

# PLYMOUTH VOLARÉ '80

Plymouth Duster.

Volaré coupe with Premier Package.

You know a good thing when you see it. There's something about its looks that tells you it's right. You can see it in Volaré coupe, sedan and wagon. But more importantly, you can measure it. Value you can put your finger on just by adding up its benefits.

Like Volaré's coup de coupe, Duster. It's back for the '80's sporting new colorful tape stripes. Optional dual remote control color-keyed mirrors. And plaid cloth-and-vinyl high-back bucket seats.

With new features that all Volarés can boast. A new grille and rectangular headlamps, new body-side ornamentation and a halogen headlamp option. There's even a new landau vinyl roof available to top it all off.

But the best news is the list of standard features that make Volaré one of the best values in its class. Like the coupe's five-passenger seating capacity—and ample 16.4 cubic feet of luggage room. Big car room—and ride, with the stability

of Chrysler's unique transverse torsion bar front suspension system and standard radial tires. Plus, Chrysler's extensive use of galvanized steel to protect Volaré from rust and corrosion. Or the selection of interior and exterior packages that rival any car in its class. Choose from the many exterior, performance and convenience packages, seating options and a long list of optional accessories.

Volaré two-door. It all adds up to value in just the right places.

## VOLARÉ TWO-DOOR. VALUE AT ITS BEST.

Plaid cloth-and-vinyl seats are standard with the optional Duster Package.

### ABOUT THIS CATALOG.

*Volaré wagon with Custom Package.*

*Roominess is probably your biggest concern if you're shopping for a wagon. You need a car that will haul your growing family on vacations. Or haul furniture to your new house. Whatever the reason, Volaré is your answer. With the rear seat down the luggage area expands to 73.1 cubic feet of carrying room that can be dressed up with optional carpeting and lockable storage bins. The optional power liftgate release allows easy access for loading and unloading.*

*Room for six to ride in comfort and style. A ride made easy with standard power disc brakes and optional power steering.*

*Volaré wagon, like the two-door and the four-door, can be ordered with the Custom or Premier Package. But the difference in the Wagon Premier Package is the woodtone trim*

**VOLARÉ STATION WAGON. VALUE WHERE IT COUNTS.**

*gracing the body sides and rear gate. A woodtone that continues inside to the instrument panel cluster and the glove box door, emphasizing the already good looks of the Premier wagon interior. Finishing touches are added with a hood ornament and deluxe wheel covers.*

*Add little optional touches in other ways with the new rear wiper/washer system, a roof luggage rack and wire wheel covers.*

*Volaré wagon. You can count on its value.*

◀ *All-vinyl 60/40 individually adjustable seats with folding center armrest and passenger-side seatback recliner are offered on coupe, sedan or wagon with the optional Premier Package. Included on all two-doors with the 60/40 seats is the easy-entry system. With this system, the front seat automatically slides forward when the seat-back release lever is activated, allowing easier access to the back seat.*

## VOLARÉ PACKAGES AND OPTIONS

### Volare Sport Wagon

Enjoy the utility of a wagon and the looks of a sporty car just by ordering the Volare wagon with Sport Package. In addition to wheel-opening flares, front air dam, tape stripes and black-highlighted grille, you'll get dual body-colored sport mirrors, "Tuff" three-spoke color-keyed steering wheel and eight-spoke road wheels with trim rings. And the Sport Wagon can be ordered with an optional Handling/Performance Package.

### Road Runner

Heads may turn when you drive down the street in a Road Runner because of distinct features like the rear deck spoiler, black-highlighted grille, dual remote sport mirrors, bold tape stripes and name decals. But that's not all.

Turn to page 11 for the complete list of Sport Wagon and Road Runner features. You can order individual options too from Volare's long list. Like:

- (1) Electronic digital clock with vacuum fluorescent display is accurate to within 60 seconds per month.

- (2) Aluminum road wheels are just one of the many options you can order on your Volare.

- (3) 5/50 Protection Plan. This optional service contract,\* the longest protection plan of any domestic manufacturer, covers major power train components for five years or 50,000 miles (whichever comes first) from the time you take delivery of your new Volare. The plan, which has a \$50 deductible per repair visit, also has an allowance for alternate transportation and towing. Ask your dealer for full details. \*Provisions of plans may vary with manufacturer.

