## VISTA-CRUISER

All new from the top down!

Meet a brand new family-of-wagons for wagon families! Vista-Cruiser—a beautiful combination of prestige and practicality in four fashionable versions! Unique Vista-Roof gives you a whole new point of view! Lets you sit up, facing forward, even in three-seat models! Gives you extra room for cargo . . . and more height to load it. Add a spirited Jetfire Rocket V-8 that puts up to 290 horses to work for you. And a full ten-foot wheelbase to wed you to the road. Give it a try. You'll find a versatile new-size, you-size Oldsmobile Vista-Cruiser is your kind of wagon!

Longer 10-foot wheelbase cushions kids or cargo! Four deep-coil springs on a full ten-foot wheelbase give the Vista-Cruiser big-wagon ride and roadability—even under a full load! Guard-Beam Frame, Twin-Triangle Stability help isolate noise and vibration.

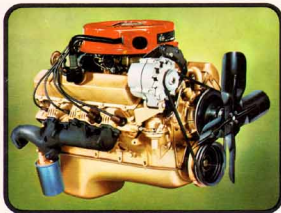

Loading height makes Vista-Cruiser jack-of-all-trades! Wagon families are fast-discovering the new versatility of the Vista-Cruiser. Higher loading height is ideal for upright delivery of merchandise, too. And Oldsmobile's winning style lends prestige on every trip!

Hidden storage compartment guards your treasures! Out of sight beneath the floor, this handy compartment provides extra storage space for valuables on all models. Measures 7.5 cubic feet on two-seat, 3.5 cubic feet on three-seat models. Lock is optional at extra cost.

How to spell comfort with a capital "See!" This Custom Interior shows how color-keyed Moroccan is tailored for beauty and comfort! Luxurious cloth-and-Moroccan upholstery is also standard on Custom models. Cargo floor carpeting is an optional extra.

V-8 power plants—where the action is! Help yourself to the husky, regular-gas 230-h.p. Jetfire Rocket V-8 . . . or go with the high-performing 290-h.p. V-8! Either one gives you spunk to spare! New Jetaway Drive\* makes for even smoother going! (\*Optional at extra cost.)

Practically to match the prestige! Looks like solid luxury—and it is! Yet wonderful, washable Moroccan is as rugged as it is rich! This is one of five colorful interiors available on standard Vista-Cruiser models. Front seat belts are standard on all '64 Oldsmobiles.
