**INFINITI**  
EMPOWER THE DRIVE

Final production vehicle may vary. Always wear your seat belt, and please don't drink and drive.  
©2016 INFINITI. IN-19403 Reorder #17504 (8/16, 45K, CG) ♻️ Reducing our environmental footprint is an important goal at Infiniti. That's why this brochure uses paper stock that is certified to contain a minimum of 10% post-consumer waste materials.

INFINITI

# EMPOWER THE DRIVE

We are like you. We push ourselves beyond our comfort zone. While others might be content with making better machines, we are driven to go beyond—to design cars that push human potential. We build technology to enhance your senses, striking design that demands a response and performance that makes you feel more alive. Prepare to experience the road as it was intended.

## INFINITI QX30

**Empower the drive with style.** The bespoke tool of the modern, urban driver. An all-new premium active crossover for today's needs. Bold styling and a higher ride height to rule the streets. Intelligent All-Wheel Drive to go beyond the city-limits.<sup>1</sup> And an interior dressed in wood grain and contrasted stitched leather-appointed seating to complete the package.<sup>1</sup> QX30. Dare to stand out.

EXTERIOR DESIGN

# LET YOUR STYLE RISE UP

The city is your stage, and now you're in the spotlight—with dramatic lines that stand out from the rest. Express yourself through design that is as unique as you are.

**UNDENIABLY INFINITI** The QX30 displays INFINITI's DNA in every curve. The arc of the top of the grille mirrors the arc of the bottom to form INFINITI's signature double-arch grille, while the crescent-shaped C-Pillar curves forward as if in perpetual motion.

**SIGNATURE LED LIGHTING** Inspired by the human eye, the trademark INFINITI light shape can be seen from both the front and the side. It is echoed in the taillights for a definitive character from every angle.

**DEEP DRAMATIC CREASES** A bold rising and dipping shoulder line runs the entire length of the vehicle—so deep and sharp that engineers had to develop a new type of 3D manufacturing process to create them.

**BOLD STYLING** Complementing the deep, sculpted lines that run dramatically down the side, the QX30's special wheel arches and side sills punctuate its striking design. Satin silver bumper inserts emphasize its go-anywhere nature.

**ENHANCED VIEWPOINT** Sitting higher above traffic, the ground clearance of the QX30 gives you a greater view of what's around you and an increased capability to maneuver rougher roads and higher curbs.

**EXPRESSIVE WHEELS** Large 18-inch alloy wheels speak to the adventurous side of the QX30 and enhance its athletic posture.

INTERIOR DESIGN

# THE NEW SHAPE OF NONCONFORMITY

Shapes flow naturally in beautiful asymmetry, creating an inviting interior that's fresh and unique. This is design with a new view.

**FIRST IMPRESSIONS** From the driver's seat, the intersecting arcs of the interiors are refreshingly dynamic, but our designers know that your first view happens before you ever sit down. So they designed the interiors to be breathtaking the moment you open the door, from the side view as well as straight on.

**DESIGNED IN MOTION** The interior takes your movement in the real world into consideration. The way light reflects and moves across every surface was designed to evoke an emotion that enhances the driving experience.

**CARRY WITH EASE** Pop open the rear liftgate, and reveal a wide opening that makes loading and unloading easier. Clear from any obstruction, you'll have direct access to the cargo area. What's more, the 60/40 folding rear seats open up more space to carry more of your things.<sup>2</sup>

## THE NEW FEEL OF INDIVIDUALITY

On every surface of the interior, you'll find high-quality softness from the same premium materials found on your favorite luxury goods.

**SUEDE-LIKE SOFT** Developed in Italy by the high-fashion industry for use on surfaces you touch often, Dinamica<sup>®</sup> imparts a suede-like feel to the front pillars and headliner.<sup>1</sup>

**TESTED TOUCH** We tested a range of surfaces with hundreds of people around the world to find a texture that was most pleasing to the fingertip, then exclusively created Sofilez to match it. Wherever the feel is important and durability is critical, you'll find it, like on the doors and center armrest.

**NAPPA LEATHER** This genuine leather is selected for its exceptional, clothing-quality softness. Then it's used beyond the leather-appointed seating surfaces, such as the dash.<sup>1</sup>

**PRECISE ACCENT** Red accent stitching complements the red accent color found on the INFINITI QX30's wheels. An exclusive process uses lasers to sculpt the accent color to match the red stitching for Gallery White. This system can precisely hold the painted lines to a tolerance of 0.3 mm.<sup>1</sup>

## SPECIAL CHOICES

# IT'S YOUR STATEMENT. BE BOLD

As unique as the interior of the QX30 may be, you can also refine it to reflect who you are.

