1977 DODGE MONACO

A grand new car in two sizes.

SIZE UP YOUR NEEDS. THEN PICK THE MONACO THAT MEETS THEM.

This year, Dodge has extended the continuing prestige of its Monaco to two sizes by giving you a choice of mid-sized or full-sized Monacos. And the beauty of it is that both sizes continue to carry the quality and luxury tradition you've come to expect from the top-of-the-line Monaco.

Now you can choose the mid-sized Monaco or the full-sized Royal Monaco. Both engineered to Monaco quality standards. Both available with a wide selection of Monaco options. Both reflecting the luxury image for which Monaco has always been known.

Two two-door sizes.

You can now select the Monaco two-door to suit your needs. Monaco and Monaco Brougham models are 213.7 inches in length on a 115-inch wheelbase. Royal Monaco and Royal Monaco Brougham two-doors are 225.7 inches in length on a 121.5-inch wheelbase.

In the luxury four-doors, you also have an option of two sizes of Monacos. The mid-sized Monaco and Monaco

Some items pictured on vehicles on this and other pages of this catalog are extra-cost options.

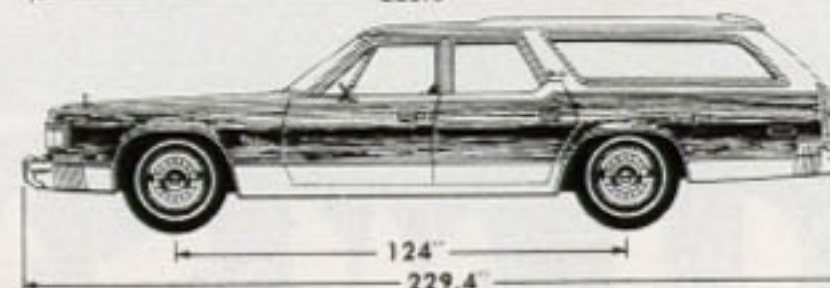

Brougham four-door are 218.4 inches in length on a 117.5-inch wheelbase. The full-sized Royal Monaco and Royal Monaco Brougham four-door are 225.7 inches in length on a 121.5-inch wheelbase.

Two four-door sizes.

In wagons for 1977, Dodge offers the Monaco in seven models and two sizes. The Monaco and Monaco Brougham two-seat and three-seat models are 225.6 inches in length on a 117.5-inch wheelbase. The Royal Monaco and Royal Monaco Brougham two- and three-seat wagons are 229.4 inches in length on a 124-inch wheelbase.

Two wagon sizes.

1. Monaco Brougham two-door hardtop.
2. Royal Monaco Brougham two-door hardtop with optional Diplomat roof.

PICTURE YOURSELF IN THIS
NEW MID-SIZED MONACO.

