

CAPRICE

CAPRICE

1987

Tradition. It's the essence of Chevrolet Caprice. A tradition of room, of style, of elegance. An automobile that retains its classic proportions, uncompromised in any way.

THE TRADITION. Caprice is a full-size car, with the full-scale luxury and comfort that can only be achieved in a vehicle of this size. Accordingly, Caprice still features:

- Rugged full-perimeter-type frame with 16 cushioning body mounts for superb road isolation.
- The excellent balance and towing power of rear drive.
- A big 116-inch wheelbase.
- Ample room for six adults. In fact, Caprice 4-Door Sedan offers more total interior space (including passenger and trunk room) than any Mercedes-Benz sedan.
- Well-appointed interiors offered in a wide selection of seat styles and trims.

■ The sculpted beauty and formal profile appropriate to a luxury automobile with the heritage of Caprice.

THE TECHNOLOGY. The contemporary technology of Caprice includes:

- A standard 4.3 Liter V6 with Electronic Fuel Injection. This is one of the largest V6s available in a full-size car. It links up to a standard 3-speed automatic transmission to deliver smooth, effortless power.
- A 5.0 Liter V8 with a 4-speed automatic overdrive transmission is optional (standard on wagons).
- Power steering.
- Power front disc/rear drum brakes.
- Full Coil suspension.
- Composite halogen headlamps for improved lighting and simplified maintenance.

THE MODELS. Caprice has several models and body styles to choose from.

■ Caprice Classic Brougham. This is simply the most exclusive way to say Chevrolet. A lavishly appointed, exquisitely detailed four-door sedan. And a new LS model makes Brougham even more distinctive for 1987.

■ Caprice Classic. The roomy, popular Caprice Classic series is available in four-door sedan, two-door coupe and four-door wagon form.

■ Caprice. America's full-size value leader has a base price less than you might expect. This most economical Caprice is available as a four-door sedan or four-door wagon.

In a world where less is too often all that's available, Caprice enjoys a reputation for luxury travel that's rivaled by few cars on the road today.

Shown left to right:

Caprice Classic Brougham Sedan in Dark Maroon Metallic with optional wire wheel covers.

The formal Landau roof, shown here in Black, is one of the hallmarks of Caprice LS Brougham.

CAPRICE CLASSIC BROUGHAM

The ultimate Caprice. With all the elegance traditionally associated with the designation "Brougham." Full, padded vinyl roof. Center pillar applique of bright brushed metal. Bright wheel lip moldings. A lush interior setting. The traditional stand-up hood ornament. All harken back to an era thought long gone in motoring.

BROUGHAM MATCHES CLASSIC STYLE WITH MODERN PERFORMANCE.

■ A 4.3-liter V6 engine with Electronic Fuel Injection is standard.

- The Full Coil suspension soaks up minor road imperfections.
- The 116-inch wheelbase offers an even ride.
- All-season radial tires for surefooted all-weather performance are standard.
- Standard power steering and power brakes.
- A spacious four-door sedan body style provides ample room for six adults and more trunk space than any Mercedes-Benz sedan.

THE NEW LS MODEL AUGMENTS BROUGHAM'S ELEGANCE.

Brougham LS adds an extra measure of class to the Brougham model. The hallmark of LS elegance is the Landau-style half top and inset rear window. Other features include bright roof moldings, center pillar opera lamps, tinted glass and dual outside mirrors.

BROUGHAM IS ENGINEERED TO DELIVER PEACE AND QUIET.

- The standard Acoustical Insulation Package contributes to Brougham's hushed road manners.
- 16 frame-cushioning body mounts help reduce road noise inside the vehicle.
- And should you prefer music, Caprice Classic Brougham offers a choice of four optional stereo systems. Each is designed by Delco to precisely fit the interior configurations of Caprice.

Caprice Sedan in Silver with optional whitewall tires, bumper guards and wheel opening moldings.

CAPRICE

If you want to travel in first-class style and comfort, at a most affordable price, Caprice is the car for you. Feature for feature, Caprice Sedan is the match for some pretty pricey full-size luxury cars.

CAPRICE FEATURES.

