

76 Ford LTD

Beautifully styled, quality built standard size

Our new 1976 Ford LTD's.

An LTD could easily be all you want in a luxurious family car. Quiet, roomy comfort for six. Handsome styling. Low cost operation. Ford Lifeguard Design Safety Features. A choice of eight models: 2- and 4-Door Pillared Hardtops in LTD, Brougham and Landau versions, and two Wagons.

Well-built. Durable LTD's are built with quality you'd expect from the originator of the quiet Ford. Extra care body fits. Well-tailored interiors. Zinc-plated metal areas for added corrosion resistance and long life. Fewer scheduled maintenance stops that help save on service.

Better mileage. For 1976, Ford has engineered its cars for better overall fuel economy than 1975 models. See your Ford Dealer for details on 1976 EPA mileage ratings.

Ford means value. LTD is competitively priced. In quality, size, comfort and luxury, we think LTD gives you what you want from an expensive car. Impressive features are also standard. See the Notable Standard Features list on page 3.

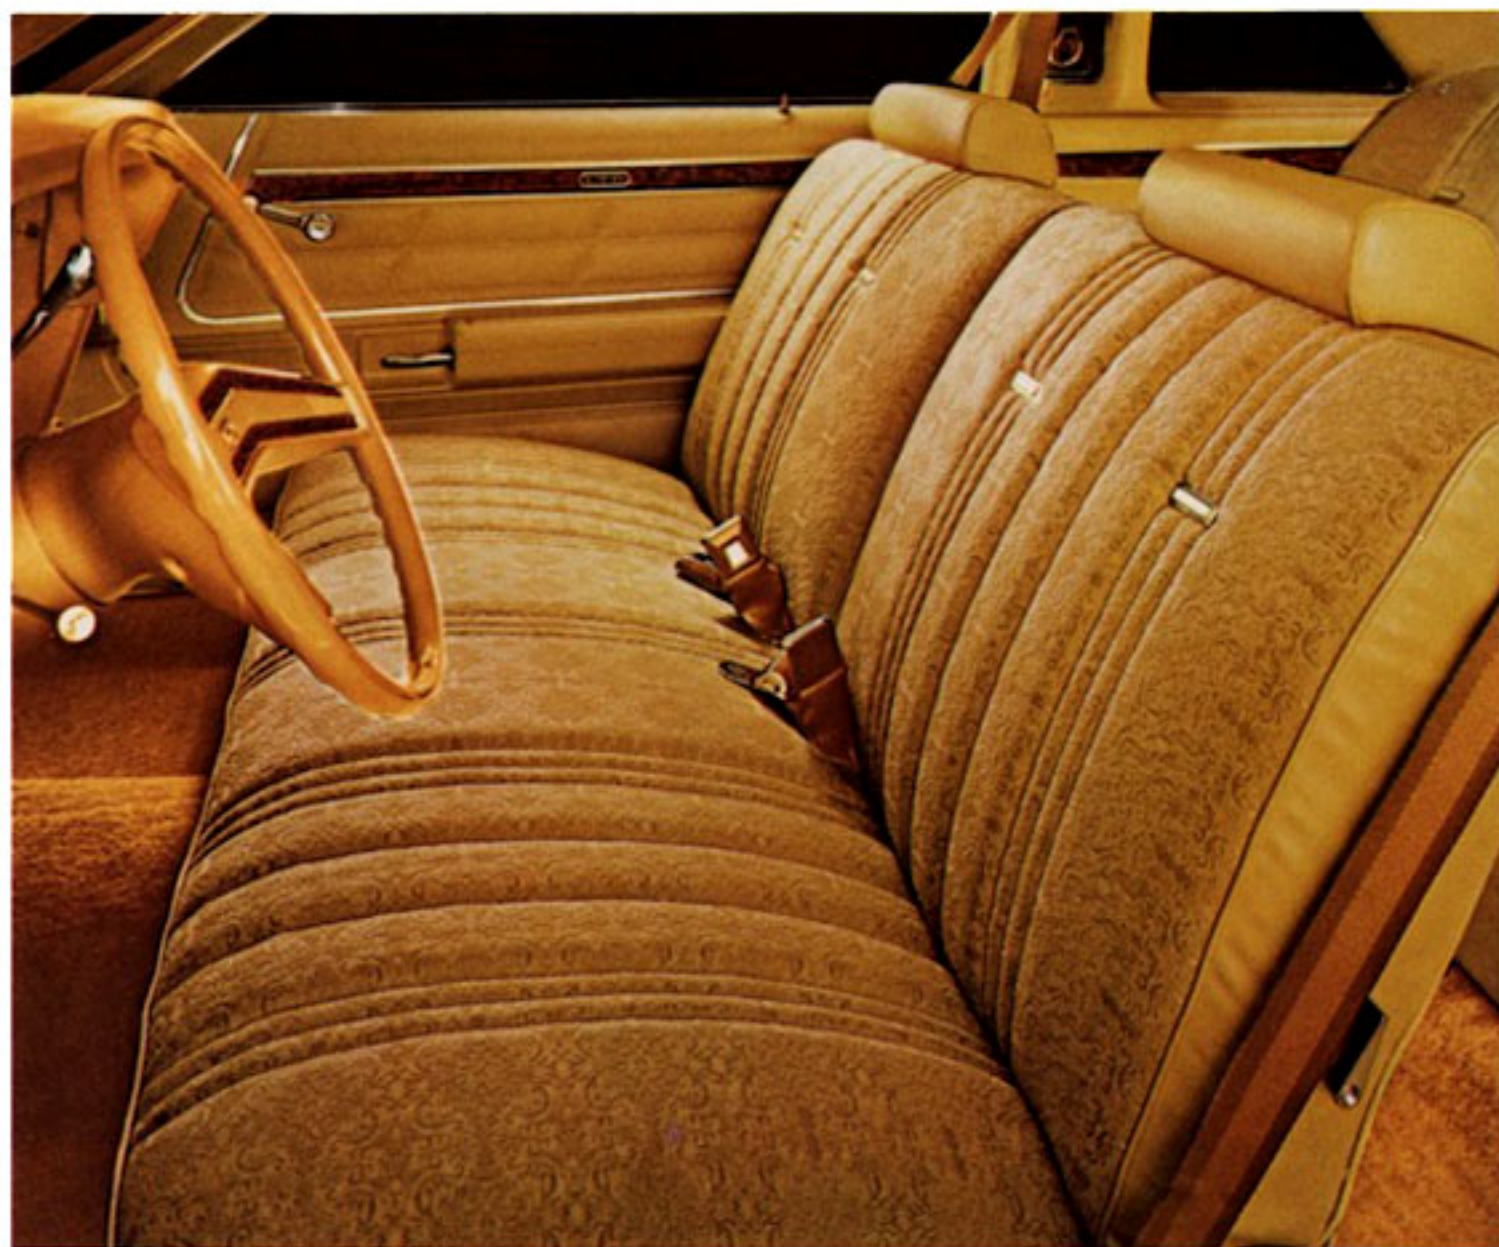

Ford LTD.

Lowest-priced big Ford value.

