

1985 CHEVROLET

Wagons

FREDERIC AUTO
Highway 35 South E 17
Frederic, Wis. 54837

CHEVY WAGONS. PEOPLE AND CARGO MOVERS. #1 RIGHT ACROSS AMERICA.

Chevrolets open up more fun and adventure for more people from New England to the Pacific. Because they're America's most popular wagons and wagon-type vehicles. And this year Chevrolet gives you more choice of sizes, shapes and configurations than anybody.

You'll be amazed at the versatility of Astro, Chevy's roomy new-size van.

Or consider the very civilized ride and comfort of Chevrolet Caprice, America's best-selling full-size wagon.

You'll like the nimble responsiveness of Celebrity, too. Its compact dimensions make it easy to drive, yet no front-drive wagon gives you more room.

Choose a rugged 4-wheel-drive Blazer or Suburban model. (Suburban can be equipped to carry nine.) For even more capacity, there's Sportvan, with available room for up to 12, properly equipped.

There's a big choice of engines, too, from Cavalier Wagon's spirited Electronic Fuel Injection 2.0 Liter engine to Suburban's muscular optional 7.4 Liter V8, built with the power to tow your boat or trailer—up

to 9,500 pounds, properly equipped.

All Chevrolets are protected by extensive corrosion fighters like galvanized steel and hot baths of zinc-rich primers. These anti-corrosion measures have stood up to GM accelerated testing unheard of a few years ago.

And every new Chevrolet is safety engineered to standards set by GM, the leader in safety research.

It's all part of what people expect from Chevrolet. And that just might be one big reason Chevrolets are America's favorites.

We've put all your choices together here in Chevy's 1985 wagon catalog. Compare them all. And find the one that's just right for your own shopping, work and vacationing.

For more information on Chevy Wagons, pick up the individual 1985 car and truck catalogs at your Chevrolet dealer's.

CAVALIER WAGON. THE ADAPTABLE PERFORMER.

Standard reclining front bucket seats.

Cavalier Wagon is a real head-turner.

Its crisply styled, advanced design is the perfect size for people who love small wagons. Easy-to-park size outside, but roomy on the inside to carry the kinds of things you buy a wagon for.

The standard engine is the spirited, Electronic Fuel Injection 2.0 Liter L4 to suit the needs of most small wagon buyers. Or for exceptional performance, choose the new, available Multi-Port Fuel Injection 2.8 Liter V6.