**GALLERY WHITE** Designed to be the purest white leather available for possibly the purest expression of your style, these leather-appointed seats have been accented with red stitching for a fearless look.<sup>1</sup>

**GRAPHITE LEATHER** The clean look of graphite leather keeps the interior of your vehicle looking sharp. Along with stitching that complements the curves inside, the premium look matches its premium feel.<sup>1</sup>

**CAFÉ TEAK** Traditional, but nothing less than refined. Classic material meets modern reinvention with graphite stitching on brown Nappa leather-appointed upholstery.<sup>1</sup>

**WHEAT LEATHER** The natural look of wheat leather can be highlighted with matching wheat Dinamica®-appointed headliner and front pillars. Both choices work together to give the interior an open atmosphere.<sup>1</sup>

Final production interiors may vary.

CONNECTIVITY

# IN TOUCH WITH YOUR CONNECTED WORLD

Your life is always moving, and INFINITI InTouch™<sup>1,3</sup> seamlessly brings your world into your car. Stay ahead and in contact with voice, text, email, calendar and music. INFINITI InTouch™ makes your world flow.

**A PREMIUM CONNECTION** Every time you get into your vehicle, connect with technology that responds like the technology you hold in your hand. After you connect your smartphone, INFINITI InTouch™ brings your world into your car, allowing you to read email or text, listen to your playlists, navigate unfamiliar streets or call your friends.<sup>1,3</sup>

**MORE OF YOUR WORLD** Personalize your vehicle to keep you moving ahead instead of catching up. Sync to a choice of apps from your smartphone to your car, and you can access your email and calendar. Even search for a destination without knowing the specific name or category, and then save it to start your journey.<sup>1,3</sup>

**ADJUSTS TO YOU** INFINITI InTouch™ delivers an intuitive experience right from your driver's seat in the manner that best suits you. Once your smartphone is connected, you can interact with the state-of-the-art system however you find easiest—through the 7-inch color touch-screen, INFINITI Controller or voice command.<sup>1,3</sup>

**PLUG-IN CONVENIENCE** Two USB ports give you twice the opportunities. Get instant access to your music library. Charge your smartphone. Listen to tunes on a USB stick or drive.<sup>4</sup> An optional 10-speaker Bose® Premium audio system will transform your vehicle into a mobile sound studio.<sup>1</sup>

**BLUETOOTH® STREAMING AUDIO** Turn your synced Bluetooth®-enabled smartphone into a source of music, and listen to your top playlists over the vehicle's audio system.<sup>5</sup>

**HANDS-FREE VERSATILITY** With the INFINITI Bluetooth® Hands-free Phone System,<sup>5</sup> you can make and receive wireless calls using voice recognition. No fumbling. No need for a headset. Just press a button on the steering wheel.

Final production interior may vary.

## HANDLING

# RESPOND TO THE CITY OR ESCAPE FROM IT

Obstacles and opportunities come up fast in the city. Enhance your abilities to respond with finely tuned handling that's as agile as it is smooth.

**SHARPNESS WITH SMOOTHNESS** Sporty yet forgiving, you can feel the attention paid to tuning the shocks. They hold the vehicle tighter as you take turns while softening rough pavement and cobblestone, for a rare balance of responsive handling with a smooth ride. Engineers even reduced suspension noise so it sounds smooth.

**FINE-TUNED STEERING** The QX30 was made to thrive in the fast-paced thrust and parry of urban driving. Contributing to an overall sporty feel, the speed-sensitive system requires less effort in low-speed situations yet is more firm at higher speeds.

**SPORT SUSPENSION** In the QX30 Sport, reflexes are sharpened and the look is more aggressive, thanks to a lower and firmer suspension. It is paired with cross-drilled front discs that help with air ventilation for impressive stopping performance.<sup>1</sup>

**SEAT DESIGN** You connect to your car through the steering wheel and your seat. The driver seat's design is based on zero-gravity research to help provide spinal support and help reduce the pressure on muscles. You feel what you want from the car, while the innovative seat design helps reduce fatigue on long drives.

ENGINEERING

# EVERY SENSE IS HEIGHTENED AND QUICKENED

From the feel of acceleration to the song of the engine, we've amplified the experience of power and the connection to every movement.

**DUAL CLUTCH TRANSMISSION** Shift delays are becoming an ancient artifact. The transmission uses one clutch for even gears and another for the odd gears. The next gear is already pre-selected, and the result is smooth, quick gear changes you'll almost never notice.