LTD is endowed with many luxury items and comforts often offered only on our costlier cars, yet it's our lowest-priced Ford. You get standards like 351 V-8, automatic transmission, power steering, power brakes, a truly roomy passenger compartment, and more. There's a choice of three LTD's: 2-Door Pillared Hardtop (see below), the 4-Door version (page 3), and the LTD Wagon (page 3). Each provides full-size luxury that compliments your good taste. And prestigious styling. Not only in looks, but also in the way it makes you feel. Beneath the beauty . . . lasting roadability.

LTD standard interior (right), beautifully tailored with Gold Redondo cloth and vinyl (Code DY). Blue, Green, Saddle, Red and Black also available. Woodtone appliques on the door, Gold steering wheel and instrument panel, and Gold cut-pile carpeting add an opulent touch. Also, see (B) on page 3.

Ford LTD 2-Door Pillared Hardtop (below) in Golden Glow exterior (Code 6V), smartly topped with new Gold half-vinyl roof.

LTD 2-Door Pillared Hardtop

On cover: (Inset) Ford LTD 2-Door Pillared Hardtop in Tan Glow (Code 5U), beautifully paired with Brown half-vinyl roof. (Main photo) LTD Landau 2-Door Pillared Hardtop in Polar White (Code 9D) with Dark Red vinyl roof.

Notes: Some items shown in this book are optional. See LTD, Brougham and Landau Notable Standard Features on pages 3, 5 and 7. Also, see back cover for color code reference, measurements and option selections.

Ford LTD.