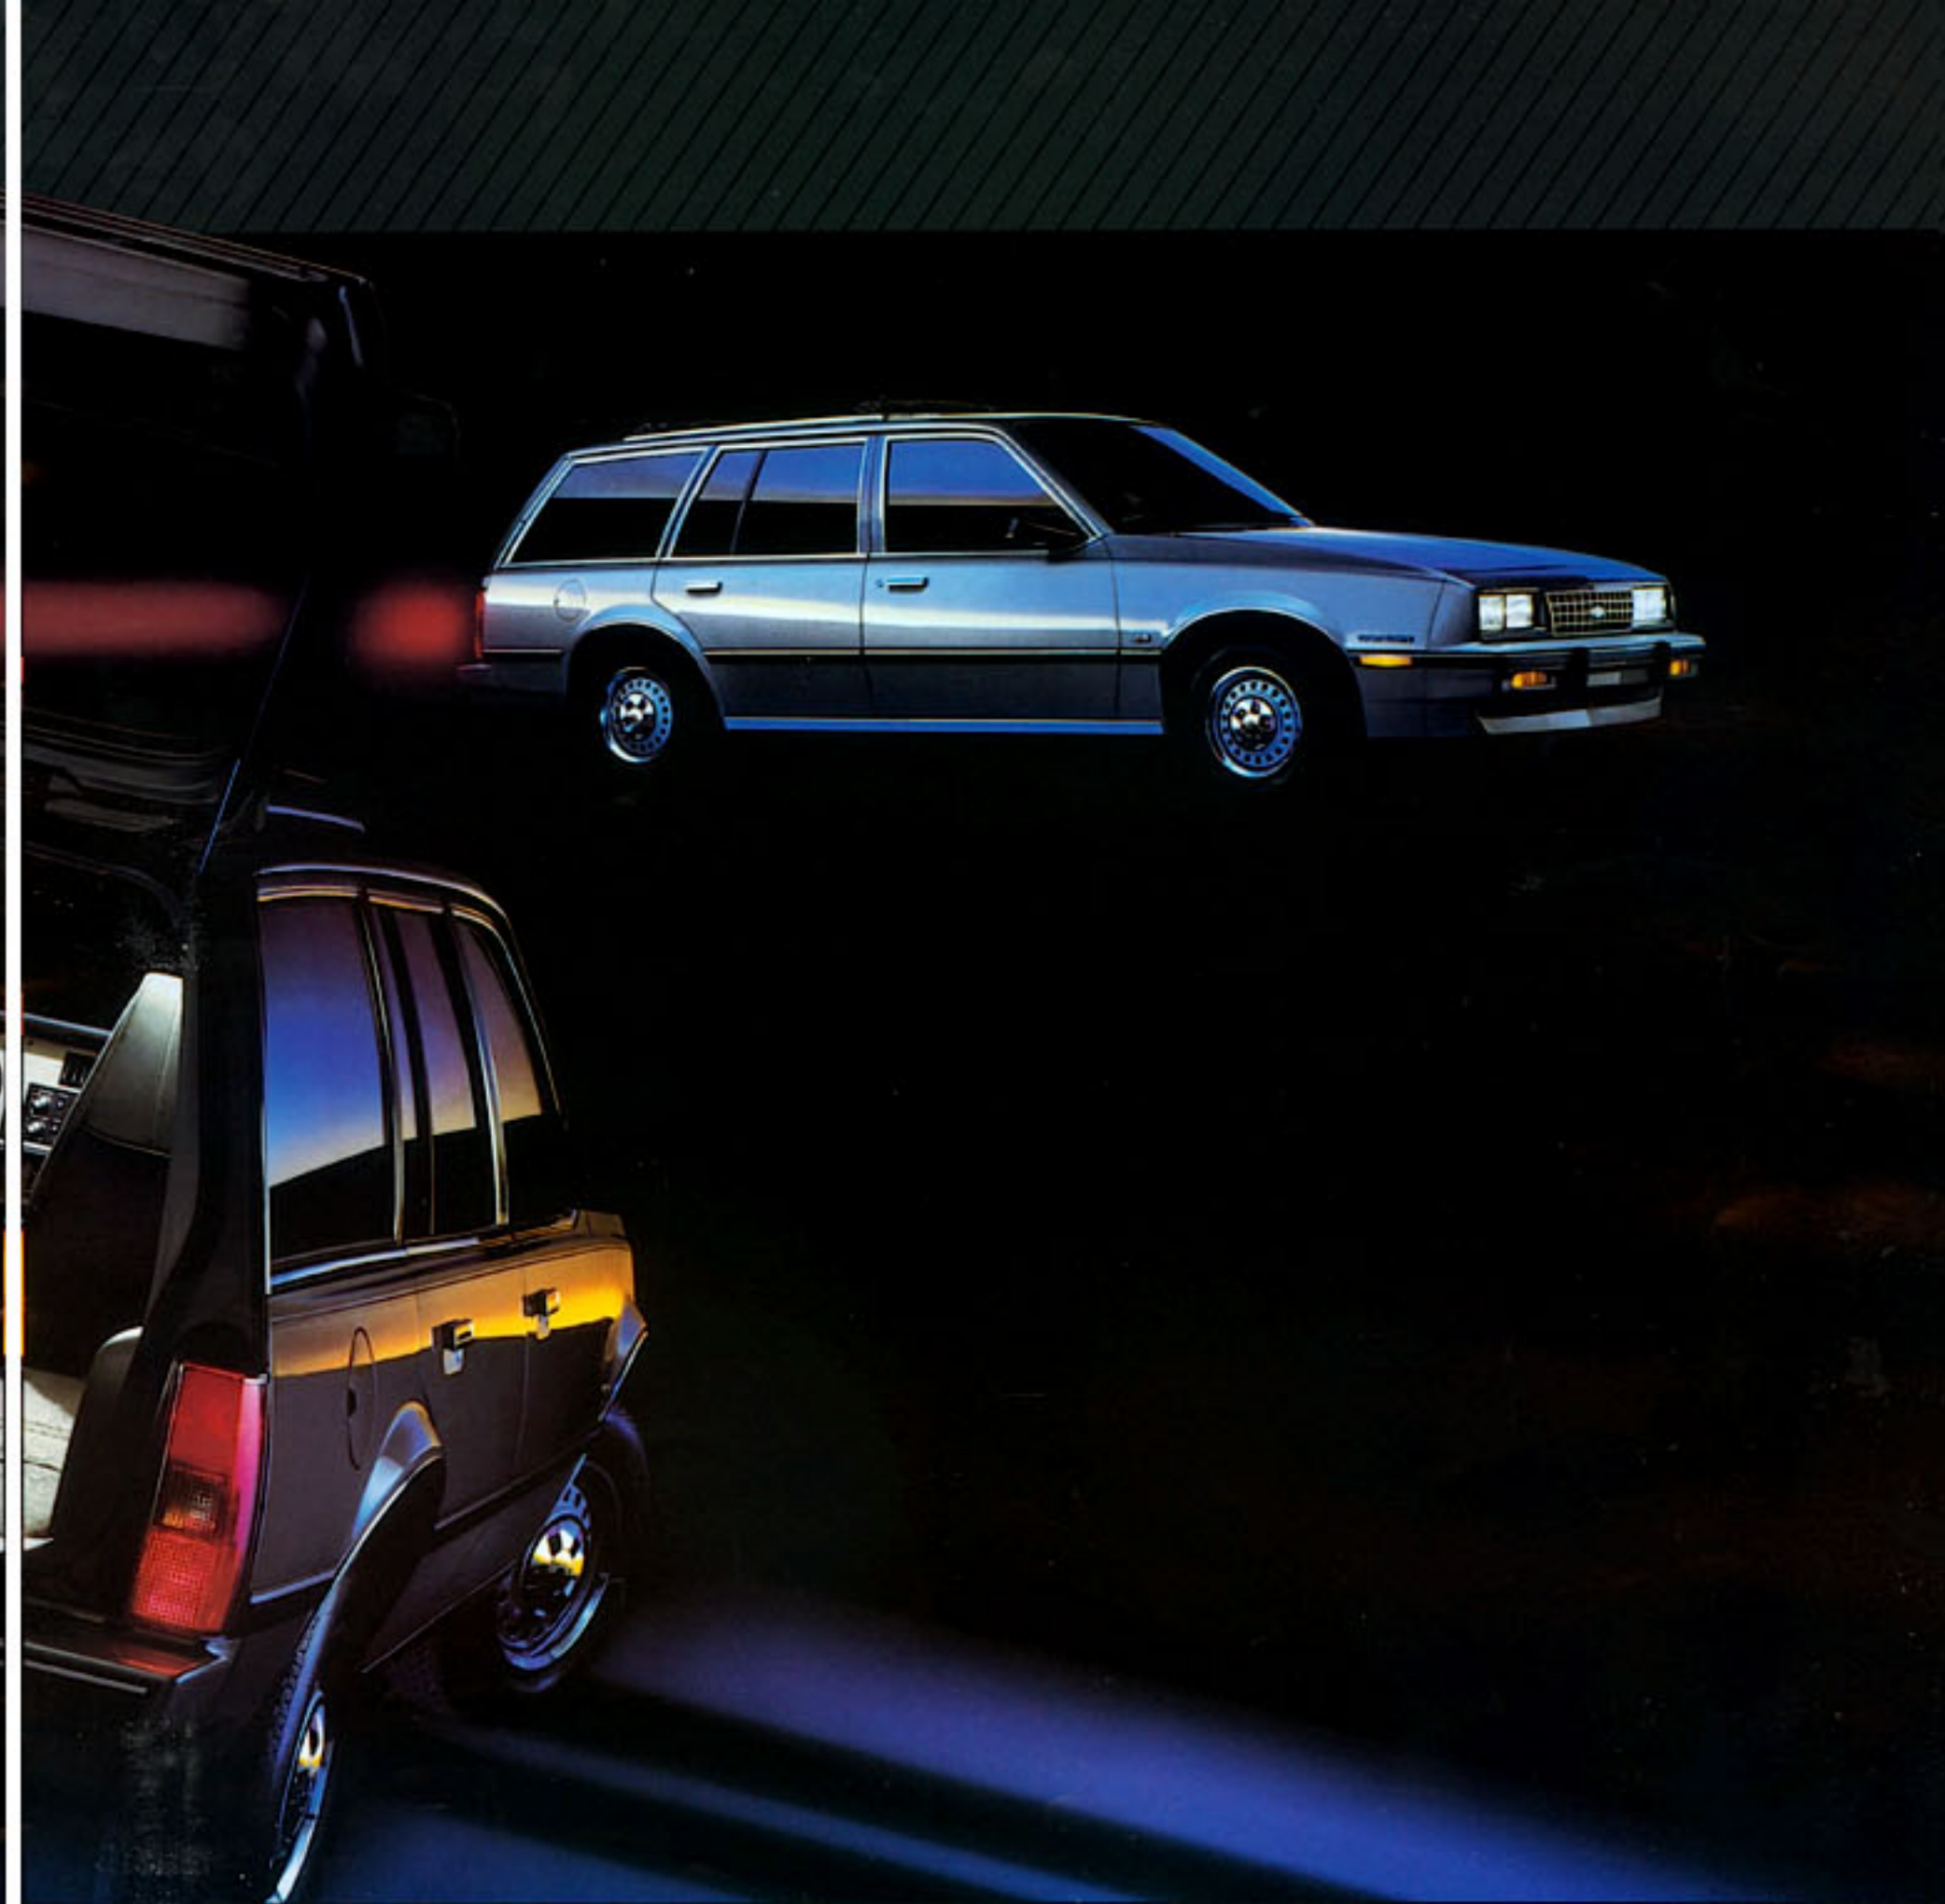

Adding to your driving enjoyment is Cavalier's refined suspension, with variable-rate rear springs that adapt to different loads. Standard all-season M+S-rated (Mud and Snow), steel-belted radial tires and sure-tracking front drive help keep Cavalier Wagon going in rain or snow.

Inside, there's plenty of

room, comfort and quiet for five. And adding to the versatility, the available split-folding rear seat-backs allow you to carry both a long load and a rear passenger.

In fact, Cavalier is so adaptable it just might become the favorite of everyone in your family.

Split-folding rear seat is available.

Cavalier CL Wagon.

CELEBRITY WAGON. ROOM FOR UP TO EIGHT.
DRIVING SO PRECISE YOU WON'T BELIEVE
IT'S A WAGON.

Celebrity just put wagons back in style.

Even wagons with Europe's most prestigious names don't have the flair of Eurosport. Lithe and powerful-looking, surrounded by a hot red laser stripe, it stands ready to devour the miles with purposeful ease.