**A CONTINUOUS RUSH** By precisely tuning the engine to unleash torque at a broader rev range, the force you feel seems to increase the faster you go. So Acceleration Swell feels more like a limitless rush than a momentary thrill.

**INTUITIVE TRACTION** Intelligent All-Wheel Drive<sup>1</sup> adjusts for better traction by sending anywhere from zero to 50% of the power to the rear wheels, enhancing traction and control when conditions are compromised. When all-wheel drive is not needed, 100% of the power is channeled to the front wheels.

**DRIVE MODE SELECTOR** Select a driving experience that fits your needs of the moment: Eco Mode, which helps increase fuel economy; Manual Mode, which allows you to upshift and downshift manually using the paddle shifters; and Sport Mode, which sharpens throttle response to deliver dynamic performance.

## 2.0L TURBO

Honed for eager response and quick acceleration when you want it, the turbocharged engine spools quickly to produce 208 hp at 5,500 rpm. It also outputs a stirring 258 lb-ft of torque while reaching 33 mpg on the highway.<sup>6</sup>

208  
HP

33  
HWY MPG<sup>6</sup>

## SAFETY

# INNOVATIVE TECHNOLOGY HELPS YOU SEE AND AVOID

A unique combination of active and passive safety innovations enhance your ability to respond instinctively.

**RECOGNIZING DANGER** Forward Emergency Braking<sup>7</sup> looks ahead, and if the closing distance between you and the vehicle in front rapidly decreases, it can warn you visually and audibly. If deceleration is required, the brakes can be applied to help minimize the severity of a collision—or even help prevent one.

**HELPING YOU STAY IN CONTROL** Comparing actual vehicle cornering performance to the driver's input, Vehicle Dynamic Control<sup>8</sup> adjusts power levels and applies appropriate brake pressure to individual wheels to help correct oversteer or understeer, helping keep the vehicle on the steered path. Working in tandem, the Traction Control System senses wheelspin and automatically helps give you a surer foothold.

**MAXIMIZE STOPPING POWER** Electronic Brake force Distribution adjusts the amount of pressure applied to the front and rear wheels to help improve braking performance and reduce front-end dive.

**SENSES WHERE YOU CAN'T SEE** The Blind Spot Warning System<sup>9</sup> uses sensors to help detect and alert you to a vehicle entering the blind spot area in an adjacent lane. First, the warning light illuminates—then, if you signal to change lanes, a warning sounds.

**ENHANCED PROTECTION** Based on the severity of the crash and seat belt usage, the INFINITI Advanced Air Bag System adjusts inflation in the dual-stage front supplemental air bags. Also featured are front seat-mounted side-impact supplemental air bags and roof-mounted curtain side-impact supplemental air bags with rollover sensor.<sup>10</sup>

**REDUCING FORCE** In the event of a collision, advanced front and rear crumple zones deform gradually to help absorb the energy of the impact, while the rear-end structure provides exceptional strength for its relatively short length.

CONVENIENCE

# PARK SANS HANDS

Discover an inherent ease within the QX30's combination of awareness innovations and parking assistance technologies.<sup>1</sup> It's engineering that intuitively extends your ability to maneuver in and around tight spaces.

**SEE EVERY SIDE** Gain a new perspective on what's around you. With the Around View<sup>®</sup> Monitor with Moving Object Detection and Front and Rear Sonar System,<sup>1,11,12</sup> it's easy to see and maneuver in even the tightest spaces. Four cameras and one virtual 360° view from above elevate your parking expertise, alerting you when a moving object is detected close by.

**MOVING OBJECT DETECTION<sup>1,13</sup>** The four cameras not only give you an impressive view, they help keep watch as well. A chime alerts you when a moving object is detected, and the appropriate camera is highlighted to show you which side of the vehicle.

**INTELLIGENT PARK ASSIST<sup>1,14</sup>** A first for INFINITI, this advanced system uses a combination of 12 sensors to identify a parking area large enough for the QX30. Simply engage the gear shift, press a button to confirm, and operate the accelerator and brake pedal. Your vehicle will steer itself smoothly—reversing-in or parallel parking into a spot.

Final production interior may vary.

SENSORS

360°  
VIEW

4  
CAMERAS

# MASTER THE WAY YOU MOVE THROUGH TRAFFIC

Whether the roads are clear, chaotic or constantly changing, intelligent technologies help guide you through the action.<sup>1</sup>

**NAVIGATE EASIER** Find your way through busy streets and unfamiliar territory. INFINITI InTouch™ Navigation<sup>1,3</sup> lets you choose a view that's most intuitive to you—3D building graphics or 3D Birdview perspective. Lane Guidance will also help escort you exactly to where you need to be for exits and interchanges.