(A) Handsome, spacious LTD 4-Door Pillared Hardtop in new Light Blue finish (Code 3S), tastefully topped with a Dark Blue full vinyl roof. LTD ornamentation on rear roof pillars, reflective applique around color-keyed vinyl pad at rear, and bright moldings at drip rails, door belts, hood rear, grille, taillamps, wheel lips and rocker panels add distinction. Black vinyl insert bodyside moldings protect against

parking lot dents and dings. A trim rear deck stylishly disguises a capacious 21.9-cu. ft. luggage compartment. The dressy, deluxe wheel covers are one of three attractive choices available. See option selections listed on back cover.

(B) LTD standard interior provides room to spare for heads, shoulders, hips, legs. Space to sit tall, stretch out and relax in. True living room comfort on deep-cushioned bench seats, trimly tailored here in optional Medium Blue DuraWeave vinyl fabric (Code UB). DuraWeave, which has cooling breathability, looks and feels like cloth. It has good soil, fade and wear resistance as well as remarkable cleanability. DuraWeave vinyl fabric is also beautifully available in Medium Green, in Red and in Saddle with Tan seat inserts.

Interior is handsomely accented with woodtone appliques on doors and instrument panel. A deluxe steering wheel and thick color-keyed cut-pile carpeting are standard. Also, see page 2.

(C) Smart new half-vinyl roof, offered on 2-Door LTD Hardtop, includes over-the-roof bright molding, and adds a distinguished styling touch. Vinyl has cross-hatch texture and comes attractively in

Black, White, Blue, Dark Green, Brown, Gold, Medium Red and Silver. Full vinyl roof, also in cross-hatch grain, is available for all LTD Hardtops in the same colors.

(D) LTD Hood Ornament adds a dash of elegance to the sleek-lined sculptured hood.

(E) Power Mini-vent and side windows, available on LTD 4-Door model, automatically open front window Mini-vents for quiet, draft-free circulation. Power side windows, also available separately, have handy fingertip switch controls. A lockout switch cancels all but driver control whenever you wish. Left-hand remote control mirror is conveniently adjustable from inside the car for best visibility.

(F) Versatile LTD Wagon, in Dark Blue Metallic (Code 3G), offers 94.6 cu. ft. for cargo, with an extra 9.1 cu. ft. of lockable below-deck storage space. Conversion from passenger use to load carrying—or the reverse—is accomplished in seconds.

Check a competitive make to appreciate the value of this quick Ford conversion feature. A 3-Way Magic Doorgate (with power-operated window), spare tire extractor and the 400 CID 2V V-8 engine are three of many notable Wagonmaster standard features.

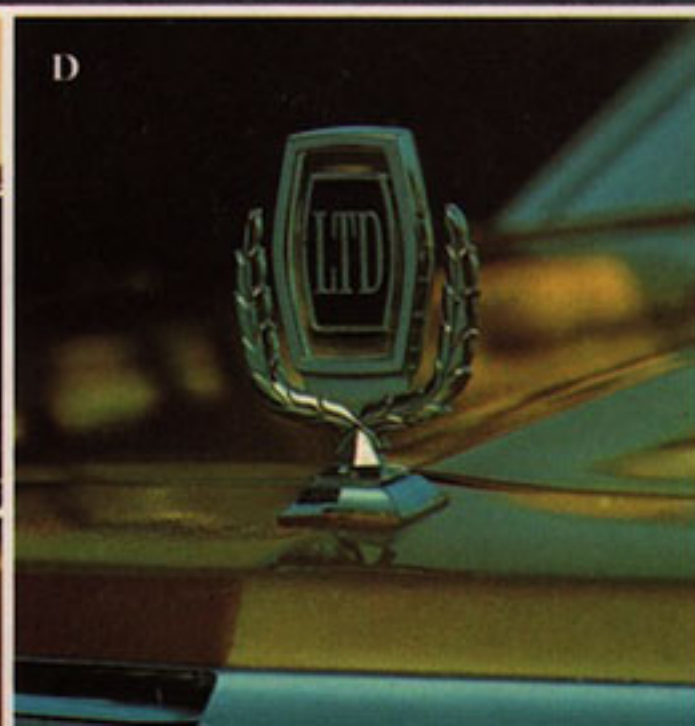

Ford LTD. Notable Standard Features

FUNCTIONAL: 351-cu. in. 2V V-8 with solid state ignition □ SelectShift Cruise-O-Matic transmission □ Power front disc brakes □ Power steering □ Power ventilation □ BSW steel-belted radial ply tires □ Front bumper guards □ Wiper-mounted washer jets □ Lights in glove compartment, front ash tray □ Two rear seat ash trays □ Inside hood release □ LTD sound package □ Ford Motor Company Lifeguard Design Safety Features.

