

1982 PLYMOUTH

TC3

1982 PLYMOUTH TC3... The American Way to Get Your Money's Worth.

TC3 Custom with Two-Tone Paint Package shown in Pearl White and Morocco Red.

Some of the equipment shown or described throughout this catalog is available at extra cost.

The many efficiencies of front-wheel drive. Chrysler's proven front-wheel drive technology eliminates a lot of unnecessary weight, allowing a special TC3 Miser model with a standard 1.7-liter engine/four-speed manual transaxle combination to deliver an impressive 34

EPA EST MPG, 51 estimated highway*. (See page 5 of this catalog for details.)

TC3's front-wheel drive means a roomy interior without a bulky exterior, because the drive train components are all under the hood. So there's more room for feet, and space for up to five passengers.

Front-wheel drive means added traction and maneuverability because the engine and transaxle weight are located over the driving wheels. This impressive traction is enhanced by TC3's standard road-gripping glass-belted radial tires and precise rack-and-pinion steering.

Think of it as a five-passenger sports coupe or a sporty two-seater. This versatile car carries as many passengers as some compact and midsize cars. And when the rear seat is folded down, you have 33.9 cubic feet of cargo space to go along with your sporty two-seat setup.

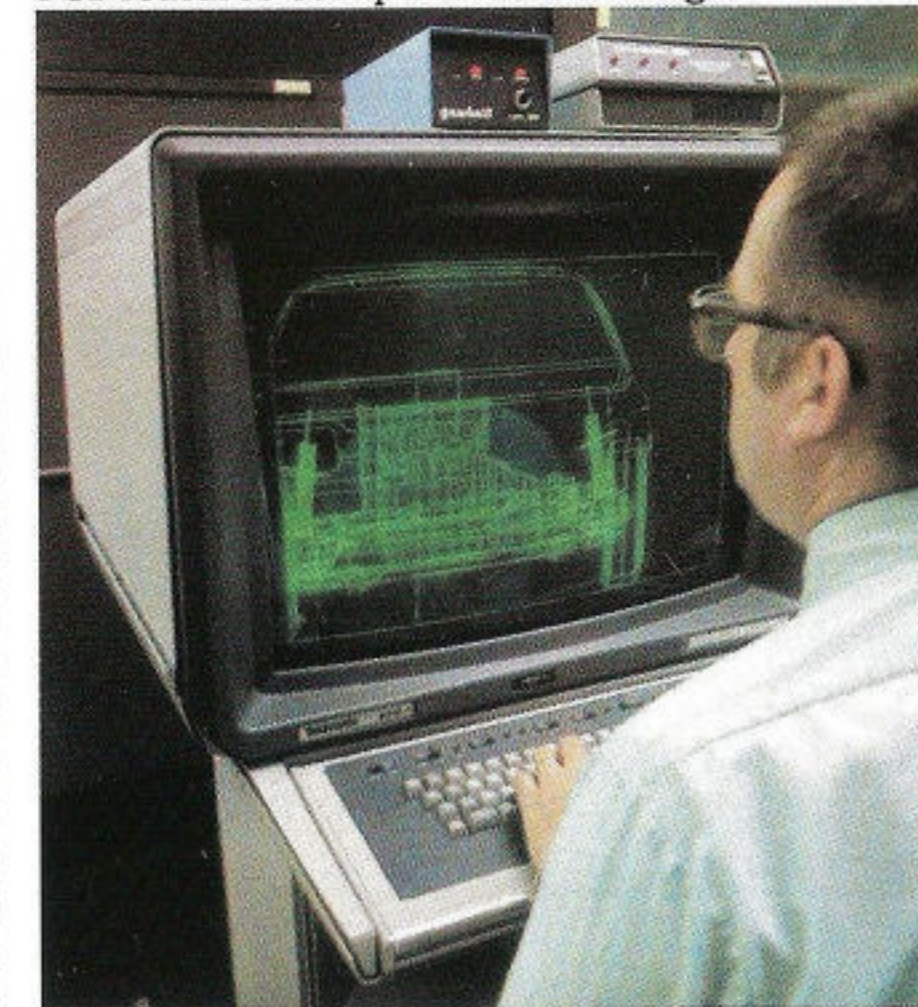

TC3 Custom's standard corded cloth-and-vinyl Sport interior in Red.

TC3's modern assembly facilities.

TC3 features computer-aided design.

Turn heads as effectively as you turn corners. With its new front end design, new quarter window applique, and standard 13-inch Rallye road wheels, TC3 Custom looks like a real competitor.

The high standards continue inside. With standard cloth-and-vinyl high-back

Sport bucket seats which feature integral headrests and dual seatback recliners that adjust to your liking (shown above). Plus a long list of options that make TC3 Custom a lot more than just another economy car.