**MAINTAIN YOUR LANE** The Lane Departure Warning System<sup>1,15</sup> monitors lane markings and can alert you with a vibration in the steering wheel so you can correct your line before you leave your lane.

**MANAGE YOUR PACE** Set your desired speed and distance and Intelligent Cruise Control (Full-Speed Range) can automatically adjust your speed in slowing traffic. When traffic speeds resume, Intelligent Cruise Control can bring you back up to your preset speed and distance.<sup>1,16</sup>

ACCESSORIES

# GENUINE INFINITI ACCESSORIES

The same exacting standards applied to the creation of an INFINITI vehicle go into designing and manufacturing Genuine INFINITI Accessories. With a wide array of quality products designed to integrate seamlessly, you can be assured of a custom fit and finish.<sup>17</sup> For more information and to shop online for Genuine INFINITI Accessories, go to [parts.infinitiusa.com](http://parts.infinitiusa.com).

ACCESSORY SHOWN Red Lip Spoiler.  
Pre-production vehicle shown. Final vehicle, including wheels, may vary.

**REVERSIBLE CARGO AREA PROTECTOR** One side rubber, the other side fabric, this durable and flexible protector guards against scratches and damage in the cargo area.<sup>2</sup>

**19-INCH ALLOY WHEELS** Inspired by a sense of continual motion, these eye-catching wheels express your sense of style and bold design. The contrasting finishes on the spokes are designed to set your INFINITI apart. Made of lightweight aluminum-alloy with original logo center caps.

**ALL-SEASON FLOOR MATS** Custom-made of durable and long-wearing material—they are designed to protect the interior footwells and capture dirt, sand and other debris while staying securely in place.

**INFINITI RADIANT ILLUMINATED KICK PLATES** The INFINITI logo glows softly along the bottom of the front doorsills—a signature flourish you and your passenger will appreciate every time you get in.

**INFINITI 4G WI-FI** Enables you to seamlessly and securely conduct internet activities in stationary or moving vehicles. Your vehicle becomes a roving Wi-Fi hotspot, connecting up to five Wi-Fi-enabled devices to the internet in and around the car.<sup>18</sup>

**STAINLESS STEEL REAR BUMPER PROTECTOR** While you load, unload and handle all your cargo, scuffs and scrapes can happen. This protector not only adds a sophisticated look, but it's durable enough to resist the wear and tear of everyday life.

## SAFETY FEATURES

### Safety

INFINITI Advanced Air Bag System (AABS) includes dual-stage front supplemental air bags with seat belt sensors and an occupant-classification sensor. Air bag inflation rate is adjusted depending on crash severity and seat belt usage. If the front-passenger's seat is empty, a sensor will deactivate the front-passenger air bag<sup>10</sup>

Driver and front-passenger seat-mounted side-impact supplemental air bags<sup>10</sup>

Roof-mounted curtain side-impact supplemental air bags with rollover sensor<sup>10</sup>

Driver and front-passenger knee air bags<sup>10</sup>

Height-adjustable front seat belts with pretensioners and load limiters

3-point rear seat belts with pretensioners and load limiters

Zone Body construction with reinforced passenger compartment and front and rear crumple zones

LATCH System (Lower Anchors and Tethers for CHildren)

Electronic Brake force Distribution (EBD)

4-wheel Anti-lock Braking System (ABS)

Blind Spot Warning<sup>9</sup>

Forward Emergency Braking<sup>7</sup>

Brake Assist<sup>20</sup>

Lane Departure Warning (LDW)<sup>15</sup>

Traction Control System (TCS)

Vehicle Dynamic Control (VDC)<sup>8</sup>

Tire Pressure Monitoring System (TPMS) provides specific information for each tire and low pressure warning<sup>21</sup>

### Security

Remote keyless entry system with selective unlocking of driver's door or all doors

Remote power-opening of windows; closing via exterior door lock

INFINITI Vehicle Immobilizer System embeds an encoded transponder chip into the INFINITI Intelligent Key. The engine control computer will not allow the engine to start without the correct key and transponder

Vehicle Security System sounds alarm if intrusion is detected

Universal Garage Door Opener (UGDO)