The secret of its agility? New gas-charged struts and shock absorbers. Plus, you get stabilizer bars, front and rear. Power front disc brakes. Fast-ratio power rack-and-pinion steering. And many more standard features.

Other Celebrity Wagons,

including our new Estate Package, feature suspensions tuned for even more driving comfort. Whichever version you choose, no other front-drive wagon gives you more room than Celebrity. With seating for six in its standard form. And room for eight in the three-seat model. All that seating comfort easily converts to 75.1 cubic feet of load space with the rear seat-back folded down. And the available Custom Interior features split-folding second seat-backs for even more versatility.

Take your choice of engines. From the smooth-running standard Electronic

Standard bench seat with pull-down center armrest.

Celebrity Eurosport Wagon, foreground; Celebrity Estate Wagon, above.

Fuel Injection 2.5 Liter engine to the brilliantly responsive new Multi-Port Fuel Injection 2.8 Liter V6 option.

Whichever Celebrity you buy, you get a computer-designed body structure that drives so precisely (and quietly) you won't believe it's a wagon.

CAPRICE CLASSIC.
LUXURY DRIVING WITH BIG-WAGON
CONVENIENCE.

Pilot your stylish Caprice Wagon across town or down the freeway and you easily could believe you were driving a beautifully engineered luxury sedan.

Always comforted by the ease with which this wagon responds to your commands, you enjoy the rewards of ample room to seat up to eight passengers and the convenience of 87.9 cubic feet of cargo space with the rear seats down.

Here is everything to make you secure in your choice of a new wagon. Full-size room to sit and stretch, while splendidly isolated from the annoyances of road and weather. Controls that comfortably respond to your every command. The peace of mind that has been secured by more than 5,000 Chevrolet dealers coast to coast.

