio and navigation⁴ functions.
- **High-speed performance** means you'll experience quick responses to your commands. Plus, the capacitive touch screen includes convenient swipe and pinch-to-zoom features similar to your smartphone.
- **Enhanced voice recognition** lets you talk with simple, real-world voice commands and the system responds naturally to your voice.
- **Easy destination entry** feature within navigation⁴ helps you locate your favorite restaurants, nearest ATM and more.
- **Siri[®] seamless integration** brings the power of Siri Eyes Free⁵ and your iPhone^{®55} into your vehicle.
- **Automatic updates over Wi-Fi^{®6}** let you keep SYNC 3 up-to-date with the latest software as soon as new updates become available.

SYNC

Titanium. Charcoal Black leather trim. SYNC 3. Available equipment.

¹Driving while distracted can result in loss of vehicle control. Only use SYNC/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²Available feature. SYNC AppLink is available on select models and compatible with select smartphone platforms. Commands may vary by phone and AppLink software. ³The vehicle's electrical system (including the battery), the wireless service provider's signal and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to SYNC, and the 911 Assist feature enabled, in order for 911 to be dialed. When the feature is ON, 911 Assist uses your paired and connected mobile phone to assist occupants to contact emergency services by dialing 911 if your airbag deploys or, on certain vehicles, if the emergency fuel pump shut-off is activated. Aftermarket on-board diagnostic devices may interfere with various vehicle systems including Vehicle Health Report and 911 Assist. To avoid interference, remove the device or contact the device maker for more information on compatibility. ⁴Available feature. ⁵You must have a Bluetooth-enabled phone paired to your SYNC system. ⁶Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update.

Entertain. Connect with your world.

SiriusXM® Satellite Radio welcomes you to the World of SiriusXM.¹ Enjoy more than 150 channels including commercial-free music, plus live sports, news and exclusive entertainment, with a 6-month trial subscription to the All Access package included with your new vehicle. You'll hear every channel available, plus you can listen online and on the SiriusXM app.¹

Navigation² with SiriusXM Traffic and Travel Link[®] includes a 5-year complimentary SiriusXM Traffic and Travel Link¹ trial subscription. Global Positioning System (GPS) technology is combined with 3-D mapping and provides voice-guided turn-by-turn directions. With SiriusXM Traffic and Travel Link, you'll get detailed traffic information, plus current and forecasted weather, gas station locations and prices, sports scores and schedules, and movie theater locations with show listings and times.

(((SiriusXM)))

Titanium. SYNC[®] 3. Available equipment.

2016 **ESCAPE**
ford.com

¹Available feature. ²SiriusXM Satellite Radio, SiriusXM Traffic and SiriusXM Travel Link subscriptions are sold separately or as a package by SiriusXM after your trial period, and are continuous until you call SiriusXM at 1-866-635-2349 to cancel. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. All fees and programming subject to change. See Customer Agreement for complete terms and more information at www.siriusxm.com.

Tow. With utmost confidence.

Equipped with the 240-hp 2.0L EcoBoost® engine¹ and the Class II Trailer Tow Package, the 2016 Ford Escape provides the power, sure-footedness and capability to tow up to 3,500 lbs.² And you can handle it all with confidence too.

Trailer sway control¹ helps to monitor the motions of your vehicle to detect trailer sway. If needed, it can reduce engine speed and selectively apply the brakes to help you maintain control of both the vehicle and the trailer.³ Play smarter in the 2016 Escape.

3,500 LBS.  **MAX. TOWING²**

CONTROLS  **SWAY¹**

Titanium. Deep Impact Blue. Available equipment.

¹Available feature. ²When properly equipped. ³Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ⁴Tested with 93-octane fuel.

2016 **ESCAPE**
ford.com

Travel. Beyond the road.

Headed away from town? Take the road less traveled with confidence in your 2016 Escape with the Intelligent 4WD System.¹ Assessing conditions about 20 times faster than the blink of an eye, this on-demand system readjusts as needed to deliver the right balance of handling and traction at all times. Whether you're challenged by a sudden downpour, loose gravel, or even a snow-packed mountain road, 4WD can help keep your adventures on track.

SE. Ingot Silver. Available equipment.

¹Available feature.

2016 **ESCAPE**
ford.com

Move. With help from Escape.

Escape driver-assist technologies¹ use ultrasonic sensors and sophisticated radar to help you with parallel parking, avoiding collisions and more.

Make parallel parking easier with active park assist.¹ This system not only helps you find a spot, it actually steers the vehicle into place while you control the gear shifter, and brake and accelerator pedals.

Stay alert to traffic detected in blind spots as you drive forward, or traffic nearing either side of the vehicle as you slowly back up, thanks to BLIS[®] (Blind Spot Information System) with cross-traffic alert.¹ It helps warn you using lights embedded in the sideview mirrors.²

Help gauge how close something is to the back of your Escape using the standard rear view camera and its color-coded distance guidelines.³ A dotted center line is also included to help lining up a trailer.

For your convenience, active park assist and BLIS with cross-traffic alert are included in the Titanium Technology Package, along with high-intensity discharge (HID) headlamps, rain-sensing windshield wipers, and a Forward Sensing System.

¹Available feature. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle.
²BLIS replaces standard integrated blind spot mirrors. ³Available SYNC[®] 3 screen shown.

Maintain. Your peace of mind.

When it comes to your safety and security, Escape is equipped to take a proactive, personalized approach. On every ride. In a wide range of weather conditions.

Among its 7 standard airbags, the front-seat side airbags feature an adaptive tunnel vent that helps tailor them to occupant size – for personalized protection and reassuring peace of mind.

If it senses you're taking a curve too quickly, Curve Control helps reduce the vehicle's speed by up to 10 mph in approximately 1 second.¹ This feature is effective on wet or dry pavement, and expected to be particularly useful on highway ramps. As part of AdvanceTrac[®] with RSC[®] (Roll Stability Control™), Curve Control is standard on every 2016 Escape.

SE. Ruby Red Metallic Tinted Clearcoat. Chrome Package. Available equipment.

¹Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

Escape Specifications

Standard Features

Mechanical

6-speed SelectShift automatic transmission with Sport Mode

4-wheel independent suspension

Electric power-assisted steering

Front and rear stabilizer bar

Front-wheel drive (FWD)

Mini spare wheel and tire

Power disc brakes with Anti-Lock Brake System (ABS)

Torque Vectoring Control

Seating

Front bucket seats

Front-passenger seat back map pocket

New Vehicle Limited Warranty. We want your Ford Escape ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you peace-of-mind protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

Ford Original Accessories will be warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Comparisons based on competitive models (class is Small Utilities), publicly available information and Ford certification data at time of release. Vehicles may be shown with optional equipment. Features may be offered only in combination with other options or subject to additional ordering requirements/limitations. Dimensions shown may vary due to optional features and/or production variability. Information is provided on an "as is" basis and could include technical, typographical or other errors. Ford makes no warranties, representations, or guarantees of any kind, express or implied, including but not limited to, accuracy, currency, or completeness, the operation of the information, materials, content, availability, and products. Ford reserves the right to change product specifications, pricing and equipment at any time without incurring obligations. Your Ford Dealer is the best source of the most up-to-date information on Ford vehicles.