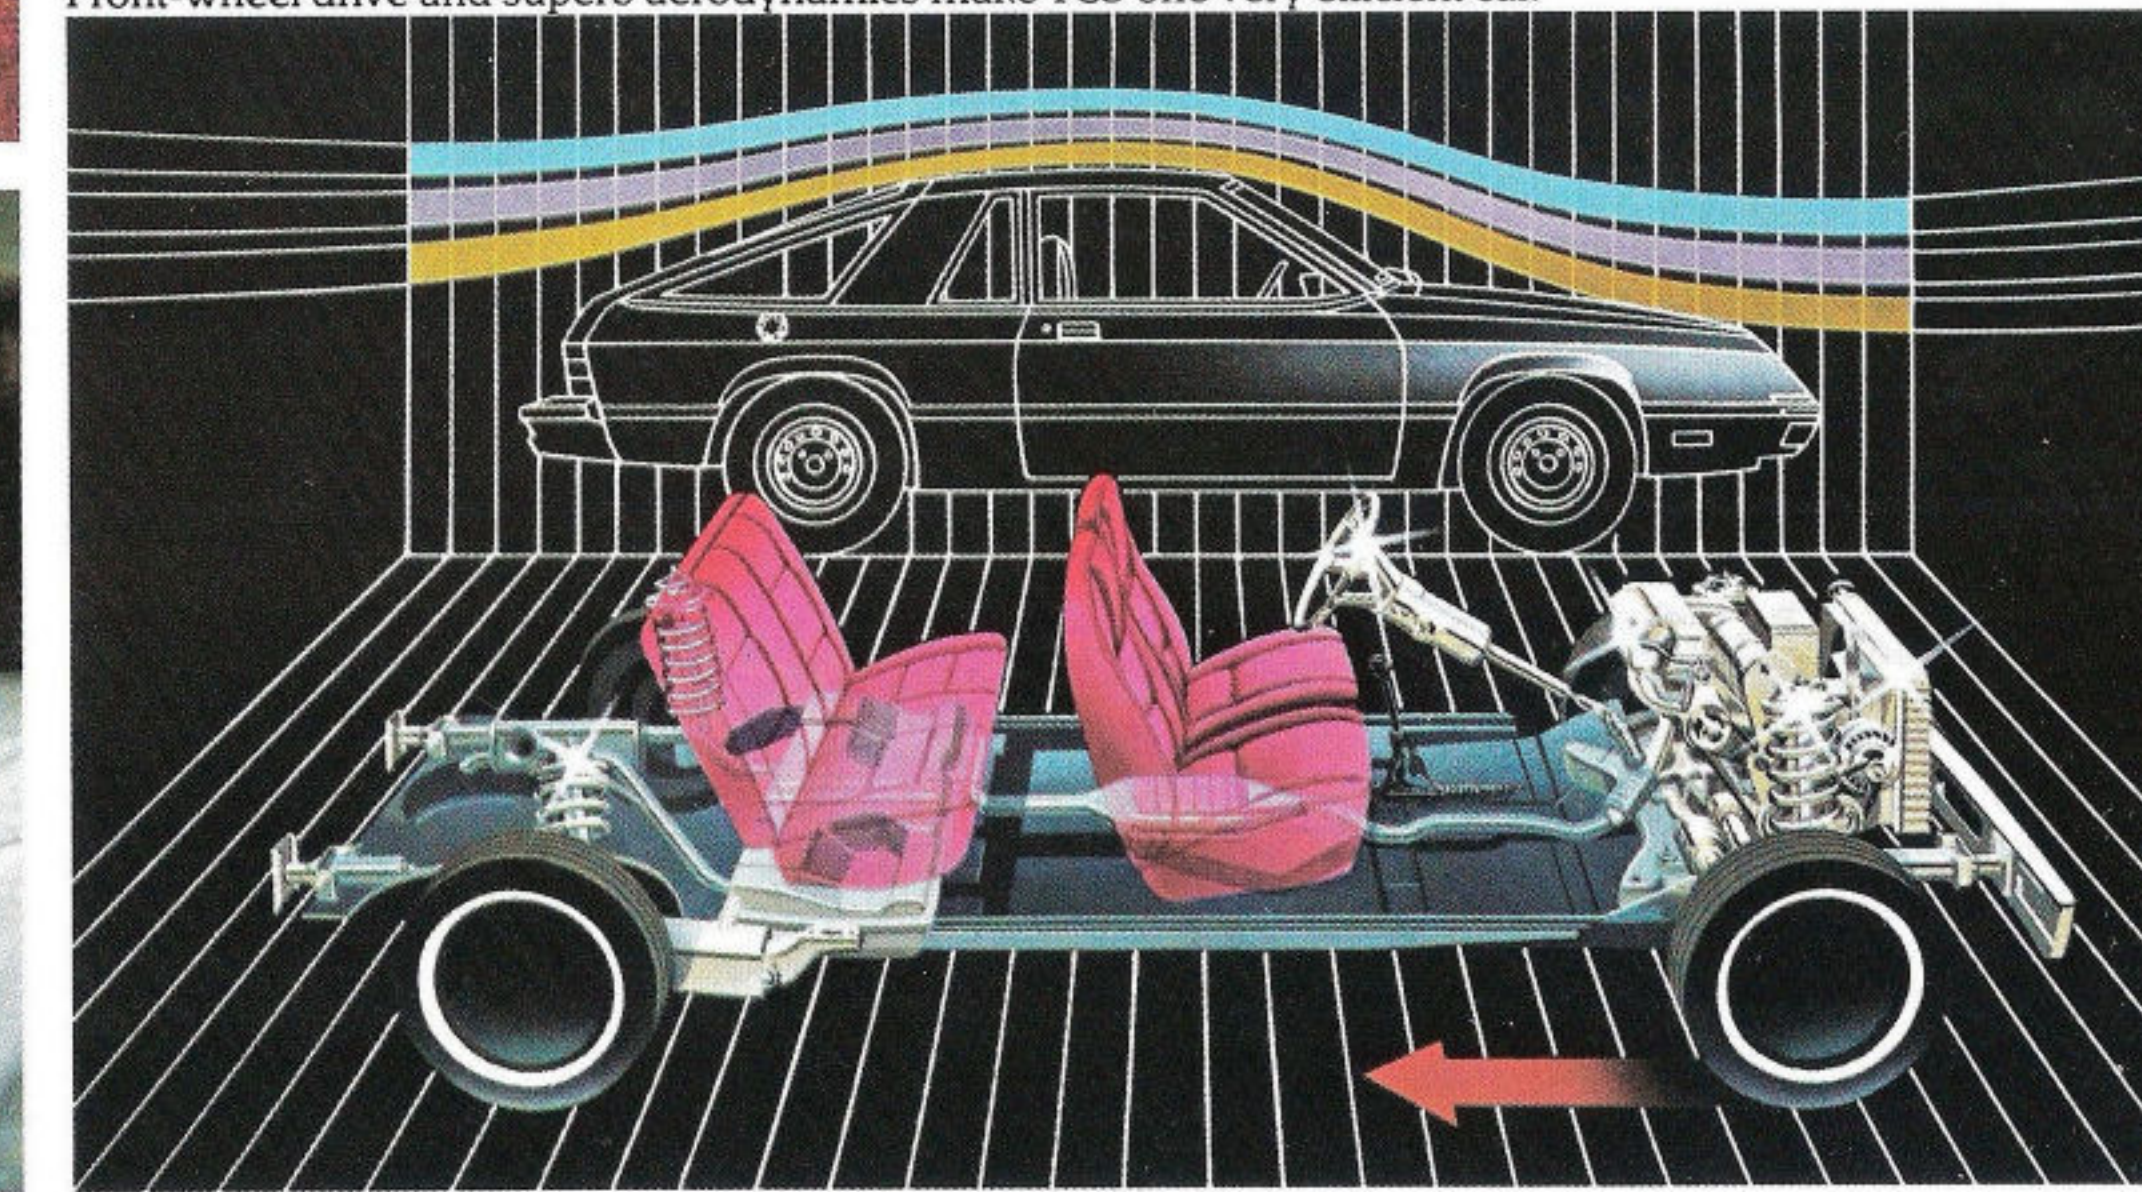

At Chrysler, quality is a science. Computer-aided design, solid Unibody

AT CHRYSLER, QUALITY IS A SCIENCE.

