

CHEVROLET

If ever there was a car to covet, the Collector Edition Corvette Hatchback Coupe is it. A brilliant blend of sophisticated design and advanced engineering, it's

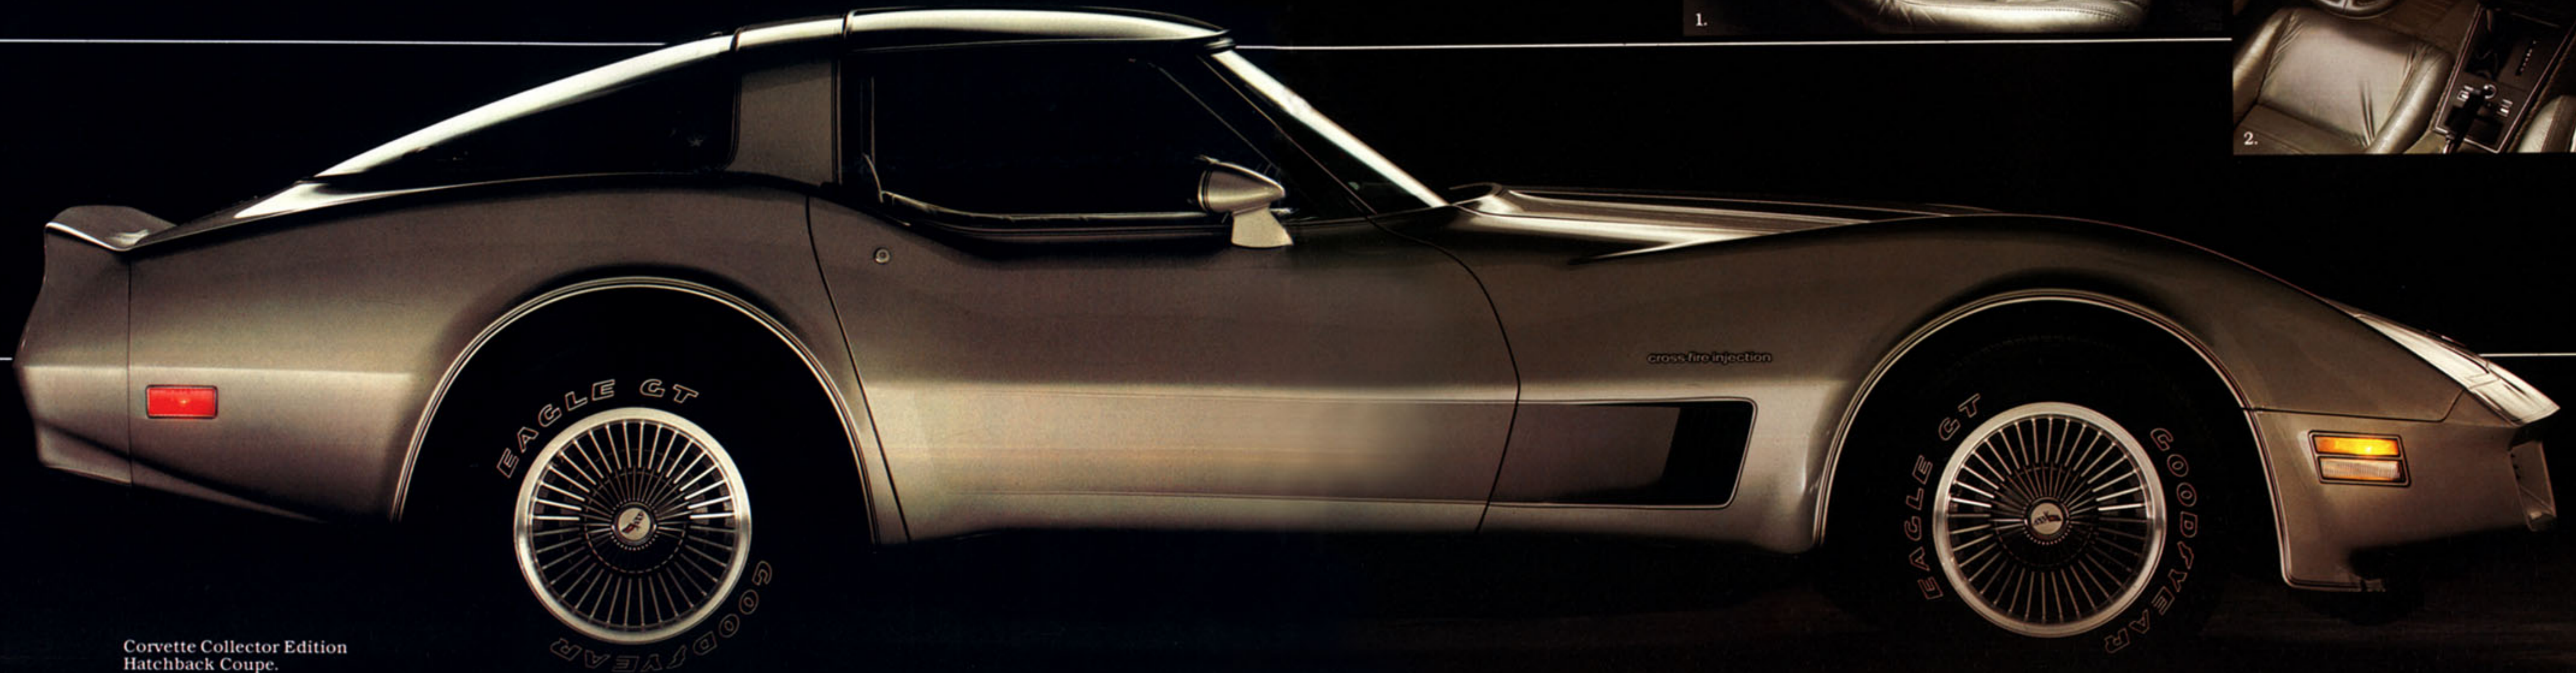

distinguished by unique silver-beige metallic paint, remote-release glass hatchback, finned aluminum wheels, multi-tone leather seats, Eagle GT

steel-belted radials, and more. And a civility comes to all Corvettes with Cross-Fire Injection and 4-speed automatic transmission with overdrive fourth gear.

Inside, an environment satisfying in creature comforts and practical touches. '82 Corvette. Superb roadability, unsurpassed style.

USA-1 IS TAKING CHARGE

This year, we at Chevrolet are going to prove something very important. We're going to prove that your faith in American ingenuity, technology and skill has not been misplaced.

In the coming months, you'll see that proof in places you may not have checked lately. In our Chevrolet products.

Take a good, hard look, this year especially.

You'll discover a Chevrolet that's much more than simply number one in sales.

You'll discover a Chevrolet that's taking charge in providing better, more exciting, affordable products.

Chevrolets built with higher-quality design and assembly procedures.

Chevrolets built with more state-of-the-art production techniques.

Chevrolets utilizing the most advanced, worldwide automotive technology ever in our history.

Whether or not we become your next new car, we want to make you proud that we are America's car.

We are USA-1. And USA-1 is taking charge.

A word about engines.

Some Chevrolets are equipped with engines produced by other GM divisions, subsidiaries, or affiliated companies worldwide. See your dealer for details.

LET'S GET IT TOGETHER...BUCKLE UP.

- 1. Camaro Sport Coupe, the very affordable road car.
- 2. Camaro Berlinetta, created in the grand touring tradition.
- 3. Instrumentation is scientifically positioned for easy sight and reach.

The road belongs to Camaro. Its sleek, aerodynamic styling cuts through the wind. It responds with precision to straightaways, hills or country roads. It

creates a sense of oneness between driver and machine. Years of disciplined design and expert engineering went into this Camaro. And for 1983, even more refinements

were added along with a 5-speed manual transmission (optional on Sport Coupe, standard on Berlinetta and Z28). Plan, too, on a wide choice of

engine performance, MacPherson-strut front suspension and radial ply tires. The 1983 Camaro. Practically everything you expect from a great road car.