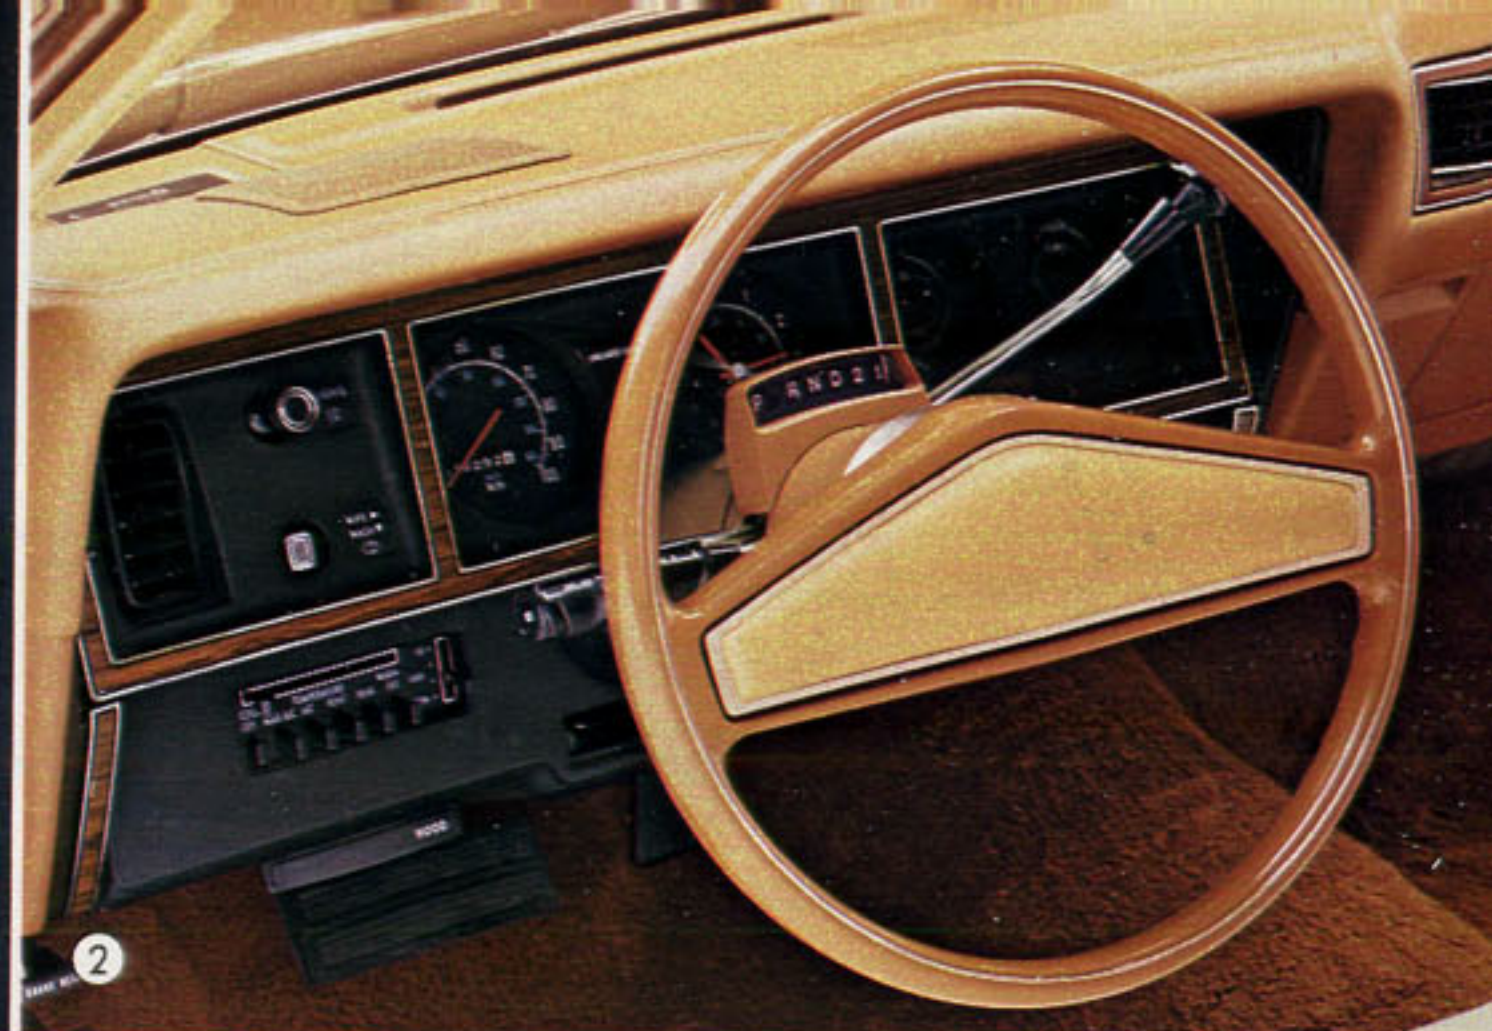

You get dimensions tailored to your needs with traditional Monaco luxury. And new front-end styling, too. With dual rectangular headlights in a new vertical arrangement. Monaco and Monaco Brougham provide more to choose from than just size.

A new Dodge 225 two-barrel Super Six* engine and a reliable 318 V8 are teamed with the manual three-speed transmission to offer you a choice in power train. Power steering is standard with the 318 V8 as are the power front disc and rear drum brakes on all models.