Auto Hazard Warning Signal

This brochure is intended for general descriptive and informational purposes only. It is subject to change and does not constitute an offer, representation or warranty (express or implied) by Nissan North America, Inc. Interested parties should confirm the accuracy of any information in this brochure as it relates to a vehicle directly with an INFINITI Retailer before relying on it to make a purchase decision. Nissan North America, Inc., reserves the right to make changes, at any time, without prior notice, in prices, colors, materials, equipment, specifications, and models and to discontinue models or equipment. Due to continuous product development and other pre- and post-production factors, actual vehicle, materials and specifications may vary from this brochure. Some vehicles shown with optional equipment. See the actual vehicle for complete accuracy. Availability and delivery times for particular models or equipment may vary. Specifications, options and accessories may differ in Hawaii, U.S. territories and other countries. For additional information on availability, options or accessories, see your INFINITI Retailer or visit INFINITI website.

**1** Available on select models. **2** Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect handling and stability of the vehicle. **3** Driving is serious business. Only use INFINITI InTouch Services and INFINITI InTouch Services Premier when safe to do so. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Services, including Automatic Crash Notification and Emergency Call, require an active subscription, and are dependent upon the telematics device being in an operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data, and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach INFINITI InTouch Services Customer Care or receive support. Services require compatible 3G GSM/GPRS cellular network provided by AT&T. 3G cellular network not available in all areas and/or available at all times. Cellular technology is evolving, and changes to cellular networks provided by independent companies are not within INFINITI's or Sirius XM Connected Vehicle Service's Inc.'s control. Certain vehicle services, including Google® compatible services, provided by independent companies are not within INFINITI's or SiriusXM's control and are subject to change without notice or liability to INFINITI, its affiliates and agents or SiriusXM. Like other devices that rely on network coverage, once the network service is discontinued, INFINITI InTouch services will not function without equipment replacements, upgrades, or alternative network coverage, which neither INFINITI nor Sirius XM can guarantee. INFINITI and Sirius XM are not responsible for associated costs that may be required for continued operation due to cellular network shutdown or discontinuation (including equipment upgrades, if available, or roaming charges on alternative networks). Trial Periods, unless otherwise specified: Six (6) month trial subscription begins on your date of purchase or lease of your new INFINITI. Subsequently, your credit card (if on file) will be charged at the then current subscription rate and your service will renew automatically under the terms of your subscription. Standard text rates and/or data usage may apply. Terms and Conditions of Subscription Agreement apply. See [www.infiniti.com/intouch](http://www.infiniti.com/intouch) for more information. **4** Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. iPod is a registered trademark of Apple Inc. All rights reserved. iPod® not included. **5** Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by INFINITI is under license. See <http://www.infiniti.com/bluetooth> for details. **6** 2017 EPA Fuel Economy Estimates. MPG 24 city/33 hwy (QX30), 21 city/30 (QX30 AWD). Actual mileage may vary with driving conditions. Use for comparison only. **7** FEB cannot prevent accidents due to carelessness or dangerous driving techniques. It may not provide warning or braking in certain conditions. Speed limitations apply. **8** VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. **9** Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. **10** Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details. **11** AVM with MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicle speeds below 5 mph. Always check surroundings and turn to look behind you before moving vehicle. **12** The Sonar System is a convenience, not a substitute for proper parking and/or backing procedures. Always check that it is safe to do so before moving vehicle. May not detect every object. **13** MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicle speeds below 5 mph. Always check surroundings and turn to look behind you before moving vehicle. **14** Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. **15** Lane Departure Warning System operates only when the lane markings are clearly visible. Speed limitations apply. See Owner's Manual for details. **16** Intelligent Cruise Control is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. **17** Covered by INFINITI's Limited Warranty on Genuine INFINITI Accessories for the longer of 12 months/12,000 miles (whichever is earlier) or the remaining period under the 4-year/60,000-mile INFINITI New Vehicle Limited Warranty. Terms and conditions apply. See Warranty Information Booklet for details. **18** Up to 10 feet radius of the vehicle. Monthly subscription required for use of feature. **19** Required monthly subscriptions sold separately for each available SiriusXM feature after trial period, and are continuous until you call SiriusXM to cancel. Installation costs, one-time activation fee, other fees and taxes will apply. Each SiriusXM feature availability is dependent upon vehicle model, trim level, packaging, and/or options, and may only be available in select markets. Satellite Radio U.S. service, NavWeather service, and SiriusXM TravelLink services (if any of the foregoing features are equipped on vehicle) available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at [siriusxm.com](http://siriusxm.com). ©2016 Sirius XM Radio Inc. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. **20** Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times. **21** TPMS is not a substitute for regular tire pressure checks. **22** May require additional options or option packages.