TC3 Custom with Sport Appearance Package in Silver and Flat Black.

Front-wheel drive and superb aerodynamics make TC3 one very efficient car.

construction, outstanding corrosion protection that features the use of pre-coated steel and galvanized sheet metal in critical areas plus a seven-step dip-and-spray process... they're just part of Chrysler Corporation's total commitment to building the best. The other

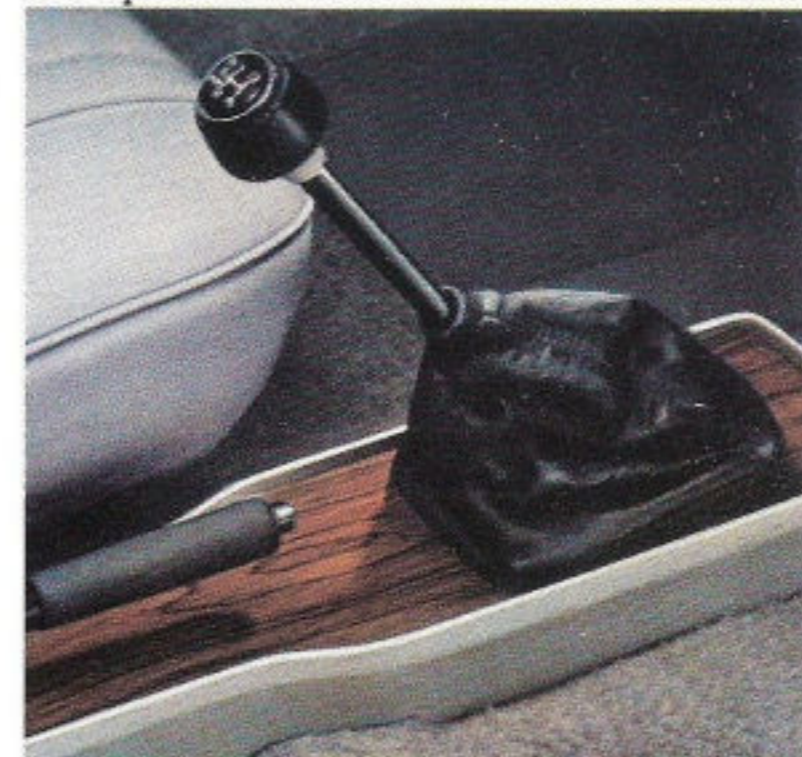

ingredients? Highly trained workers. Modern high-tech assembly plants. Computer-controlled automated welders. And an inspection program that's second to none in the industry.

*Use EPA estimates for comparison. Your mileage may differ depending upon speed, weather and trip length. Actual highway mileage will probably be lower than highway estimate.

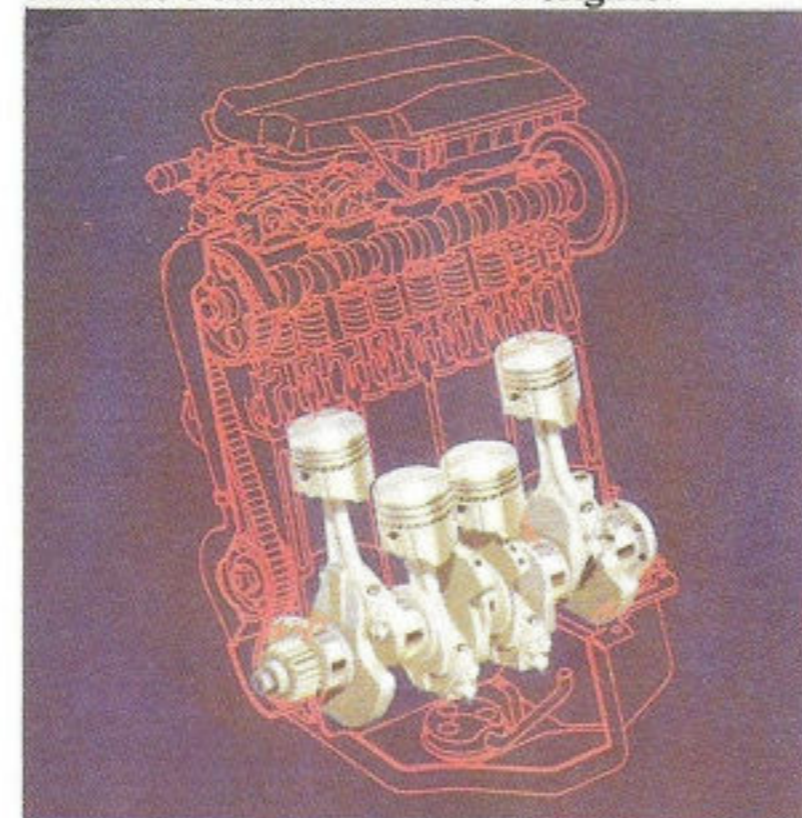

1982 PLYMOUTH TURISMO

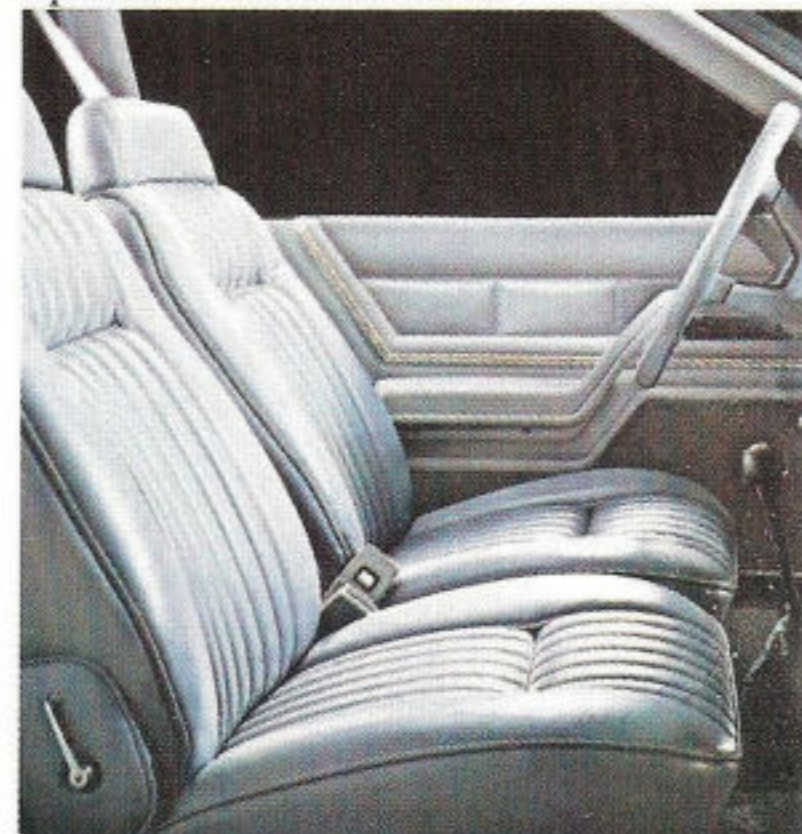

Turismo in Black. A 4-speed and floor console are standard.