- The standard 4.3 Liter V6 engine with Electronic Fuel Injection delivers impressive performance.
- The standard 3-speed automatic transmission with torque converter clutch transfers the power to the road with silky smoothness.
- 20.9 cubic feet of luggage space give Caprice one of the roomiest trunks on the road today.
- The standard sedan front bench seat is covered with cloth and includes a pull-down center armrest.

TWO AVAILABLE MODELS. Caprice is available in both sedan and wagon body styles.

It's features like these that have put more than four million full-size Chevrolet Caprices on American roads.

Caprice interior in Blue.

CAPRICE CLASSIC

Sometimes a name says it all. Classic. "Classic" is a most appropriate and accurate description of this Caprice.

EXTERIOR ELEGANCE.

- The familiar Caprice Classic profile continues to stand for luxury transportation.
- The graceful grille with stand-up hood ornament emphasizes Caprice Classic's sense of tradition.
- Flush composite halogen headlamps add to the beauty and efficiency of the vehicle.
- A choice of 12 exterior colors, plus five optional Custom Two-Tone paint combinations, lets you make a personal statement with your Caprice Classic.

GRACEFUL PERFORMANCE.

- The standard 4.3-liter V6 engine now features hydraulic roller valve lifters for reduced internal engine friction.
- Computer-selected springs and front stabilizer bar provide a smooth, confident ride.
- The full-perimeter frame with its 16 cushioning body mounts provides excellent road isolation.
- Power steering and power front disc/rear drum

brakes are standard on Caprice Classic.

INTERIOR STYLE.

- Caprice Classic retains its 116-inch wheelbase and is still a true six-passenger automobile.
- A cloth front bench seat with pull-down center armrest is standard.
- The optional 50/50 split-front seat, covered in knit velour, allows driver and passenger to adjust each seat independently and features driver and passenger center pull-down armrests for added comfort.
- Eye-pleasing design touches include: simulated Bahia rosewood paneling on the doors and instrument panel, instrument panel courtesy lamps, front and rear door pull straps and rich carpeting throughout.

THREE AVAILABLE MODELS.

- The popular Caprice Classic Sedan provides four-door convenience, a large trunk and stretch-out room for six adults.
- Caprice Classic Coupe takes traditional Caprice luxury, and adds the personal flair of a distinctive coupe.
- The roomy Caprice Classic Wagon is a family favorite. (See pp. 12-13 for details.)

The Caprice Classic interior in Saddle. Optional 50/50 front seat shown.

CAPRICE CLASSIC BROUGHAM INTERIORS

Caprice Classic Brougham provides uncommon room and comfort for six occupants. While much of the world has downsized, Caprice Brougham maintains a tradition of full-size luxury that's sumptuous right down to the smallest detail.

BROUGHAM SEATING.

- Every inch of Brougham's six-passenger seating, built of full foam over internal supports, is designed to hold occupants in an ergonomically comfortable manner.
- A lush seat design, combined with rich velour fabric, cushions occupants sumptuously.
- The 55/45 split front seat includes a pull-down center armrest.
- A new rear center armrest is also standard.
- Optional six-way power seat and Comfortilt steering allow you to personalize your driving position.

BROUGHAM INSTRUMENTATION.