But the real story is the Monaco attention to interior detail. With standard bench seats (cloth and vinyl on Monaco, cloth and vinyl with center armrest on Monaco Brougham), color-keyed deep-pile (shag on Brougham) carpeting, and bright accent interior trims. Or optional 60/40 seats with dual recliners (Broughams only), and simulated wood-grained interior highlights on instrument panel. They all add up to exceptional comfort in a mid-sized automobile. You'll be proud of your Monaco or Monaco Brougham. Because you'll be able to make your particular model Monaco as luxurious as you want. With a tremendous selection of options to meet your most demanding requirements.

*N/A in California or at high altitudes.

1. Monaco's roomy trunk.
2. Monaco Brougham's functional, yet attractive, instrument panel.
3. Monaco Brougham four-door sedan.
4. Monaco Brougham two-door.

Royal Monaco. A classic approach to full-sized comfort.

For those who like traditional value and comfort with an added touch of luxury in a full-sized automobile, there are Royal Monaco and Royal Monaco Brougham in a distinctive series of two- and four-door models.

Royal Monaco features a 318 V8 teamed with a TorqueFlite automatic transmission, fiber-glass-belted radial ply tires, power steering, and power front disc and rear drum brakes. All standard. The Royal Monaco Brougham features the 360 V8, also with the standard TorqueFlite transmission, power steering, and power front disc and rear drum brakes.

Both of these exceptional series are loaded with other standard features like Electronic Ignition, solid-state voltage regulator, 440-amp battery, 60-amp alternator, famous torsion-bar front suspension, and Unibody construction. And the Royal Monaco Brougham two-door is also available as a formal hardtop with the optional canopy vinyl roof and opera window for those who wish a particularly distinctive appearance.

1. Royal Monaco two-door hardtop.
2. The Diplomat roof package is an exclusive option to the Royal Monaco Brougham two-door hardtop.
3. Royal Monaco Brougham four-door sedan.

MONACO WAGONS. MASTERS OF THE LOAD.

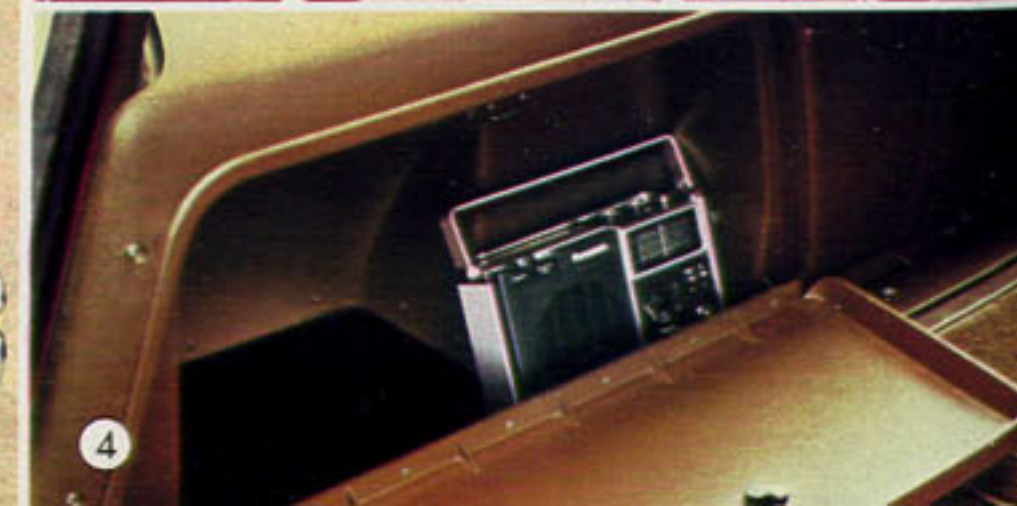

You can enjoy a choice of seven Monaco wagons to match any people-carrying or load-handling project you may wish to plan. Designed in both two- and three-seat configurations, there's a Monaco wagon sized for you. Mid-sized Monaco and Monaco Crestwood wagons feature a standard 360 V8 with TorqueFlite automatic transmission. Royal Monaco and Royal Monaco Brougham full-sized wagons* feature a 400 V8* with the Electronic Lean Burn* System and TorqueFlite as standard. All models have standard power steering and power front disc and rear drum brakes.