LTD Wagon: All above with these differences and additions: 400-cu. in. 2V V-8 □ 3-Way Magic Doorgate □ Power tailgate window □ Below-deck lockable stowage compartment □ Spare tire extractor □ Rear bumper guards. **APPEARANCE & COMFORT—FORD LTD:** Bench seats with cloth and vinyl trim □ Deluxe steering wheel □ Cut-pile carpeting □ Woodtone instrument panel and door appliques □ Full-length padded armrests □ Black vinyl insert bodyside moldings □ Bright door belt, drip rail, hood rear, wheel lip and rocker panel moldings □ Chrome-plated grille □ Hood ornament □ Luggage compartment mat □ Center pillar windows (2-Door) with LTD ornamentation, rear roof pillar LTD crests (4-Door) □ Bright hub caps.

LTD Wagon: Most features above with these differences: Bench seats with all-vinyl trim □ Tailgate belt molding □ LTD crest on front fenders, tailgate.

Other items illustrated are optional.

LTD Brougham.

So close to top line,
you'll take a second look.

LTD Brougham gives you spacious luxury just a step below Ford top-line distinction. With styling so superb, it's often taken for a costlier luxury car.

Two beautiful Broughams merit your early inspection: the 4-Door Pillared Hardtop (below), and the 2-Door version (page 3). Each has room for six adults. In quiet comfort. Each model is a delight to drive.

Quality is apparent everywhere. Extra care with body fits, for example. With narrow, even spacing around doors, hood, deck lid. Lustrous paint of uniform color with a high gloss finish. From chrome-plated grille to taillights, Ford builds Brougham the way you want to own it. With pride.

Comforts run deep inside. On deep-cushioned bench seats with fold-down front armrest. Well-tailored in rich Westminster cloth and vinyl. Color-

keyed cut-pile carpets the floor and the lower doors. Woodtone appliques add elegance—even on the deluxe steering wheel.

The standard luxuries are impressive. An efficient 351 V-8 with solid state ignition. SelectShift transmission. Power steering. Power front disc brakes. Electric clock. Full wheel covers, and more. See Brougham Notable Standard Features on page 5.

For all its luxury, Brougham is affordably priced. Check this good news soon at your Ford Dealer's.

LTD Brougham standard interior (at right) features bench seats with plush fold-down armrest. Meticulously tailored in Saddle Westminster cloth and vinyl (Code GZ). Rich-looking fabric, despite its luxury, is surprisingly durable. Optional trims are also available in all-vinyl or DuraWeave fabrics. Optional DuraWeave is shown in (F) on page 5.

Beautiful LTD Brougham 4-Door Pillared Hardtop, illustrated below in Creme finish (Code 6P), with Dark Brown vinyl roof. Luxurious to see. Luxurious to own.

Beautiful LTD Brougham 4-Door Pillared Hardtop

LTD Brougham.

(A) Deep-well trunk with low liftover.

Deep-well design of spacious 21.9-cu. ft. Ford trunk lets you carry large luggage upright. The low sill minimizes lifting distance, makes loading and unloading much easier. Optional Luggage Compartment Trim shown dresses up interior with cut-pile carpeting, carpeted spare tire cover, carpeted side lining boards and wheelhouse covers. It all adds up to excellent protection for your fine luggage.

(B) Dual fold-down armrests, included when you order optional Split Bench seats. They're thick-cushioned and carefully tailored here in Red DuraWeave vinyl fabric (Code ND). Upright armrest position gives you generous room for three grown-ups. Folded down, you have roomy, relaxing lounge-chair comfort for two. DuraWeave upholstery also is illustrated on Split Bench seats in (F).

(C) Digital Clock. An attractive, functional bit of technology, which is quartz-crystal controlled for accuracy. So it is as dependable as it is contemporary, and well worth the modest added cost.