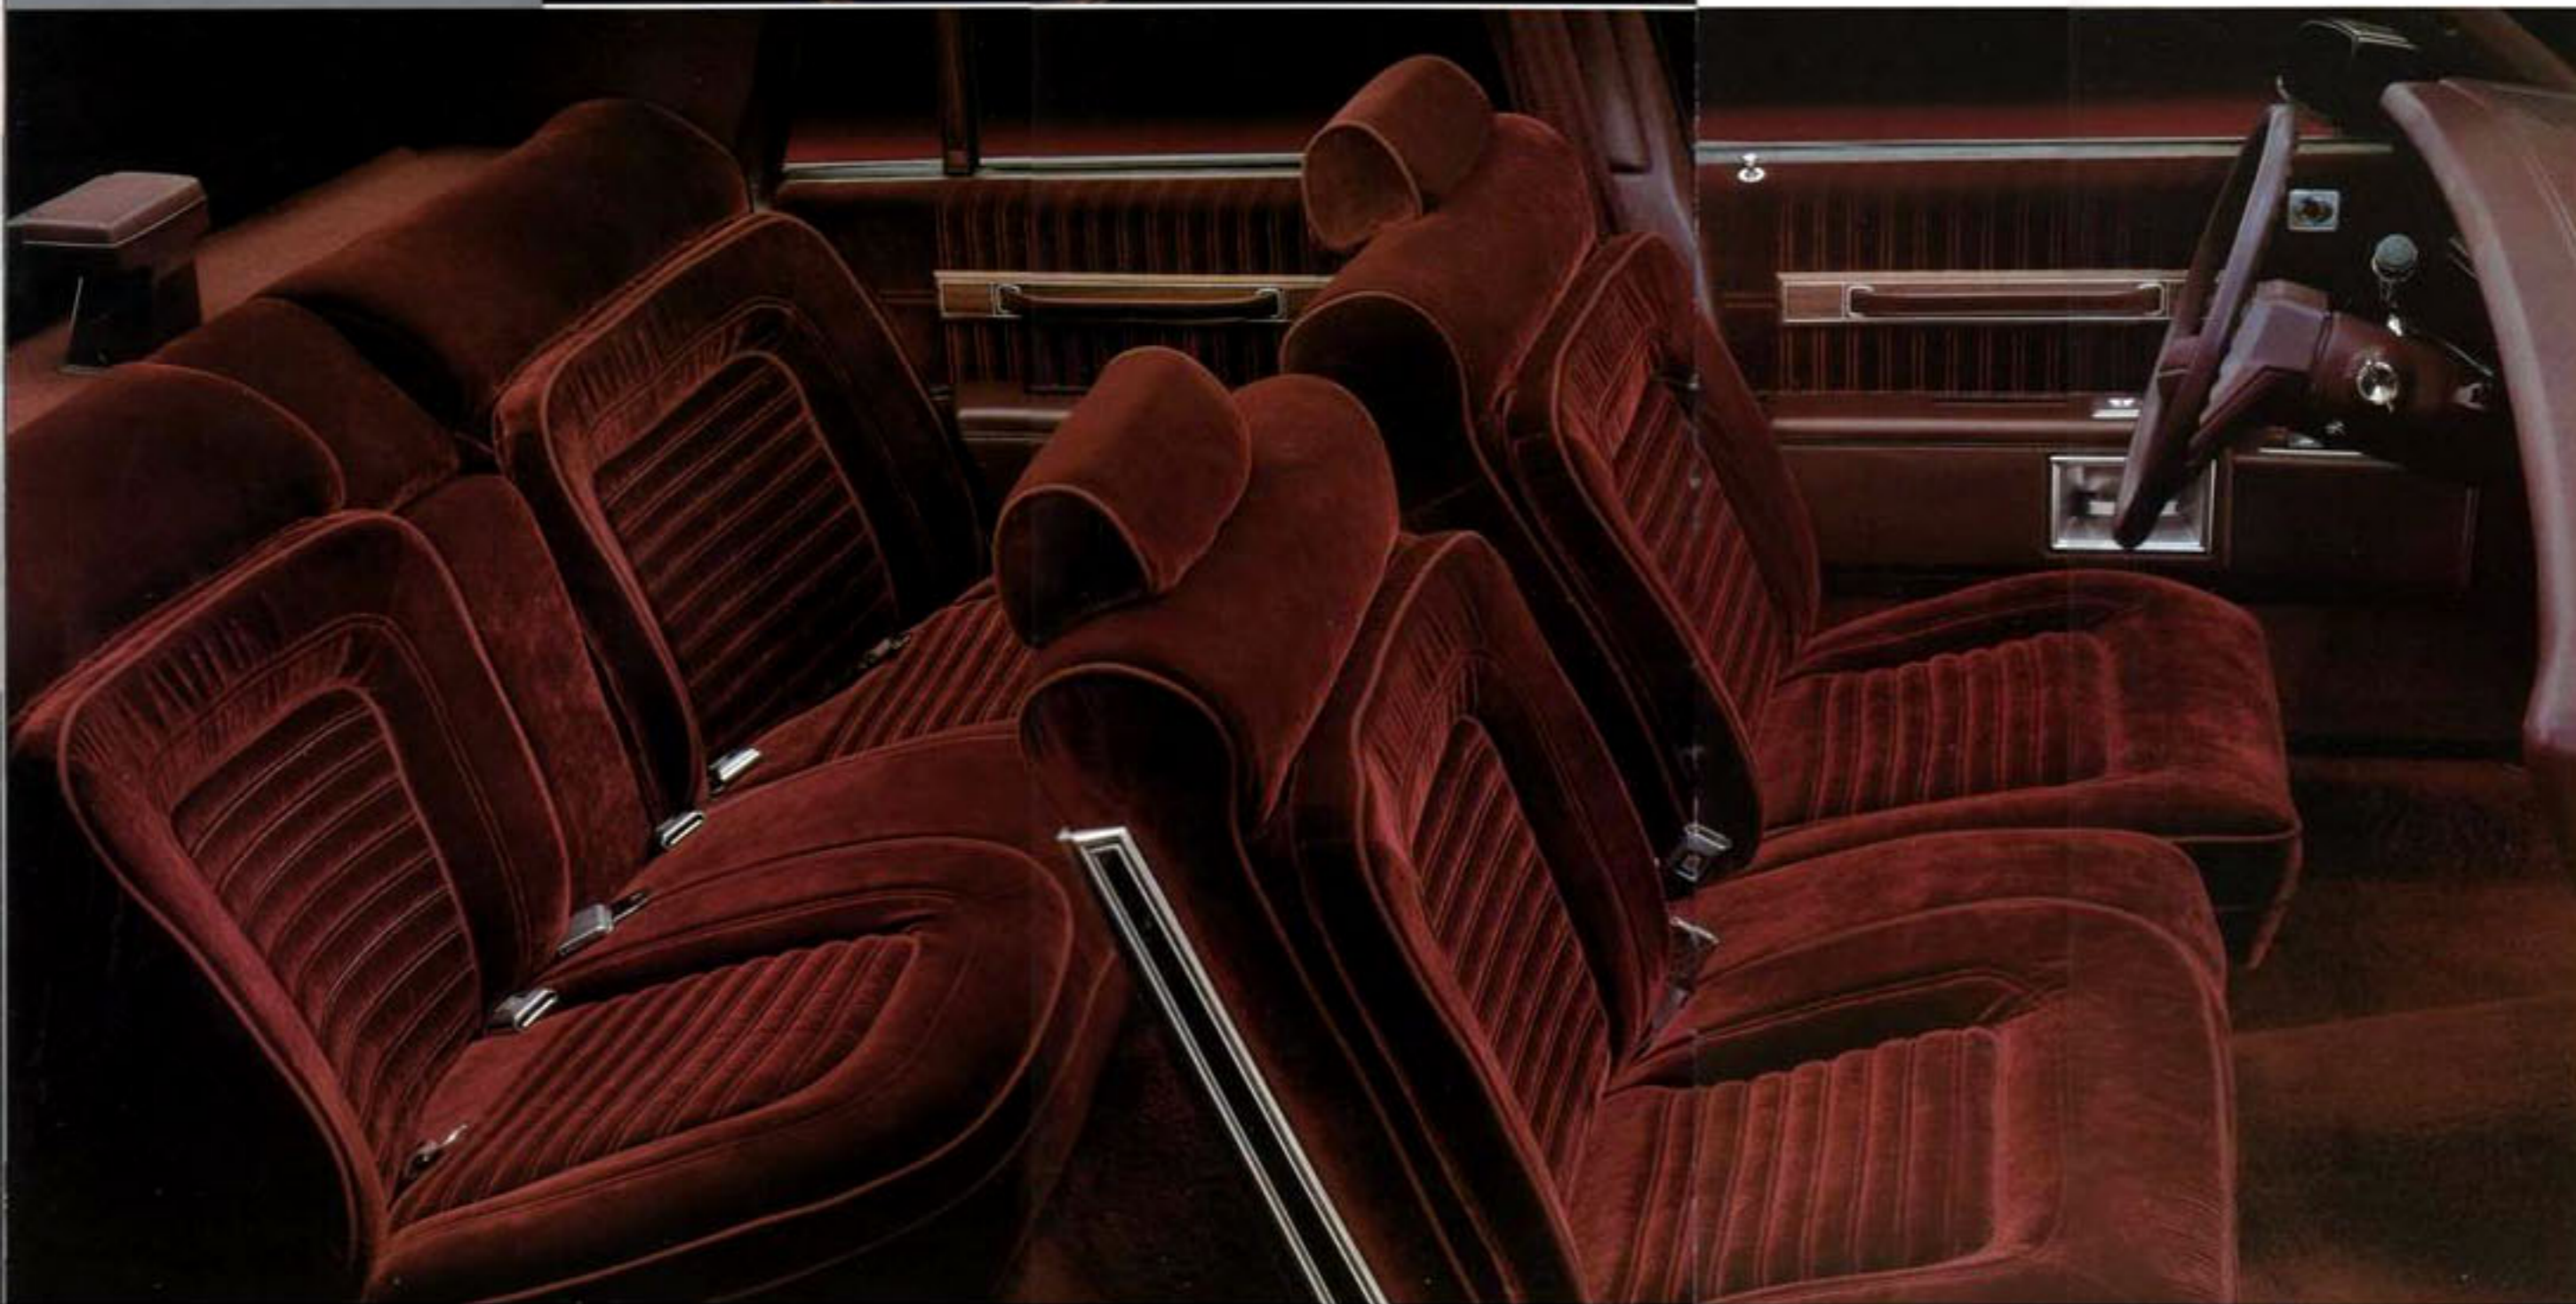

- Gages in classic, easy-to-read shapes carry out the Brougham tradition.
- Bahia rosewood simulated wood-grain trim plates on the instrument panel, steering wheel center and doors bespeak the elegance of Brougham.
- An AM radio with digital clock* is standard. Or choose one of the other optional Delco AM/FM stereo music systems specifically designed for this car.

BROUGHAM AMENITIES.

This extensive list, all standard, includes:

- Plush 20-oz. cut-pile carpeting.
- An Auxiliary Lighting Group featuring an underhood lamp, dome reading lamp, individual front-door courtesy lights and luggage compartment lamp.
- A full range of optional equipment to personalize your Caprice Classic Brougham is also available. And a new dimension in optional Brougham elegance makes its debut mid model year—leather upholstery. Choose these top-quality seating surfaces in Blue, Gray or Maroon.

Cloth.