Cavalier is a fine example of how technology and aesthetics join in producing one of today's most advanced front-wheel-drive cars. There's rack-and-pinion steering, a

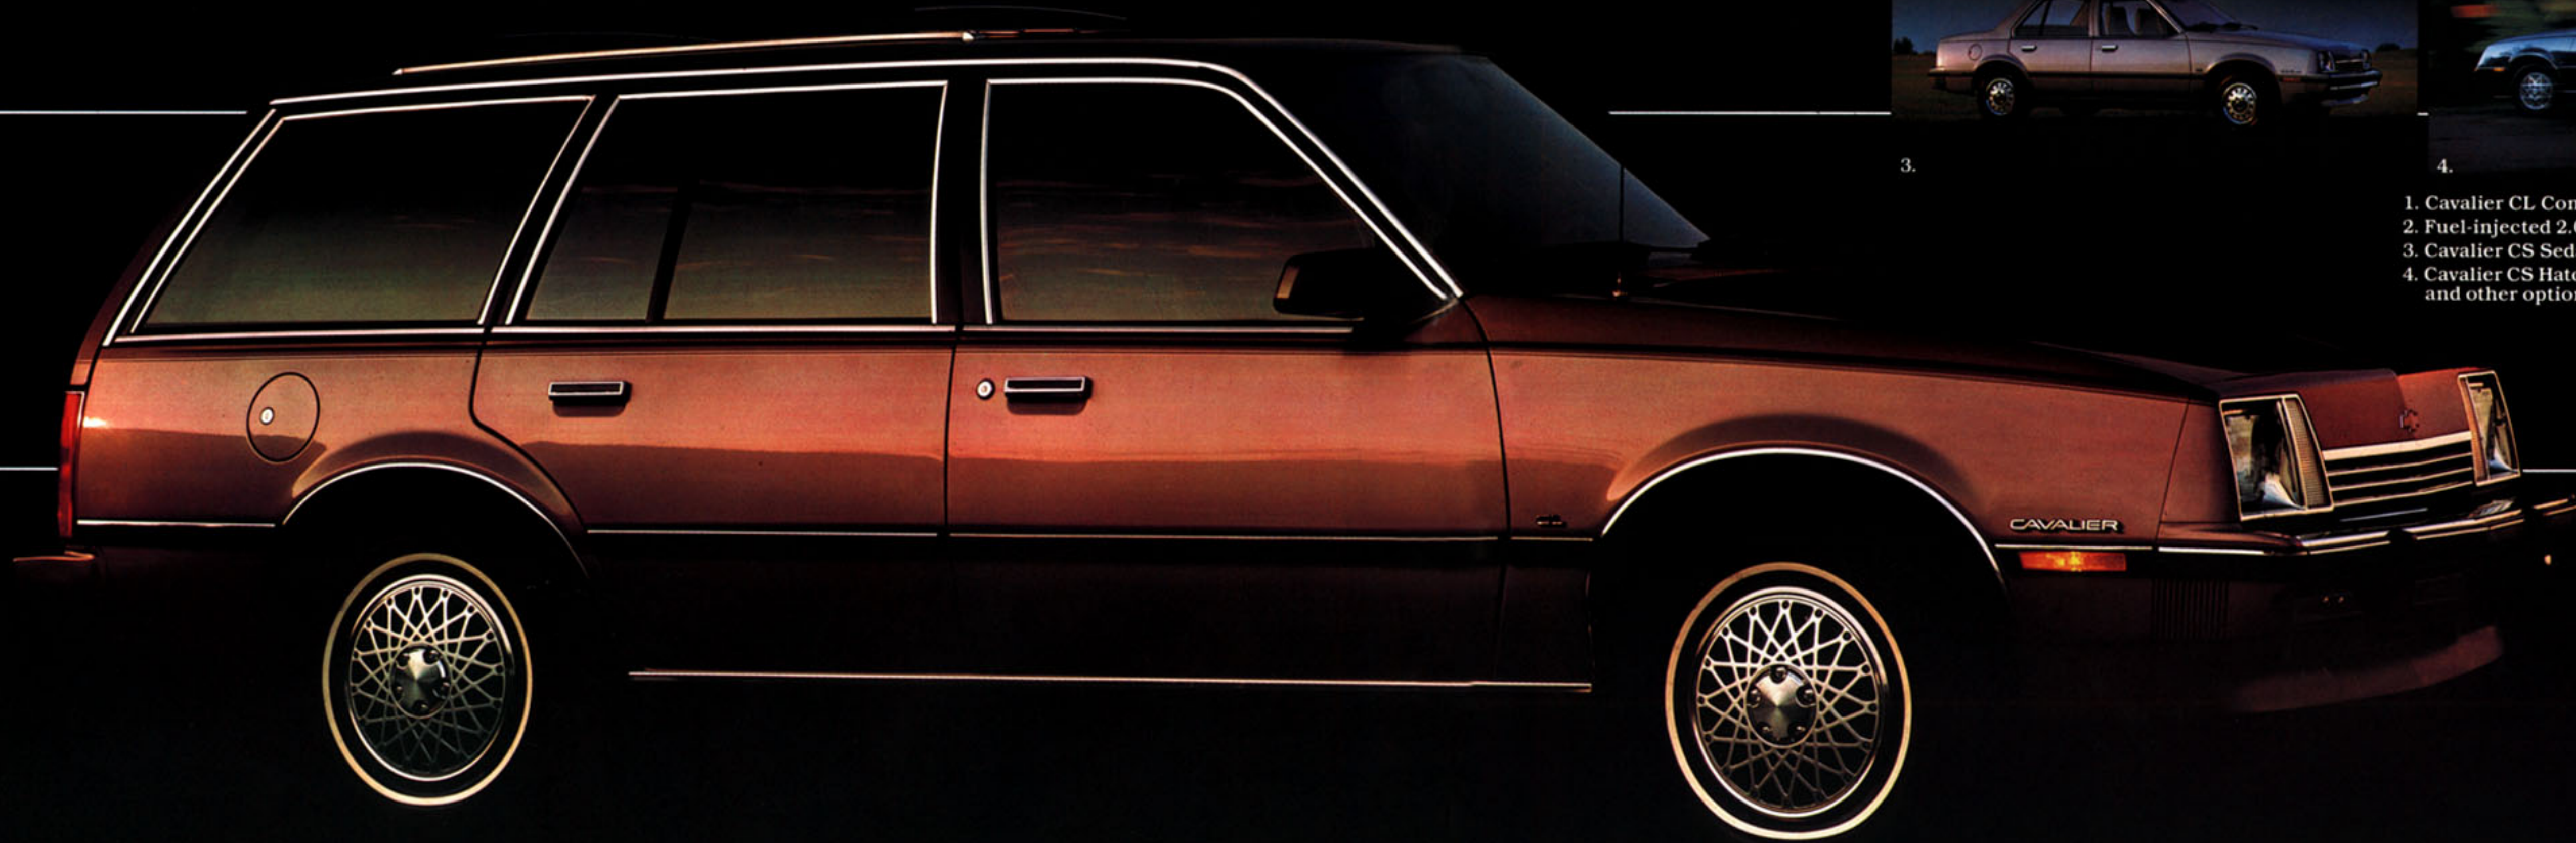

new electronically fuel-injected, high-compression 2.0 Liter engine, and a new optional 5-speed manual transmission.* For a fine fit and finish, laser beams,

robots and gamma rays go to work, followed by over 1,000 quality-control checks. Inside Cavalier's beautiful, aerodynamic shape is comfort for five. Most of all,

Cavalier is a pure pleasure to drive. In coupe, sedan, hatchback (CS model only) and wagon. And early in '83, an exciting new convertible. Note: The Cavalier CL

Convertible will have limited availability. See your dealer for details.

CITATION

The beauty of Citation is its uncanny ability to be virtually everything you want it to be. Everything from a low-priced notchback, to a versatile hatchback with wagonlike

carrying space, to our X-11 that's bred for performance. Any way you take the 1983 Citation, you'll find it a mid-size car when you need room for five. A compact car outside

when you need room to maneuver. Over the past three years combined, it's been America's all-time most popular front-wheel-drive car, owned by over 1,000,000

people. All things considered, no wonder so many decided Citation is everything they want it to be. Consider everything and you might do the same.

Come drive Chevrolet's new-generation Celebrity. The bright new shape of Chevrolet. The handling of front-wheel drive, the comforts of a larger car. Now

all in one car. A shape so aerodynamic it cuts lean and low through the wind. Yet a shape so thoughtfully engineered you enjoy better than six feet of combined

front- and rear-seat leg room. And there's a big 16-cu.-ft. trunk behind. A car that gives a feeling of poised precision on the road, as well as quick, true steering

response. To believe the smoothness, room, comfort and quiet, you have to drive the 1983 Celebrity. The bright new shape of Chevrolet.