Turismo's standard Trans-4 engine.

Optional Premium interior.

An exciting way to start your day. A special world of action awaits you every day when you're driving a new Plymouth Turismo with optional performance exhaust system. Just check these numbers: 0-50 mph in seven seconds! That's Turismo's standard 2.2-liter

overhead cam Trans-4 engine and special four-speed transaxle with 3.13 to 1 overall top gear ratio in action!

For those of you who won't run with the run-of-the-mill. Turismo sets you apart with its many black accents, rear spoiler, and special Turismo tape stripes

and graphics. Steel-belted radial-ply blackwall low-profile tires mounted on 14-inch steel Rallye wheels with bright hubs and trim rings. A Rallye instrument cluster. Cloth-and-vinyl Sport bucket seats like the ones shown and described on page 3. (Or select the optional low-back

Premium bucket seats shown here.)

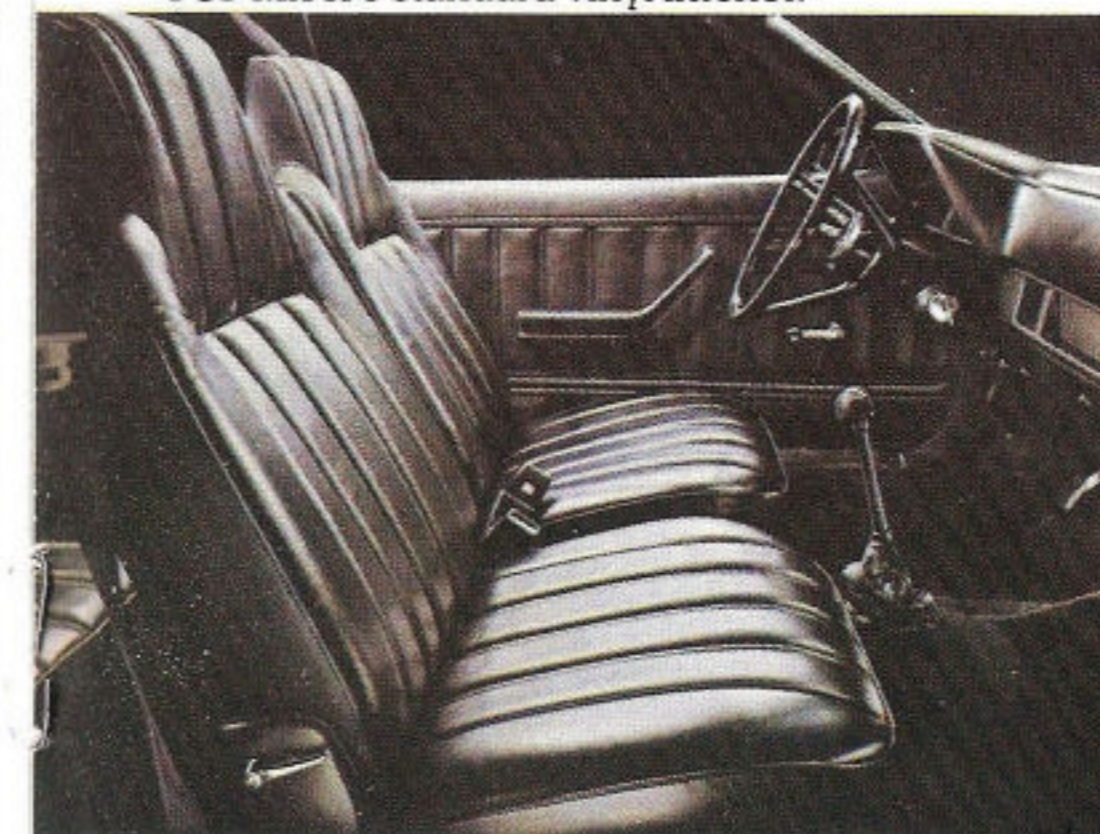

For added performance. Ask your dealer about Direct Connection, Chrysler's Performance Parts Program. You'll find air dams, wheels and engine chrome for the street, as well as a suspension kit, cams and pistons for off-road!

TC3 MISER

TC3 Miser in Graphic Red.

TC3 Miser's standard vinyl interior.

Meet Miser, the American designed and built sport coupe that's rated at 34 EPA EST MPG, 51 estimated highway! Designed with one eye on value, the other on spirit. Miser goes beyond economy, with comfort and value features you'd expect in a more expensive car.

TC3 Miser's handy rear hatch leads to loads of cargo space.

Peppy, yet practical. Miser's specially calibrated 1.7-liter four-cylinder engine delivers pep aplenty through its four-speed manual transaxle. Standard features include a full-width rear hatch, soft vinyl high-back bucket seats, and your choice of 13 exterior colors. And like

all TC3's, Miser has over 33 cubic feet of storage space with the rear seat down!

Looks sporty; acts sensible. Miser's good looks are exceeded only by its outstanding fuel efficiency and its people-carrying, cargo-hauling capabilities.

Looks costly; carries a small sticker

1982 Miser EPA EST Mileage Ratings*

51 EST. HWY MPG

34 EPA EST. MPG

price. With all its value, TC3 Miser is our low-priced American-built car. In fact, Miser could very well be your most sensible buy of the year. Especially if you have an eye for value and spirit.

*Use EPA EST MPG number for comparison. Your mileage may differ depending upon speed, weather and trip length. Actual highway mileage will probably be lower than highway estimate.

1982 TC3 OPTIONS

Pictured here are just a few of the many options available at extra cost on the 1982 Plymouth TC3. One or more of them can only add to your driving pleasure and could mean extra value for you at resale time.

1. RALLYE INSTRUMENT CLUSTER. (Optional on Custom, standard on Turismo.) Sporty cars like TC3 deserve sporty options like this. Included are a tachometer, clock and trip odometer along with TC3's standard speedometer, fuel gauge and ammeter.