(D) Fingertip Speed Control. Includes a woodtone-appliqued luxury steering wheel. A turnpike travel favorite, Fingertip Speed Control lets you cruise at any preset speed above 30 mph without your foot on the accelerator pedal. Simple rocker switch controls on the steering wheel turn the system on or off, and let you accelerate or coast. Touching the brake pedal also disengages the system. You drive more restfully on long trips, steady speeds save on fuel. New Aeronutronic Ford AM/FM Stereo Search Radio, also shown, has seek and scan features. Touching the signal-

seeking tuning bar automatically moves selector to next highest station on band. Scan feature pauses at each station for about eight seconds so you can sample the program, accept it or let the search mechanism seek another. Handy while traveling. Four speakers are included for concert-like listening quality.

(E) Distinctive LTD Brougham 2-Door Pillared Hardtop. Sporty flair with the optional new Black/Silver Metallic Harmony Color Group exterior (Codes IC and IG), neatly topped with a Black vinyl roof. Other vibrant color combinations you can pick from are: Dark Brown Metallic/Tan Metallic, Dark Blue Metallic/Silver Blue Glow, Dark Green Metallic/Green Glow. Black vinyl insert bodyside moldings, wheel lip and rocker panel moldings add a tasteful styling touch.

(F) LTD Brougham interior. Optional Split Bench seats with dual fold-down armrests, beautifully tailored in Red DuraWeave vinyl fabric (Code ND). Cloth-like DuraWeave, cool and soft to the touch, is wear-resistant. Note the color-keyed deluxe belts, deluxe door trim panels, cut-pile carpeting and the right-hand remote control mirror (offered in the Convenience Group). All very handsome.

LTD Brougham Notable Standard Features

FUNCTIONAL: 351-cu. in. 2V V-8 with solid state ignition □ SelectShift Cruise-O-Matic transmission □ Power front disc brakes □ Power steering □ Power ventilation □ BSW steel-belted radial ply tires □ Front bumper guards □ Wiper-mounted washer jets □ Electric clock □ Lights in glove and luggage compartments, center ash tray □ Front door courtesy lights □ Rear door courtesy light switches □ Inside hood release □ Dual note horn □ LTD sound package □ Ford Motor Company Lifeguard Design Safety Features.

APPEARANCE & COMFORT: Luxurious bench seats with front center armrest □ Westminster cloth and vinyl trim □ Color-keyed deluxe belts □ Bright seat side shields □ Deluxe steering wheel □ Automatic seat back release (2-Door) □ Cut-pile carpeting □ Woodtone instrument panel and door applique □ Right front armrest ash tray □ Half-vinyl roof (2-Door), full vinyl roof (4-Door) □ Vinyl insert bodyside moldings □ Dual accent paint stripes □ Bright windshield, hood rear, door belt, drip rail, quarter window, rocker panel with front/rear extensions, wheel lip and taillamp moldings □ Center pillar windows (2-Door), "C" pillar crests (4-Door) □ Full wheel covers.

Other items illustrated are optional.

LTD Landau.

**Ford's beautifully styled,
standard-size luxury leader.**

Our truly distinguished Ford. A luxury car that understands what you mean by luxury. Which explains the prestigious styling, impressive grille, hidden headlamps . . . the spacious, elegant interior. And Landau's quiet, smooth responsiveness on the road.

Many luxuries are standard, of course. SelectShift Cruise-O-Matic. 351 2V V-8. Power steering. Power front disc brakes. Vinyl roof. Front cornering lamps. The Convenience Group—dual remote control mirrors, electric trunk lid release, automatic parking brake release, interval windshield wipers, visor vanity mirror. And more. See Notable Standard Features on page 7.

There are two value-packed models: the 2-Door Pillared Hardtop (below), and the 4-Door version featured on page 7. Each gives you many fine qualities you'd want from a luxury car.

Landau has other practical virtues. Like fewer scheduled maintenance stops. And simpler tune-ups. No need for points or condenser with solid state ignition, to help you keep operating costs down.

Ford's wide range of options lets you design your own degree of driving pleasure. The Landau Luxury Group, for example. With its luxury Knit Kasman Cloth—soft and inviting to the touch. An Aeronutronic Ford AM/FM Stereo Radio. Check all options on the back cover. We believe LTD Landau is a logical alternative to a longer, more expensive car. When you test-drive it, we think you'll agree.

LTD Landau interior (at right). Flight Bench Seats with fold-down armrest, impeccably tailored in optional Saddle vinyl with Tan inserts (Code JU).