- (4) Automatic speed control has been designed for improved performance in

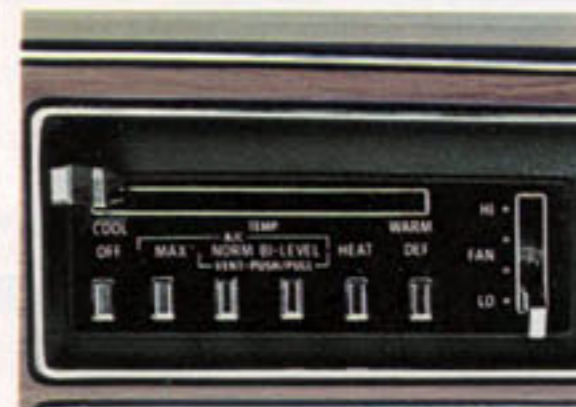

1980. Also, the intermittent windshield washer/wiper has a delay mode that can be set for pauses of two to 15 seconds.

- (5) New rear wiper/washer is available only on wagons.

- (6) New for 1980 is the AM/FM stereo with cassette and new Dolby\* noise reduction system.

\*Dolby is a trademark of Dolby Laboratories.

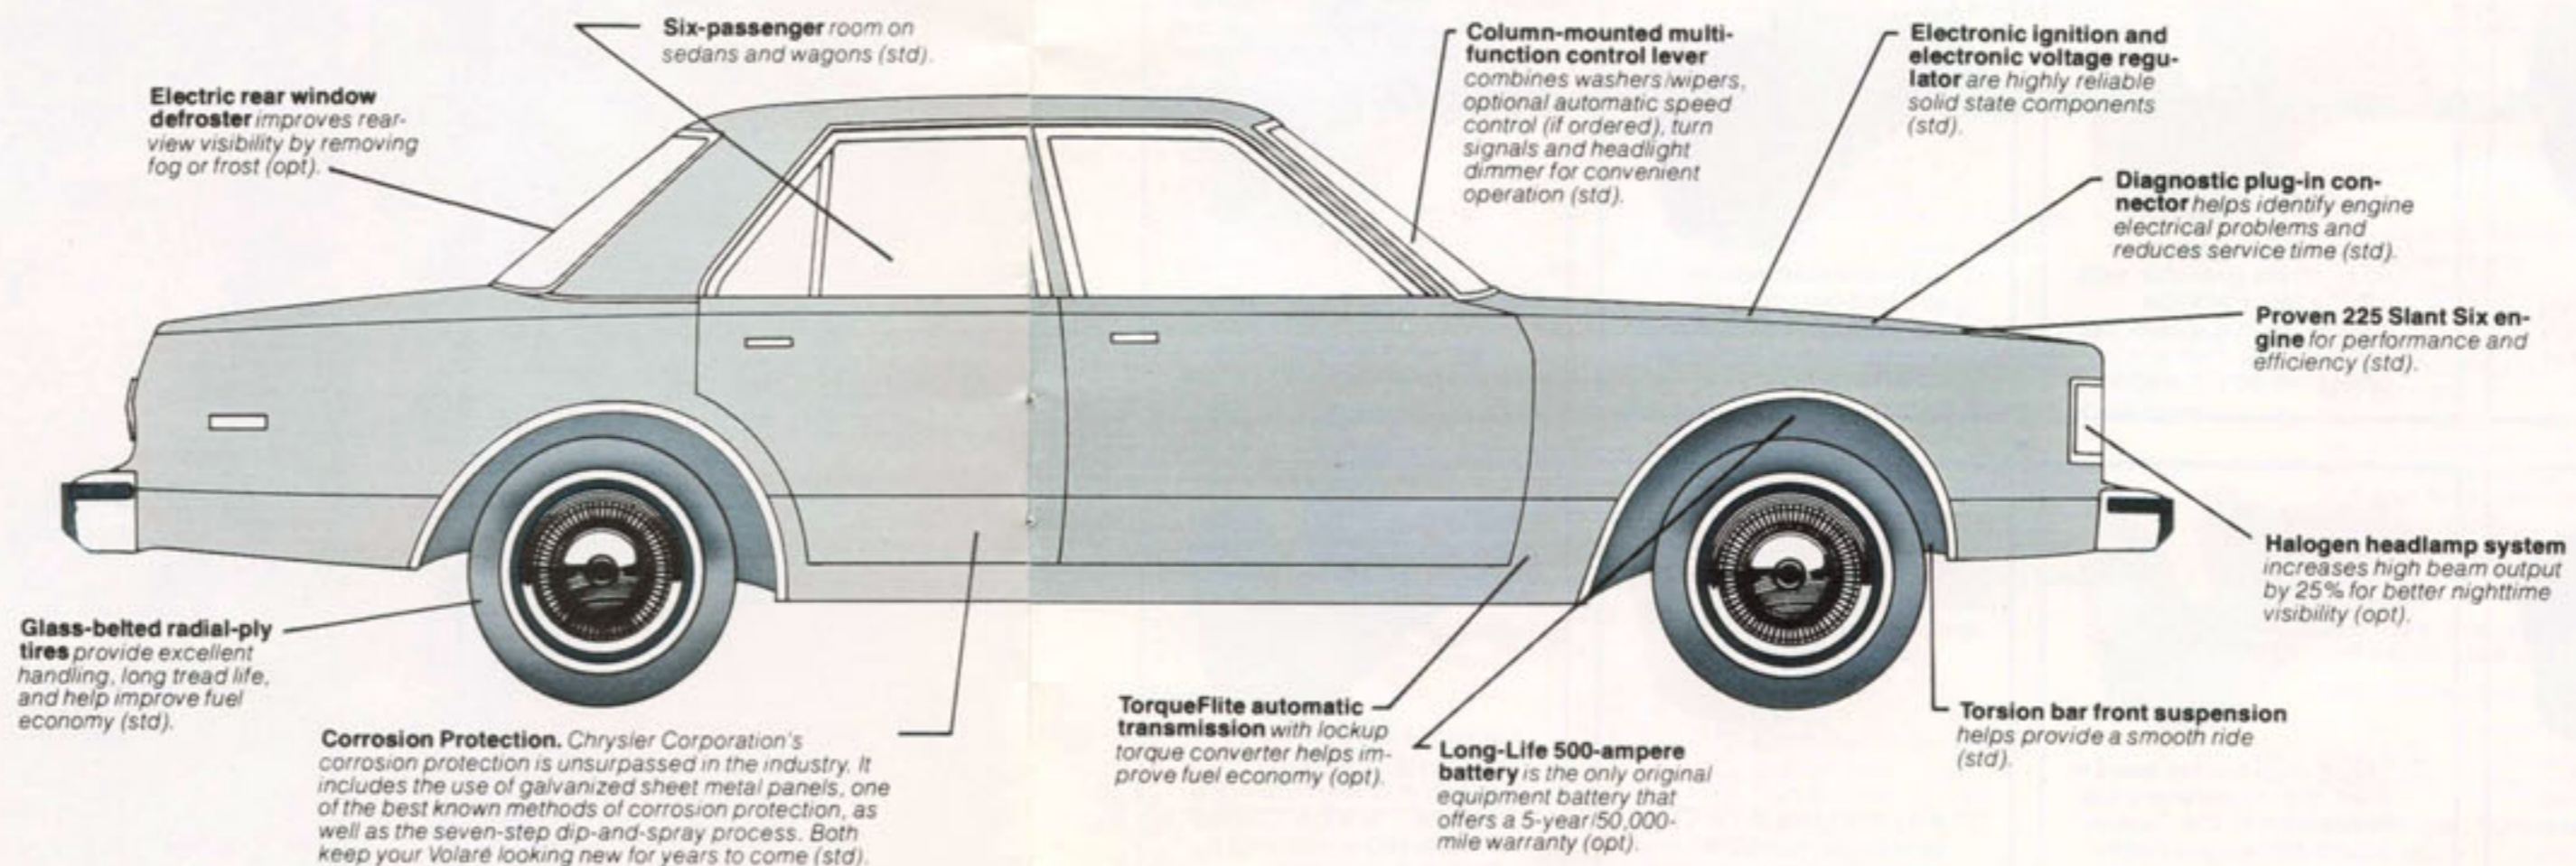

- (7) New air conditioning system for '80 is lighter in weight and has an improved heater performance capacity. (Ask your dealer for details regarding restrictions applicable to the later installation of air conditioning.)

- (8) Beyond this optional luxury steering wheel is Volare's easy-to-read standard instrumentation, including gauges for alternator, engine temperature and fuel with warning lights for oil pressure and parking brake.