Make your mid-sized or full-sized Monaco wagon as personal as you like by choosing from a long list of options that include: air conditioning, AM/FM radios with or without stereo and eight-track tape decks, power seats and windows, and automatic speed control. Simpler yet, pick from the number of option packages available by checking with your Dodge Dealer.

Monaco wagons offer more in room and luxury, in a size that's just right for your hauling needs.

*N/A in California or high altitudes.

1. Royal Monaco Brougham wagon.
2. Royal Monaco's 102.4 cubic feet of cargo area.
3. Optional electrically heated rear window defroster with standard air deflector.
4. Lockable side storage compartment is standard on Royal Monaco Brougham, optional on other Royal Monaco wagons.
5. Monaco Crestwood wagon and its standard three-way doorgate.

A LOOK AT MONACO FROM THE INSIDE.

Monaco interiors have always been luxurious. Now they come in two sizes. Select interiors with the finest in designers' cloths and vinyls. Like Verdi velour, Princeton cloth, Winston cloth, and Oxford vinyl. And seat selections in buckets and benches, with and without fold-down armrest, to make your comfort simply a matter of choice.

MONACO INTERIORS

1. 60/40 seats with center armrest and dual recliners upholstered in the new Winston plaid cloth and vinyl are optional on Monaco Brougham two-door hardtops. Available in blue, green, gold, red, black, and parchment.
2. The standard seat for Monaco Brougham two- and four-doors is this split-back bench with center armrest. It's upholstered in Verdi velour cloth and vinyl and is available in blue, green, gold, and red.
3. Monaco Brougham four-door sedans are available with this optional 60/40 Verdi velour cloth-and-vinyl seat with center armrest and dual recliners. Available in blue, green, gold, and red.
4. All-vinyl bucket seats in Oxford material are a no-cost option on the Monaco Brougham two-door hardtop.

They're available in gold, red, and black, or white with gold, red, or black interior accents.

ROYAL MONACO INTERIORS

5. Optional on Royal Monaco Brougham three-seat wagons is this 50/50 split-back bench seat with center armrests and passenger side recliner. Available only in all-vinyl Bancroft material in blue, green, gold, parchment, and chestnut.
6. This Pompeii cloth-and-vinyl bench seat is standard on Royal Monaco two- and four-door models. It's available in blue, green, gold, and parchment.
7. The standard seat for Royal Monaco Brougham two-door, four-door sedan, and two- and three-seat wagon models is a split-back bench with center armrests in all-vinyl Bancroft material. Available in blue, green, gold, red (N/A wagon), black (N/A wagon), parchment, and chestnut (wagon only), or white with blue, red, green, black, or gold interior trim accents (mixed colors N/A wagon).
8. An option on Royal Monaco Brougham two-door and four-door models is this split-back bench seat with center armrest in cloth and vinyl. Available in blue, green, gold, red, black, and parchment.

MONACO STANDARD FEATURES MAKE IT A CLASSIC.

There's more to the 1977 Monacos and Royal Monacos than meets the eye. Under their handsome, fresh styling, you'll find strong Unibody construction. Dependable Electronic Ignition. A proven torsion-bar front suspension and asymmetrical rear leaf springs. A heavy-duty 50-amp alternator. A solid-state voltage regulator. And a new Autophoretic corrosion-resistant paint system that coats front suspension members. Standard features that have been designed to make driving the new Monacos and Royal Monacos more comfortable and trouble-free than ever.

STANDARD EQUIPMENT

MONACO: Power front disc brakes • Front and rear bumper guards • Cigarette lighter • Heater/defroster • Forced upper level ventilation • Single horn • Electronic Ignition • Inside day/night mirror • High-speed starter • Front sway bar • Electric arm-mounted windshield washers • Two-speed electric windshield wipers • Hubcaps • Cloth-and-vinyl front bench seat • Deck lid, rear quarter, drip, and wheel-lip mouldings • Deluxe steering wheel • Deluxe sound package (V8 models) • Full body side moulding.

