CONVERTIBLE TOP

Choose cloth or vinyl and you'll have a power convertible top that lets you find the sky in about seven seconds. And if it's not top-down weather, no worry. The Sebring Convertible is a 365 day a year vehicle.

Once you have the top down, Sebring's precision-fitted top boot is simple to install if you desire. And its strong hook-and-loop fasteners keep it in place even at interstate speeds, protecting the top and the glass window.

AUTOSTICK

A four speed automatic transmission puts added performance and control in your hands. AutoStick®, available on Limited, lets you shift manually through gears with a touch of your hand, or cruise effortlessly with the four-speed automatic.

ENGINES

With the 2.7-liter double overhead camshaft (DOHC) 24 valve V6 engine (standard on GTC®, Touring, Signature Series and Limited, (shown at right), Sebring Convertible is more than just a pretty face. Its awesome power plant kicks out 200 horsepower, while providing an estimated 21/28 (city/highway) miles per gallon.

The 2.4-liter, 16-valve, four-cylinder 150 horsepower engine (standard on Sebring) delivers plenty of zesty propulsive fun while getting 22 mpg in the city and 30 mpg on the highway.

AIR BAGS

Next Generation multistage driver and front passenger air bags\* inflate with forces appropriate to the severity of impact.

\*Always use seat belts. Remember, a back seat is the safest place for children 12 and under.

### AVAILABLE EXTERIOR COLORS

### AVAILABLE SEAT COLORS

With the top down, you'll know your Sebring Convertible interior is as appealing as the exterior.

1. Limited Royale leather-trimmed seat with Preferred Suede® accents (shown in Light Taupe)
2. Touring Sutton leather-trimmed seat with Preferred Suede® accents (shown in Medium Taupe, available in Dark Slate Gray)
3. GTC® Tutone Ultrahide® seat (shown in Dark Slate Gray, available in Medium Taupe)
4. Sebring Savannah cloth seat (shown in Medium Taupe, available in Dark Slate Gray)

Unique two-tone leather-trimmed seating included with Signature Series (not shown).

### WHEEL OPTIONS

Sebring Convertible has the wheels to complete the luxury look.

1. 15-inch Swingblade silver painted wheel cover (Standard on Sebring)
2. 16-inch Blade Runner silver painted aluminum wheel (Standard on GTC®)
3. 16-inch Radiation painted aluminum wheel (Standard on Touring, optional on Sebring)
4. 16-inch Bladerunner chrome-clad aluminum wheel (Standard on Limited and included in Signature Series)

AN IMPRESSIVE INSIDE STORY

SEATING

With plenty of room for four adults and their luggage, it's clear that Sebring Convertible was built for relaxing journeys. Interior trim choices (leather trim shown) provide comfort and style, as does a six-way power driver's seat with reclining seatback, standard on Touring, Signature Series and Limited, optional on Sebring and GTC.<sup>®</sup> Touring and Limited also offer available heated seats with the Electronics Convenience Group.

Properly Secure all cargo.

TRAVELER'S DISPLAY

The Traveler's display provides instant data, including compass reading, fuel economy and outside temperature. (standard on Touring, Signature Series and Limited)

SOUND SYSTEMS

Combine superior componentry with Sebring Convertible's exceptionally quiet interior and you'll be surrounded with beautiful sounds.

- \* AM/FM stereo radio and CD player with CD changer controls (1) and six speakers is standard on all models.
- \* AM/FM stereo radio with cassette and CD player with CD changer controls and six speakers is available on Sebring Convertible (not shown)
- \* AM/FM stereo radio with cassette player (2), CD changer controls, in-dash six-disc CD changer (3) and six speakers is available on GTC<sup>®</sup> and Touring and included as part of the optional Luxury Group on Limited.
- \* AM/FM stereo radio and CD player with global positioning system (GPS) navigation radio and an in-dash six-CD changer (4) is available on Touring and Limited and included with Signature Series. The full-color display offers turn-by-turn route guidance using satellite technology.

Infinity speakers with a 150-watt amplifier are optional on GTC, available on Touring with the Luxury Group, included with Signature Series and standard on Limited. Touring and Limited also feature steering wheel-mounted audio controls standard with leather-trimmed seating.

HOMELINK<sup>®</sup>

The available HomeLink<sup>®</sup> Universal Transceiver operates the garage door as well as home security lighting and security gates (available on Touring and Limited with Luxury Group).