2. ILLUMINATED VISOR VANITY MIRROR. Cast a little light on the situation any time of day or night. Your passengers will always look their best with this option ready and waiting on the visor.

3. SUN ROOF. Want to make your TC3 sport coupe more of a sports car? Then order this roof-raising option. The tinted glass panel pops open for extra ventilation or removes completely for fresh air driving fun.

4. AIR CONDITIONING. Keep your cool while others around you are losing theirs. It's easy with TC3's air conditioning option. It lets you be as cool as you want to be at the touch of a button. (Miser model requires optional 2.2-liter engine and automatic transaxle.)

5. AM/FM STEREO RADIO WITH CASSETTE PLAYER. Now hear this. Your favorite music will come in loud and clear via local stations or tapes. The option to have for those who really enjoy their music.

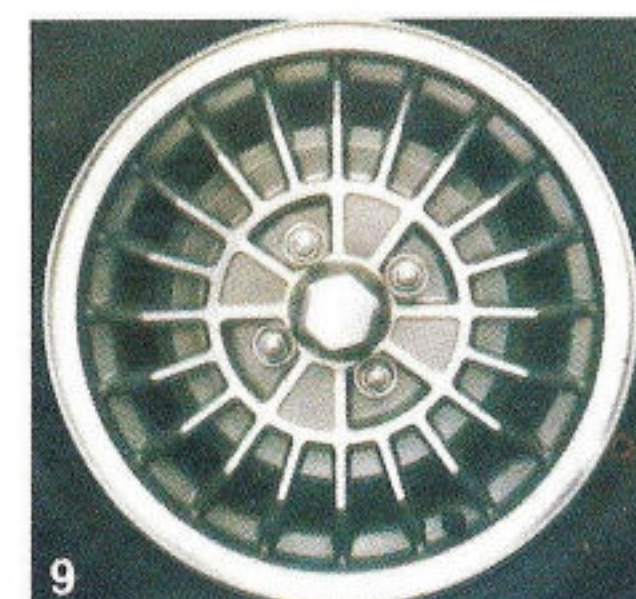

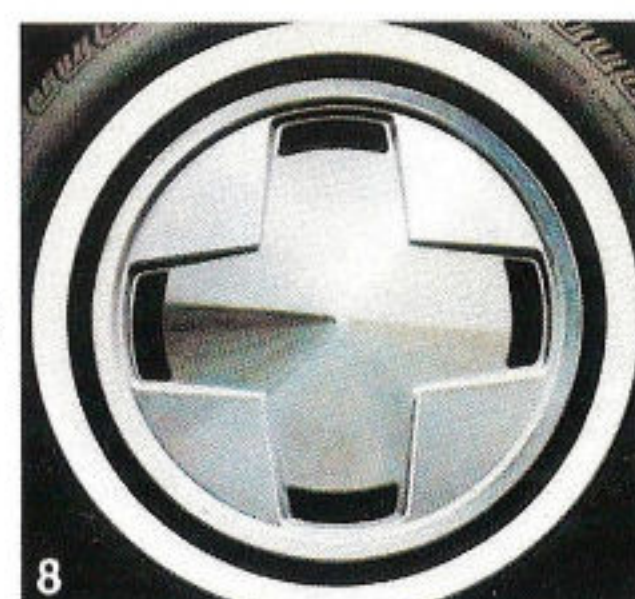

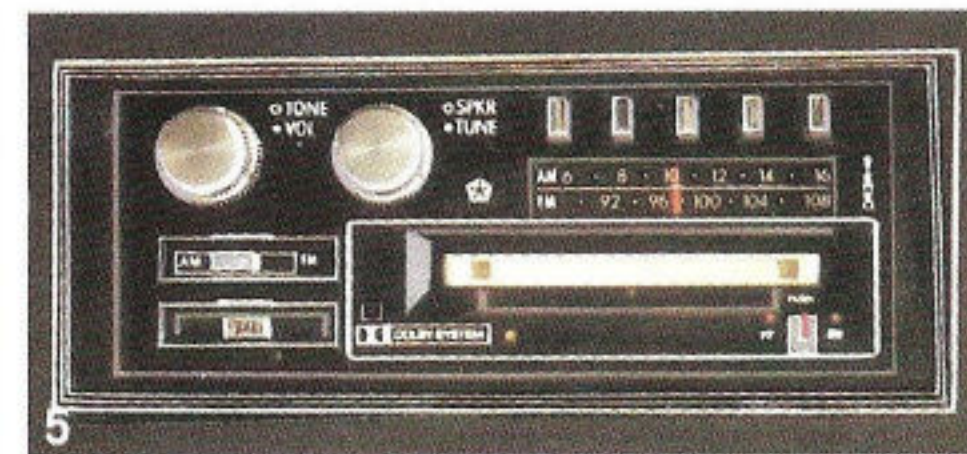

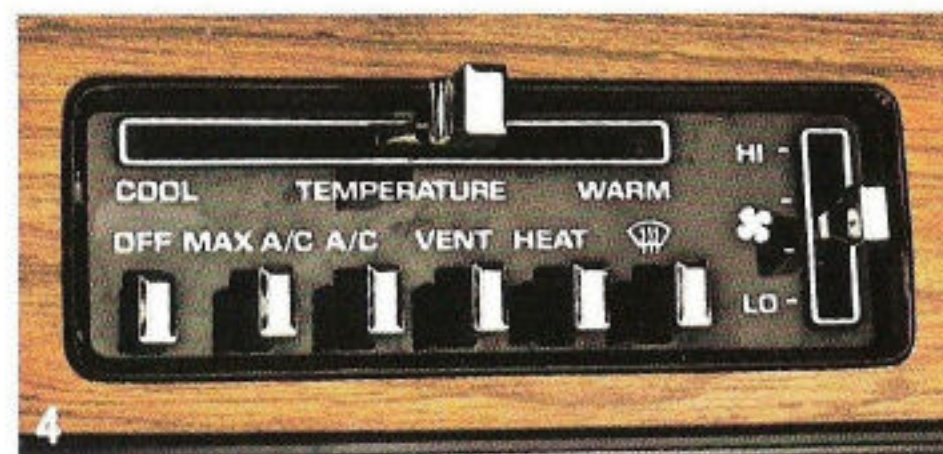

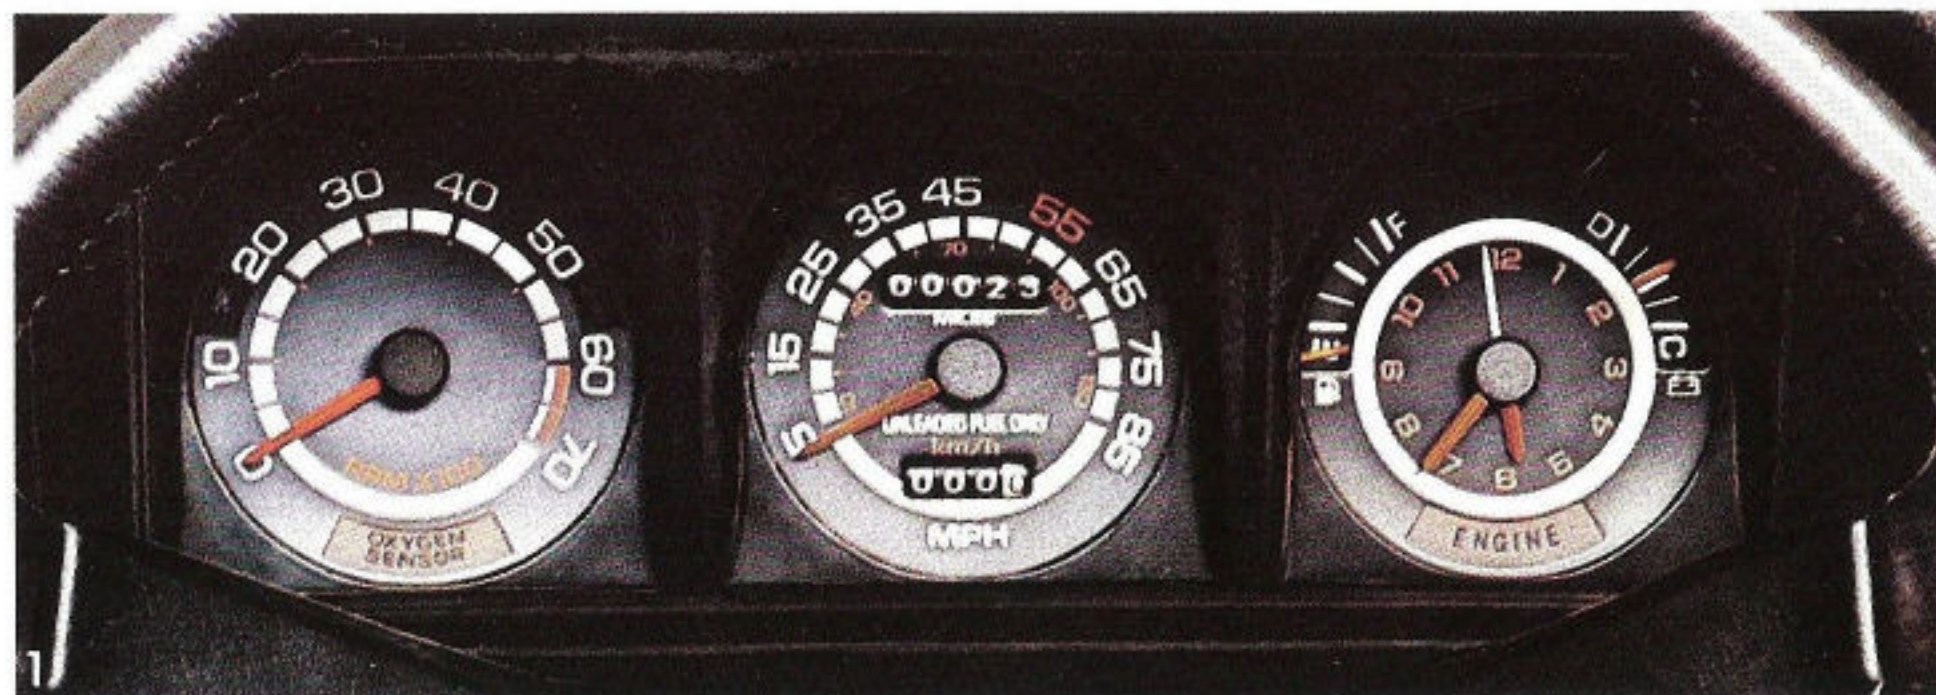

6. TONNEAU COVER. (Standard on Turismo.) What they can't see won't hurt you. Keep your valuables away from prying eyes. This practical all-vinyl cover rolls up like a window shade when not in use.

7. AUTOMATIC SPEED CONTROL. Set it, then forget it. This little device will keep you at the speed you want. Remember, a steady speed helps improve fuel economy while keeping your accelerator foot rested and relaxed. (Requires optional Deluxe windshield wipers.)

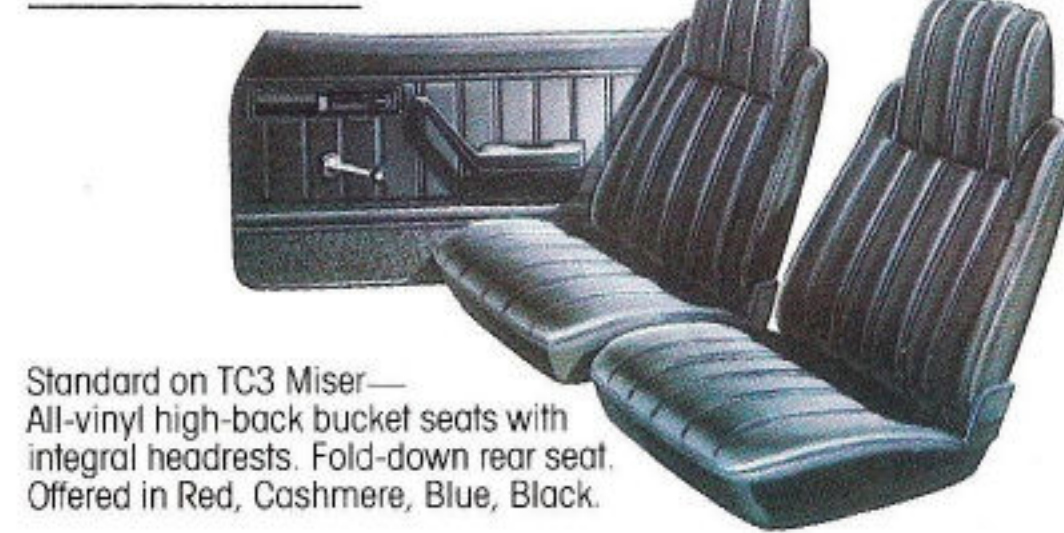

8. DELUXE WHEEL COVERS. Here's proof that there's more than one way to cover a wheel. The look is clean, rich and sophisticated. A great way to dress up your new TC3 Custom, isn't it?

