

If you won't take small for an answer . . . you could be Dodge Material.

70 DODGE DART

For the Smart Swinger . . . the Swinging Dart.

If you want compact class without a budget clash . . . Dart Swinger hardtop was made for you. This is one low-priced compact that doesn't slight you on looks, comfort, or extras. Swinger was built with a wide stance for a whole new sporty look. Inside, it's all room and comfort. All-vinyl seats that carry six of the gang around in style. And out in back, Swinger's in front with a trunk that never seems to fill up. For swinging performance, Swinger offers a choice of mini-fuel Sixes or maxi-power V8s. So if you're ready to swing, but you're not sure your budget can swing it . . . see the new Dart Swinger. If you think you can handle the crowds you'll attract . . . you could be DODGE MATERIAL.

SWINGER

SWINGER

Swinger Makes You Feel Good Inside.

Some compacts seem to make you suffer for the money you save. Not true with Dart Swinger. This is one compact that comes on big and beautiful. The seats are soft and vinyl-covered for comfort. There's room to relax, to stretch, to get comfortable. In fact, there's nothing little about Swinger's interior, except the little extra personal touches we put in . . . to make it your personal car. You can even add such things as Airtemp air conditioning* and Music Master AM radio.* So, if you're looking for big-car comfort in the compact class, try Dart Swinger on for size. You'll find the price will fit your budget, beautifully.

*These are part of a wide choice of extra-cost options.

DART SWINGER 340

The Dart That Gives You a Head Start.

If you want a way to stay ahead of the crowd... Swinger 340 answers the call. This is the low-priced performance machine that stays one step ahead of the rest of the scene. And with good reason. Swinger 340 has a lot going for it to make it go. To start with, 340 cubes of V8 muscle. And to flex those muscles, there's a new full-synchro three-on-the-floor. For "whoa power," Swinger 340 has front power disc brakes. And Rallye Suspension. Really! Plus wide-tread tires on wide-rim wheels. And they're all standard. Go wild; go creative. Order the Swinger 340 with one of the new high impact** colors: Hemi Orange (shown here), Plum Crazy, Banana, Sublime, or Go-Mango. To wrap up the package, distinct Dodge Scat Pack bumblebee stripes (available in five different colors) wrapped around the rear. Dart Swinger 340. Performance at a price every swinger can pay. If you can't mind being turned on by turning it on... you could be DODGE MATERIAL.

**Optional at extra cost.

70 CUSTOM

One Custom That's All-American.

We've got a Custom for your place. Dart Custom. A lot of car for people who don't want to spend a lot of money. Comes two ways: hardtop or nifty four-door sedan. Dart Custom, with many features as standard that you might have to pay extra for on other cars. Inside the '70 Custom, there's nothing foreign about the comfort. Dart Custom has all the room and stretch-out space that has made it one of America's favorite compacts.

If you want to go sporty in your new Custom, hardtop, you can order the optional GT package that includes thick, foam-padded bucket seats. Whichever way you want your Dart Custom . . . you'll find that its price is just where you want it . . . nice and low.

We call it the All-American Buy. So, if you don't like spending a lot of money . . . you could be DODGE MATERIAL.