And Caprice gives you all the convenience of a really big wagon. With a standard third seat and hidden storage areas. A high-compression 5.0 Liter V8 with electronic spark control for even more power in 1985. Steel-belted radial tires with a new tire rating so you can take full advantage of this wagon's massive 6,005-lb. Gross Vehicle Weight Rating for people, cargo and towing. And a standard heavy-duty suspension that's been engineered for wheel control with Caprice's famous riding comfort.

Caprice Wagon's three-way tailgate with power window permits easy loading of packages, cargo or people. The standard vinyl seat, shown at left, features a pull-down center armrest.

WAGON FACTS

Chevrolet Automobile Safety Features Occupant Protection

Manual lap/shoulder belts for driver and right front passenger (driver's side includes visual and audible warning system) ■ Manual lap belts at each rear-seat position (and center front, when applicable) ■ Energy-absorbing steering column ■ Energy-absorbing instrument panel ■ Energy-absorbing tops, front seats ■ Laminated safety windshield glass and tempered safety side and rear window glass ■ Safety interlocking door latches ■ Passenger-guard inside door lock handles ■ Inertia-locking, folding front seat-backs ■ Safety armrests ■ Safety-strength seat attachments ■ Head restraints, driver and right front passenger (adjustable/integral).

Accident Avoidance

Side marker lights and reflectors ■ Parking lamps that illuminate with headlamps ■ Four-way hazard warning flasher ■ Backup lights ■ Directional signal control and lane-change feature ■ Windshield defroster, washer and dual-speed wipers ■ Inside rearview mirror with vinyl-bonded glass ■ Outside left rearview mirror ■ Brake system with dual master cylinder and warning light ■ Starter safety switch ■ Dual-action hood-latch system ■ Low-glare finish on instrument panel top, inside windshield moldings, wiper arms/blades, metallic steering wheel surfaces ■ Illuminated heater and defroster controls ■ Tires with built-in tread-wear indicators.

Anti-Theft

■ Audible reminder for ignition key removal ■ Anti-theft steering column lock ■ Visible vehicle identification number.

(Continued on back cover.)

CHEVY ASTRO. A NEW ERA IN SPACE TRAVEL.

Welcome aboard Astro, Chevy's new-size passenger van.

Astro combines true van convenience with station-wagon comfort and driving ease. This bold design features available seating for up to eight passengers, 5,000-lb. towing capacity, when properly equipped, and 151.8-cu.-ft. cargo capacity with available rear seats removed. All in a garageable vehicle that's smaller and lighter than a conventional short-wheelbase van.

Open any one of the five handy doors and more of Astro unfolds before you. Plush seating, handy storage compartments, standard; CS and CL levels of available interior trim—Astro has them all.

Take a test drive and you'll understand why, after Astro, space travel will never be the same.

Chevy Astro.

SPORTVAN. ALL-PURPOSE PEOPLE CARRIER.

Built high, wide, and handsome, Sportvan in the G30 model offers seating for a dozen passengers when available rear benches are added. And there's still room to stow 40.5 cu. ft. of bag and baggage behind the optional fourth seat.

Remove all the rear seats and a whopping 260 cu. ft. of cargo space opens up before you. For those with more modest space needs, the G10 Sportvan is available in a short-wheelbase model. G10 provides standard seating for five; with an optional bench added, G20 carries as many as eight.

1985 G10 and G20 Sportvans feature Vortec, a new standard 4.3 Liter V6 engine. G20 and G30 models are available with 6.2 Liter Diesel power, if you prefer. All Sportvans come with either conventional sliding or 60/40 swing-out side doors at no extra cost. You choose the style of access that works best for you.

Chevy Sportvan.

FULL-SIZE BLAZER. BACK-COUNTRY ROUGHNECK.

Bring on the back country. Full-size Chevy Blazer 4x4 is a trail-climbing roughneck that really rawhides through the rough stuff. Blazer's action-traction 4x4 system also transforms the vehicle into a 2WD street cruiser ready to take on the town. And here's a real advantage: With the available automatic hubs and synchronized transfer case, you shift this vehicle from 2WD to 4WD High at speeds up to 25 MPH without stopping or leaving the cab.

SUBURBAN. TOUGH TRUCK-WAGON.