MONACO BROUGHAM (above standard equipment plus): Color-keyed carpeting • Velour cloth-and-vinyl front bench seat with center armrest • Deluxe padded door trim panels • Stand-up hood ornament • Hood center moulding • Brougham nameplate and medallion on rear roof pillars • Color-keyed vinyl body side mouldings • Dual horns • Upper door frame mouldings (sedan).

¹N/A in California or at high altitudes.

²Electronic Lean Burn System standard.

ELECTRONIC IGNITION:

Eliminates the need for points and condensers. Assures quick starts in all weather.

SOLID-STATE VOLTAGE REGULATOR:

Protects your battery from overcharging.

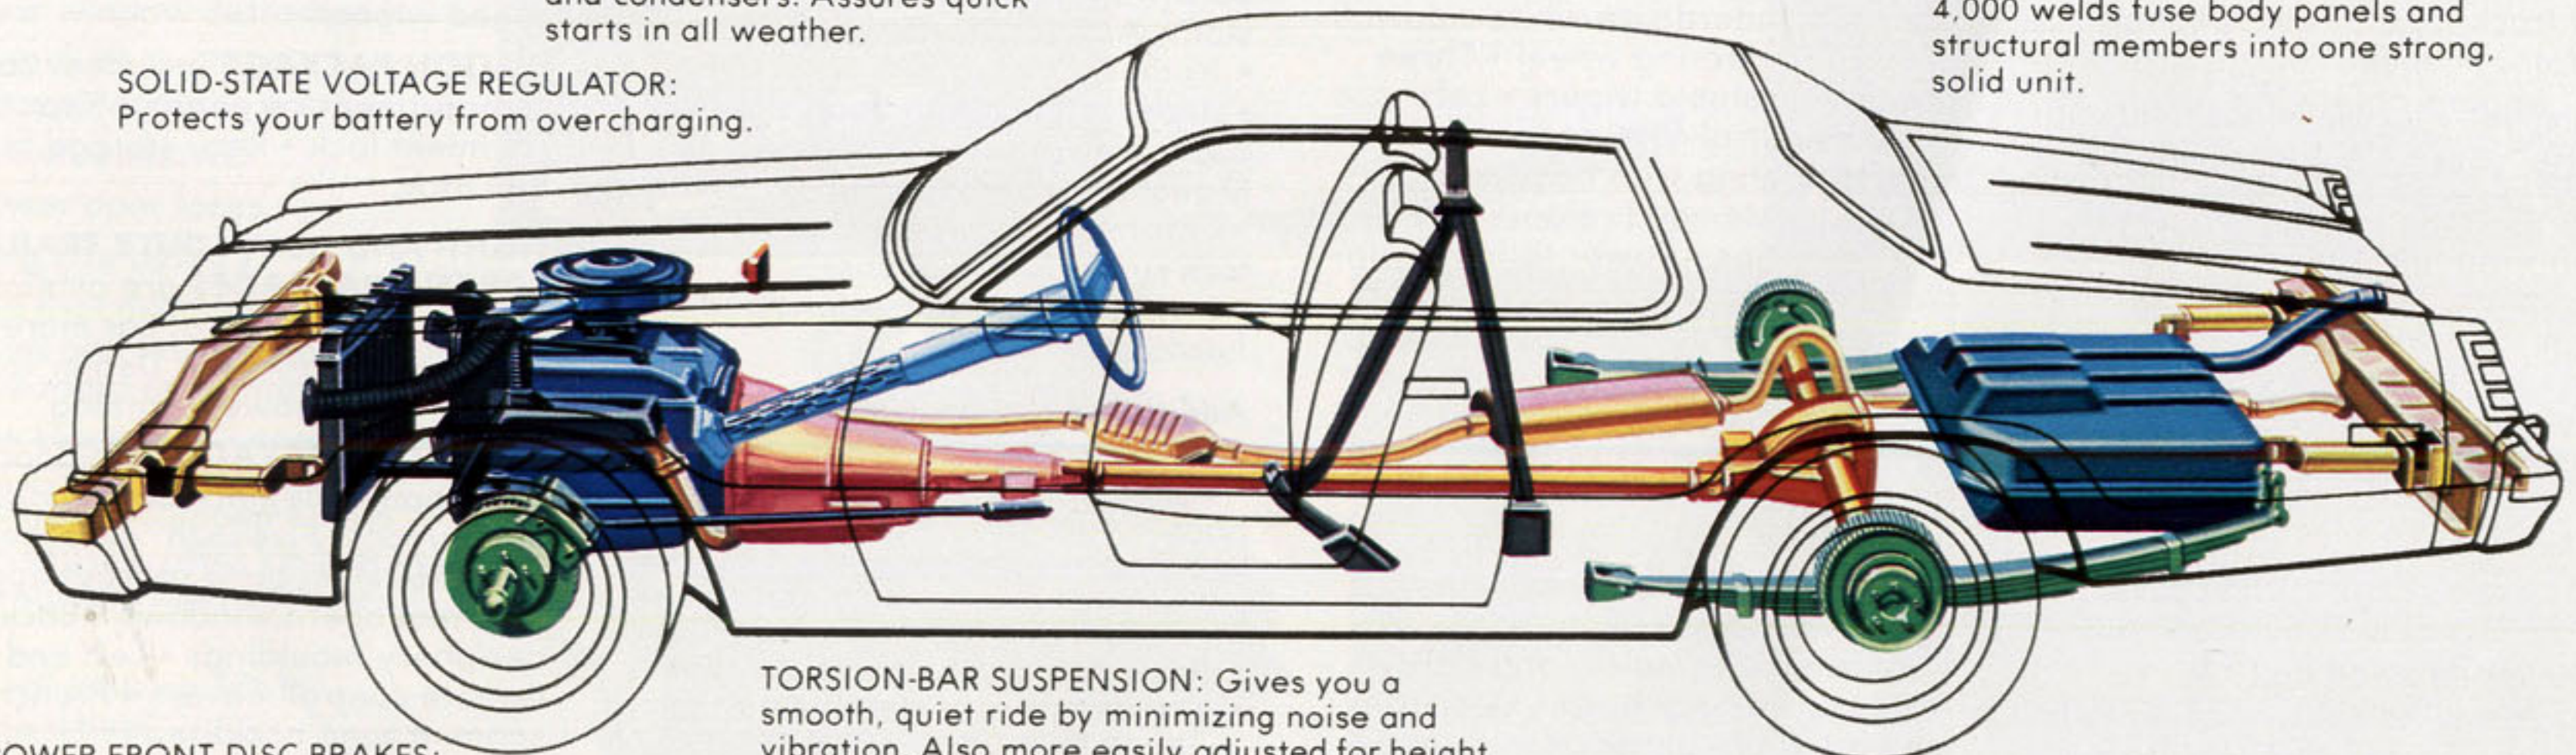

UNIBODY CONSTRUCTION: More than 4,000 welds fuse body panels and structural members into one strong, solid unit.

TORSION-BAR SUSPENSION: Gives you a smooth, quiet ride by minimizing noise and vibration. Also more easily adjusted for height than conventional coil springs.

POWER FRONT DISC BRAKES: Fade-resistant design for smooth, sure stops, time after time.

FACTORY RUST PROTECTION: A seven-step dip-and-spray process applied at the factory helps prevent rust and corrosion.

MULTILEAF REAR SPRINGS: Help reduce rear-end squat during acceleration. Rubber mounts help isolate the body from road noise and vibration.

MAKE YOUR MONACO AN ORIGINAL WITH THESE DODGE OPTIONS.

Monaco and Monaco Brougham Options.

Alternator, 100-amp • Air conditioning (power steering and TorqueFlite automatic transmission required with 225 Six) • Sure Grip axle • 500-amp Long Life battery • Electric clock • Rear window defroster • Door-edge guards • Front and rear floor mats • Fuel Pacer System* • Locking gas cap • Tinted glass • Inside hood release • Dual horns (std.