9. ALUMINUM ROAD WHEELS. These 14-inch finned disks can add a lot of European road car sportiness to TC3 Custom or Turismo. Try a set on for sighs.

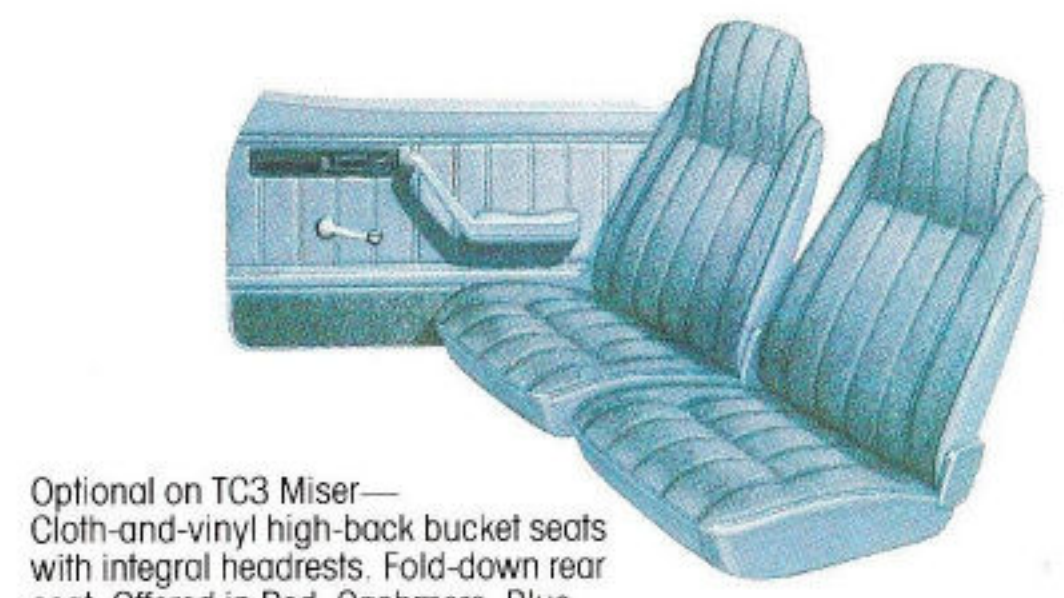

10. AUTOMATIC TRANSAXLE AND CONSOLE. Order the optional TorqueFlite automatic transaxle and get no-fuss shift-less driving pleasure. Add the optional floor console and you've got a handy place to put your glasses, gloves . . . whatever. (Console optional on Custom, standard on Turismo.)

INTERIOR TRIM

Standard on TC3 Miser—All-vinyl high-back bucket seats with integral headrests. Fold-down rear seat. Offered in Red, Cashmere, Blue, Black.

Optional on TC3 Miser—Cloth-and-vinyl high-back bucket seats with integral headrests. Fold-down rear seat. Offered in Red, Cashmere, Blue.

Standard on TC3 Custom and Turismo—Cloth-and-vinyl Sport-type, high-back bucket seats with integral headrests and dual seatback recliners. Fold-down rear seat. Offered in Red, Cashmere, Blue, Silver, Black.

Optional on TC3 Custom and Turismo—All-vinyl low-back bucket seats with adjustable headrests and dual seatback recliners, and easy-entry system on passenger side. Fold-down rear seat. Offered in Red, Cashmere, Blue, Silver, Black.

Buy or Lease a Plymouth TC3

If you buy a new car every two years or so, or would like to, you're in an ideal situation to take advantage of leasing—for that's the typical length of a leasing contract. If you use your car in business, leasing could cut down on your operating and administrative expenses as well as give you accurate records for tax purposes. The more you learn about leasing, the more likely you are to consider it seriously. Talk it over with us—your local member of the Chrysler Leasing System.

OPTIONS

Certain models, packages and options are subject to specific restrictions, requirements and late availability. Consult your dealer for current ordering information.

- Air Conditioning*—Manual (Miser requires 2.2-liter engine and automatic transaxle)
- Battery—430-amp (maintenance-free)
- Bracket—License plate, front: standard where front plate is required
- Carpet—Cargo compartment (includes sound insulation)††
- Clock—Analog: and trip odometer†
- Cluster—Rallye instrument: includes tachometer, clock and trip odometer††
- Console—Shift lever††
- Cooling—Engine: higher capacity (not available with air conditioner)§
- Defroster—Rear window: electric
- Emissions—California Control System and Testing (required on vehicles registered in California; NA otherwise)
- Emissions—High-altitude (with 2.2-liter engine only)
- Exhaust System—Performance (Turismo only)
- Glass—Windshield: clear
- Heater—Engine block
- Louvers—Rear liftgate window (dealer installed)
- MIRRORS
 - Interior—Vanity: illuminated right visor
 - Exterior—Remote right and left: painted†
- POWER
 - Brakes
 - Steering—Miser requires 2.2-liter engine and automatic transaxle
- Protective Rub Strip—Rear bumper††
- RADIOS
 - AM Monaural—Miser only
 - AM/FM Stereo—Electronic tuning**
 - AM/FM Stereo—Electronic tuning, with cassette player and Dolby†† system**
 - AM/FM Stereo—Manual tuning
 - AM/FM Stereo—Manual tuning, with cassette player and Dolby†† system
 - AM/FM Stereo—Manual tuning, with eight-track tape player
 - Radio Upgrade—Dual front speakers (not available with stereo radios)
- SEATS
 - High-Back Bucket—With integral headrests: cloth-and-vinyl (Miser only)
 - Low-Back Bucket—With adjustable headrests and dual recliners.
 - Speed Control—Automatic (requires deluxe windshield wipers)
 - Spoiler—Rear liftgate††
 - Sun Roof
 - Suspension—Sport (requires 14" tires and wheels)‡
- TIRES
 - Spare—Conventional (Miser requires 2.2-liter engine and automatic transaxle)
 - P175/75R13—Glass-belted radial wide white sidewall†††
 - P175/75R13—Steel-belted radial black sidewall†††
 - P175/75R13—Steel-belted radial wide white sidewall†††

