

1977 **GMC**  
indy 500 special

# GMC indy 500 fenderside

Their stance, appearance and performance say, "Indy 500." And that's where you will find these tough, veteran GMC Pickup Trucks. They're the "Official Trucks of the 61st Annual Indianapolis 500-Mile Race." And they are impressive! Machines that will turn heads and hearts. This year GMC will make available a limited number of these trucks to GMC dealers in Wideside and

Fenderside models. If you like the idea of being different, why not take a good look at these Indy 500 GMC machines.

Limited Edition GMC Indy 500 trucks will be made in either Fenderside or Wideside body styles in the 6½-foot body length. Eight-foot body length is available in Wideside models only. Both body styles will be available in two-wheel or four-wheel-drive.

The exterior decor trim is just "tough-lookin'" . . . it makes you want to "Go Truckin'" with GMC. The wide, sweeping front air dam gives it that "low-to-the-ground" look and wheel flares accent the wheel openings. Distinctive white, silver, silver gray, gray and flat black paint scheme on the sides, hood, roof and bumpers highlight its appearance. Red stripes accent the sides.

Handsome spoke wheels with a silver decorative design in vinyl applique are equipped with low profile raised white lettered tires. And that's not all! You get that GMC truck styling, performance and dependability that are sure winners on- or off-track. See your GMC dealer for all the details.

# GMC indy 500

Big, broad, low-profile air dam and front bumper tie together the paint scheme of the hood and sides. GMC Indy Pickup looks tough and it is tough.

This GMC Wideside Indy 500 Pickup is equipped with available in-dash Delco AM/FM 40-channel CB radio. Other Delco radios are available. See your GMC dealer for full details on interior trims and equipment available.

As standard equipment on the GMC Indy 500 Truck, GMC offers brawny PA6 Spoke Wheels trimmed in a vinyl silver applique. Plus big, low-profile raised white lettered tires with smart-looking wheel flares.

Vehicles shown illustrate standard or available factory-installed equipment unless noted as dealer-installed accessories. Items referred to as options or available are at extra cost. Different model applications of the components that are listed in accompanying tables as well as other items of the factory-installed equipment may be ordered through your GMC dealer.

GMC Truck & Coach Division reserves the right to make changes at any time without notice in prices, colors, materials, equipment, specifications and models and also to discontinue models. Data shown is basic information for the prospective buyer effective at time of issuance of this pamphlet. Dealer will provide complete up-to-date information on available equipment, specifications, etc. not shown here.

Your participating GMC dealer will be pleased to show you either the GMC Wideside or Fenderside Limited Edition Indy 500 Pickup. It's the official truck of the 61st Annual Indianapolis 500-Mile Race.