The LTD Landau 2-Door Pillared Hardtop is shown below in Dark Brown Metallic/Tan Glow, an optional Harmony Color Group exterior (Codes 5Q, 5U), beautifully coordinated with a Brown vinyl roof.

LTD Landau 2-Door Pillared Hardtop

LTD Landau.

(A) **Power-operated Sunroof.** Your handy window to the sky. Just touch a button and a roof panel slides smoothly open to let the sunshine in. Touch again, the steel panel closes tightly.

(B) **LTD Landau 4-Door Pillared Hardtop,** with clean, stately lines, and infinitely luxurious, is surprisingly easy to own. Dark Blue Metallic exterior shown (Code 3G), is tastefully paired with a Blue vinyl roof. Note the chrome-plated taillight applique, matching wide vinyl insert bodyside moldings and optional fender skirts. All nice styling touches, we think.

(C) **Landau Luxury Group.** Salon elegance you can order, featuring Split Bench Seats (dual armrests folded up), and meticulously tailored in Medium Blue, 100% nylon luxury knit Kasman Cloth which has the look and feel of cashmere (Code PB). Seats are individually adjustable, passenger side has manual reclining feature you'll appreciate on long trips. There's a rear seat fold-down armrest, woodtone appliques throughout, a luxury steering wheel, and an illuminated visor vanity mirror. Thick cut-pile shag

carpeting blankets the floor. Assist straps on doors and front seatbacks let your passengers enter and exit gracefully. A super sound package helps keep road noise to the minimum. Red, Green, Saddle or Gold Kasman Cloth are also available.

(D) **Aeronutronic Ford AM/FM Stereo Search Radio.** Automatically seeks, scans and pinpoints nearest available station. Very welcome option while traveling unfamiliar areas. Four speakers included

for concert-quality listening pleasure. Three other radios available are listed on the back cover.

SelectAire Conditioner with Automatic Temperature Control. Set this optional cooling-dehumidifying-heating system to the temperature you prefer. Hidden sensors maintain pre-selected temperature year-round.

(E) **Illuminated Visor Vanity Mirror.** A welcome feature for milady. Lifting the protective cover turns side lamps on. A selector switch gives you high- or low-intensity lighting.

(F) **Incomparable LTD Country Squire,** leader of the Wagonmaster fleet. In new Creme exterior (Code 6P), with Brown vinyl roof. Roomy 6-passenger capacity, or 8-passenger accommodation with dual facing rear seats. 400-cu. in. 2V V-8 engine with solid state ignition is standard. Note hidden headlamps, distinctive Squire wood-grain vinyl panel appliques, and optional wheel covers color-keyed to vinyl roof. Shown with **Deluxe Bumper Group** and **Convenience Group**, **Deluxe** luggage rack has woodtone applique, adjustable rear crossbar and built-in air deflector to help keep tailgate window clear.

Landau Notable Standard Features

FUNCTIONAL: 351-cu. in. 2V V-8 with solid state ignition □ SelectShift Cruise-O-Matic transmission □ Power front disc brakes □ Power steering □ BSW steel-belted radial ply tires □ Front/rear bumper guards □ Front cornering lamps □ Wiper-mounted washer jets □ Convenience Group (See detail on page 6) □ Digital Clock □ Lights: glove/luggage compartments, ash tray □ Front door courtesy lights □ Rear door light switches □ Inside hood release □ Ford Motor Company Lifeguard Design Safety Features. **LTD Country Squire:** Same as LTD Wagon (on page 3), with: 400-cu. in. 2V V-8 □ Electric clock (Squire) □ 3-Way Magic Doorgate □ Power tailgate window □ Below-deck lockable stowage compartment □ Spare tire extractor □ Rear bumper guards.

APPEARANCE & COMFORT: Flight Bench seats with front center armrest □ Niles cloth and vinyl trim □ Deluxe door trim □ Hidden headlamps □ Wide, color-keyed vinyl insert bodyside moldings □ Fender peak moldings □ Center pillar Landau ornamentation (2-Door), or C-pillar crests (4-Door) □ Half-vinyl roof (2-Door), Full vinyl roof (4-Door) □ Full wheel covers. **LTD Country Squire:** Wagon standards noted above plus: Woodgrain panel appliques □ Cargo light □ Wheel covers (See Wagon Catalog for Squire standard features).

Other items illustrated are optional.