Power to tow, room to go. Suburban is the rugged truck-wagon that combines plush interior comfort and available seating for up to nine passengers with the same type of chassis and double-wall construction built into Chevy's 1/2- and 3/4-ton full-size pickups. The result is a vehicle that packs as much as 165 cu. ft. of cargo when available rear seats are removed and moves 9,500 lbs. of trailer, passengers and cargo, when properly equipped.

In the 4x4 model, Suburban really shows its grit. This eager back-roader allows nonstop shifting at speeds up to 25 MPH from 2WD to 4WD High when you order the available automatic hubs and synchronized transfer case.

S-10 BLAZER. AMERICA'S MOST POPULAR SPORT UTILITY VEHICLE.

A dynamic combination of truck-tough ruggedness and civilized versatility, S-10 Blazer does the things a truck has always done, and it does them with a fashionable sense of style.

This year S-10 Blazer is powered by a new standard electronically fuel-injected 2.5 Liter L4 engine; a gutsy 2.8 Liter V6 is also available. Select manual or available automatic transmission attached to either a station-wagon-handly 2WD Blazer or the brawny 4x4. Insta-Trac, the patented 4x4 system that allows shifting from 2WD to 4WD High and back at any speed, is standard in all S-10 Blazer 4x4s.

Inside, S-10 Blazer provides spacious accommodations for up to four adults when available rear seating is added. If cargo capacity is what you need, you'll find a full 67.3 cu. ft. of stowage when the rear seat is folded down.

No wonder so many people are finding S-10 Blazer's truck toughness and practical beauty are right for them.

Tires supplied by various manufacturers.

Clockwise from bottom right:
S-10 Blazer 4x4, full-size Blazer
4x4, Suburban.

TRUCK FACTS

A Word About Towing. Standard Chevrolet wagons and light trucks are engineered for restricted light-towing applications. Heavier towing capability may be achieved by ordering specific available heavy-duty trailering equipment. Ask your dealer for the '85 *Chevy Recreation & Trailering Guide*.

GM Protection Plan. The GM Protection Plan offers service protection in addition to that provided by GM's new-vehicle limited warranty. Ask your dealer about it. Coverage available only in the U.S. and Canada.

See individual 1985 Chevrolet car and truck catalogs for color and trim combinations.

Let's Get It Together... Buckle Up.

Every new 1985 Chevrolet delivered by a Chevrolet dealer in the United States comes with a one-year, \$10,000 seat belt insurance certificate from MIC General Insurance Corporation at no additional charge. \$10,000 will be paid to the estate of any occupant who suffers fatal injuries as a result of an accident involving that vehicle while wearing a GM seat belt. Buckle up every time you drive.

Important: A Word About This Catalog.

We have tried to make this catalog as comprehensive and factual as possible and we hope you find it helpful. However, since the time of printing, some of the information you will find here may have been updated. Also, some of the equipment shown or described throughout this catalog is available at extra cost. Your dealer has details and, before ordering, you should ask him to bring you up to date. The right is reserved to make changes at any time, without notice, in prices, colors, materials, equipment, specifications and models. Check with your Chevrolet dealer for complete information.

A Word About Updated Service Information.

Chevrolet regularly sends its dealers useful service bulletins about Chevrolet products. Chevrolet monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll-free 1-800-551-4123.

A Word About Assembly, Components and Optional Equipment in These Chevrolet Products.

The Chevrolets described in this catalog are assembled at facilities operated by General Motors or GM of Canada. These vehicles incorporate thousands of different components produced by car and truck groups and various component divisions of GM and by various suppliers to General Motors. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emissions, safety and fuel economy requirements, or for other reasons, to produce Chevrolet products with different components or differently sourced components than initially scheduled. All such components have been approved for use in Chevrolet products and will provide the quality performance associated with the Chevrolet name.

With respect to extra-cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your car is built. Your dealer receives advice regarding current availability of options. You may ask your dealer for this information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest that you verify that your vehicle includes optional equipment you ordered or, if there are changes, that they are acceptable to you.

All Chevrolet trucks shown in this catalog are also available under the GMC nameplate.

A Word About Engines.

Chevrolets are equipped with engines produced at facilities operated by GM car and truck groups, subsidiaries or affiliated companies worldwide.