- P195/60R14—Steel-belted radial black sidewall with raised black letters†† (requires opt. 14" wheels on Custom)
- P195/60R14—Steel-belted radial black sidewall with raised white letters† (requires opt. 14" wheels on Custom)
- Tonneau Cover—Cargo area†
- Transaxle—Automatic (with 2.2-liter engine only)
- Undercoating
- Vinyl Protection—Vinyl coating on lower body
- Wheel Covers—Radiant: 13-inch†† ††
- Wheel Covers—Deluxe: 13-inch†† ††
- Wheels—Rallye: 14-inch with trim rings (four)†† (requires 14" tires)
- Wheels—Road (four): 14-inch cast aluminum† (requires 14" tires)
- Windshield Wipers—Deluxe with intermittent wipe feature
- *Vehicles without factory air conditioning have special recommended cooling equipment for later air conditioning installation. See your dealer for details. †Standard Turismo. ‡Not available on Miser model. §Recommended to provide adequate engine cooling performance on vehicles to be equipped with a field-installed air conditioner. Also recommended for use in high temperature areas and for light-duty trailer towing. **Late availability. ††Dolby is a trademark of Dolby Laboratories. †††Not available on Turismo model.

OPTIONAL PACKAGES

- BRIGHT EXTERIOR ACCENT PACKAGE (available on TC3 Custom only)
 - Rear bumper protective rub strip
 - Bright sill moldings*
 - Bright wheel opening moldings*
- TWO-TONE PAINT PACKAGE (available on TC3 Custom only)
 - Accent stripes on body
 - Rear bumper protective rub strip
 - Colors available: see Colors
- LIGHT GROUP
 - Ash receiver light*
 - Glove box light*
 - Halogen headlamps*
 - Headlamps-on warning buzzer*
 - Ignition switch light with time delay*
 - Map/courtesy light*
 - Luggage compartment light*
 - *Available in Package only.
- SPORT APPEARANCE PACKAGE (available on TC3 Custom only)
 - Lower body black paint
 - Black moldings for drip rail, windshield, rear window, and belt
 - Tape accent strip
 - Rear bumper protective rub strip
 - Colors available: see Colors

STANDARD SAFETY FEATURES

- Safety-Rim wheels
- Combination lap-shoulder belts for the driver and right front passenger, and lap belts for all other passengers
- Seat belt reminder system
- Energy-absorbing steering wheel
- Dual braking system with separate brake fluid reservoirs in the master cylinder
- Brake fluid pressure loss warning light (also serves as indicator when parking brake is applied)
- Hazard-warning flasher system
- Turn signals with lane-change features
- Electronic ignition
- Backup lights
- Energy-absorbing front seat head restraints
- Energy-absorbing front seatback
- Inside and outside rearview mirrors
- Side marker lights and reflectors
- Seatback latches on folding seats
- Fade-resistant front disc brakes
- Electric windshield washers and wipers
- Ignition and steering column lock
- Anti-theft trunk lock
- Headlamp and wiper circuit breakers with automatic reset
- Key-left-in-ignition warning
- Non-override door locks
- Resilient window crank knobs
- Side door beams
- Dual throttle return springs
- Interlocking door latches
- Retracted inside door release handles
- Rotary glove box latch
- Reinforced windshield header and roof
- Glare-reduction measures for windshield wipers, instrument panel and steering wheel
- Double ball-joint rearview mirror mount

PLYMOUTH FOR 1982

CHAMP. Our front-wheel drive five-passenger import. Three hatchback models to choose from.

SAPPORO. The sophisticated sport coupe with European styling... plus handling, performance and luxury to match.

HORIZON. The front-wheel drive four-door hatchback that seats five. Choose from the affordable and efficient Miser, the dressy Custom and the sporty E-Type.

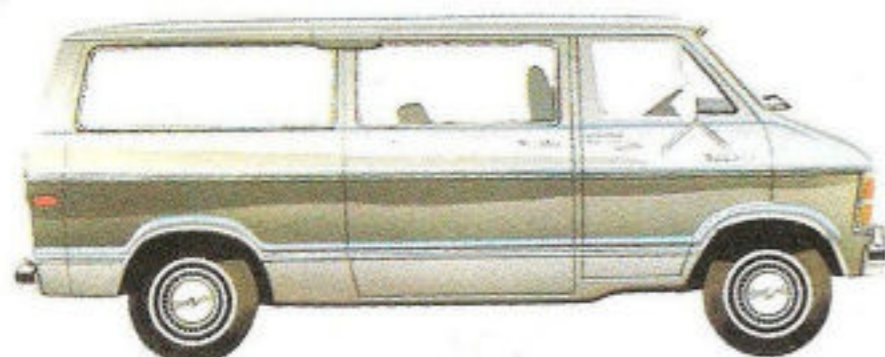

RELIANT. America's "first family" of efficient front-wheel drive, six-passenger cars. Available in two-door, four-door and wagon models.

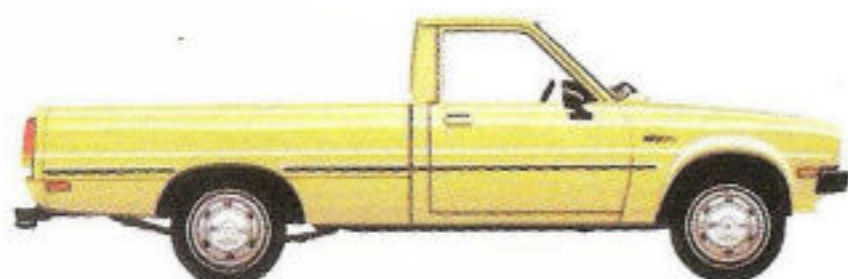

GRAN FURY. Big-car room, ride and comfort in a trim, affordable, six-passenger four-door.

VOYAGER. The ultra-roomy people-mover that can carry from six to fifteen passengers, depending on the model you choose.

ARROW PICKUP. The good-looking, sporty, imported little pickup that's strong, reliable and built to last.

5/50 PROTECTION PLANS.

Chrysler offers you two choices of 5/50 Protection Plans: the 5/50 Power Train Plan and the 5/50 Custom Plan. These optional service contracts provide you with protection against tomorrow's rising service and parts costs for specified major repairs starting after your vehicle's "basic" limited warranty expires and lasting for five years or 50,000 miles (whichever occurs first) from your vehicle's original in-service date. The plans have a \$25 deductible, and provide an allowance for alternate transportation and towing. Ask your dealer for complete details.

MOPAR parts are engineered by Chrysler Corporation for use in your new Plymouth TC3. When replacement is necessary, be sure to specify MOPAR parts. Used by professional mechanics all over the world.