Properly equipped with optional equipment, Caprice Wagons tow up to 7,600 lbs. See your Chevrolet dealer and/or the 1987 Chevrolet Recreation and Trailing Guide for details. Caprice Classic Wagon shown in Dark Blue Metallic with optional Sport wheel covers.

Caprice Classic Wagon with optional Estate equipment shown in Yellow Beige. Optional wire wheel covers and roof luggage carrier also shown.

CAPRICE WAGONS

The same features that make Caprice an outstanding car make Caprice Wagon equally noteworthy. And this Caprice offers the versatility that only a wagon can deliver.

WAGON FEATURES.

■ The power and performance of a 5.0 Liter V8 engine with 4-speed automatic overdrive are standard. This powerful combination gives the properly equipped Caprice Wagon towing capacity unmatched by any mid-size station wagon or front-drive mini-van.

- Seating for up to eight adults is standard in every Caprice Wagon. The rear-facing third seat is easily accessible through the convenient tailgate.
- Total cargo volume with the rear seats folded flat is 87.9 cu. ft.
- The standard heavy-duty F40 suspension combines smooth riding characteristics with the strength necessary for heavy hauling.

ROOM AND LUXURY IN EVERY CAPRICE WAGON.

- The Caprice Classic Wagon is even more luxurious for 1987. Custom interior trim matches that of Caprice Classic Sedan. You may also wish to give your new Caprice Classic the rich look of wood paneling (simulated) by selecting the optional Estate package.
- The standard Caprice Wagon combines Caprice Sedan interior/exterior trim with the roominess of a three-seat station wagon.

Caprice features a tailgate that opens two ways. Drop the tailgate down to form a convenient loading platform. Or open it like a door, with window up or down, for access to the standard rear-facing third seat. Fold both the second and third seats down, and Caprice accommodates 87.9 cu. ft. of gear.

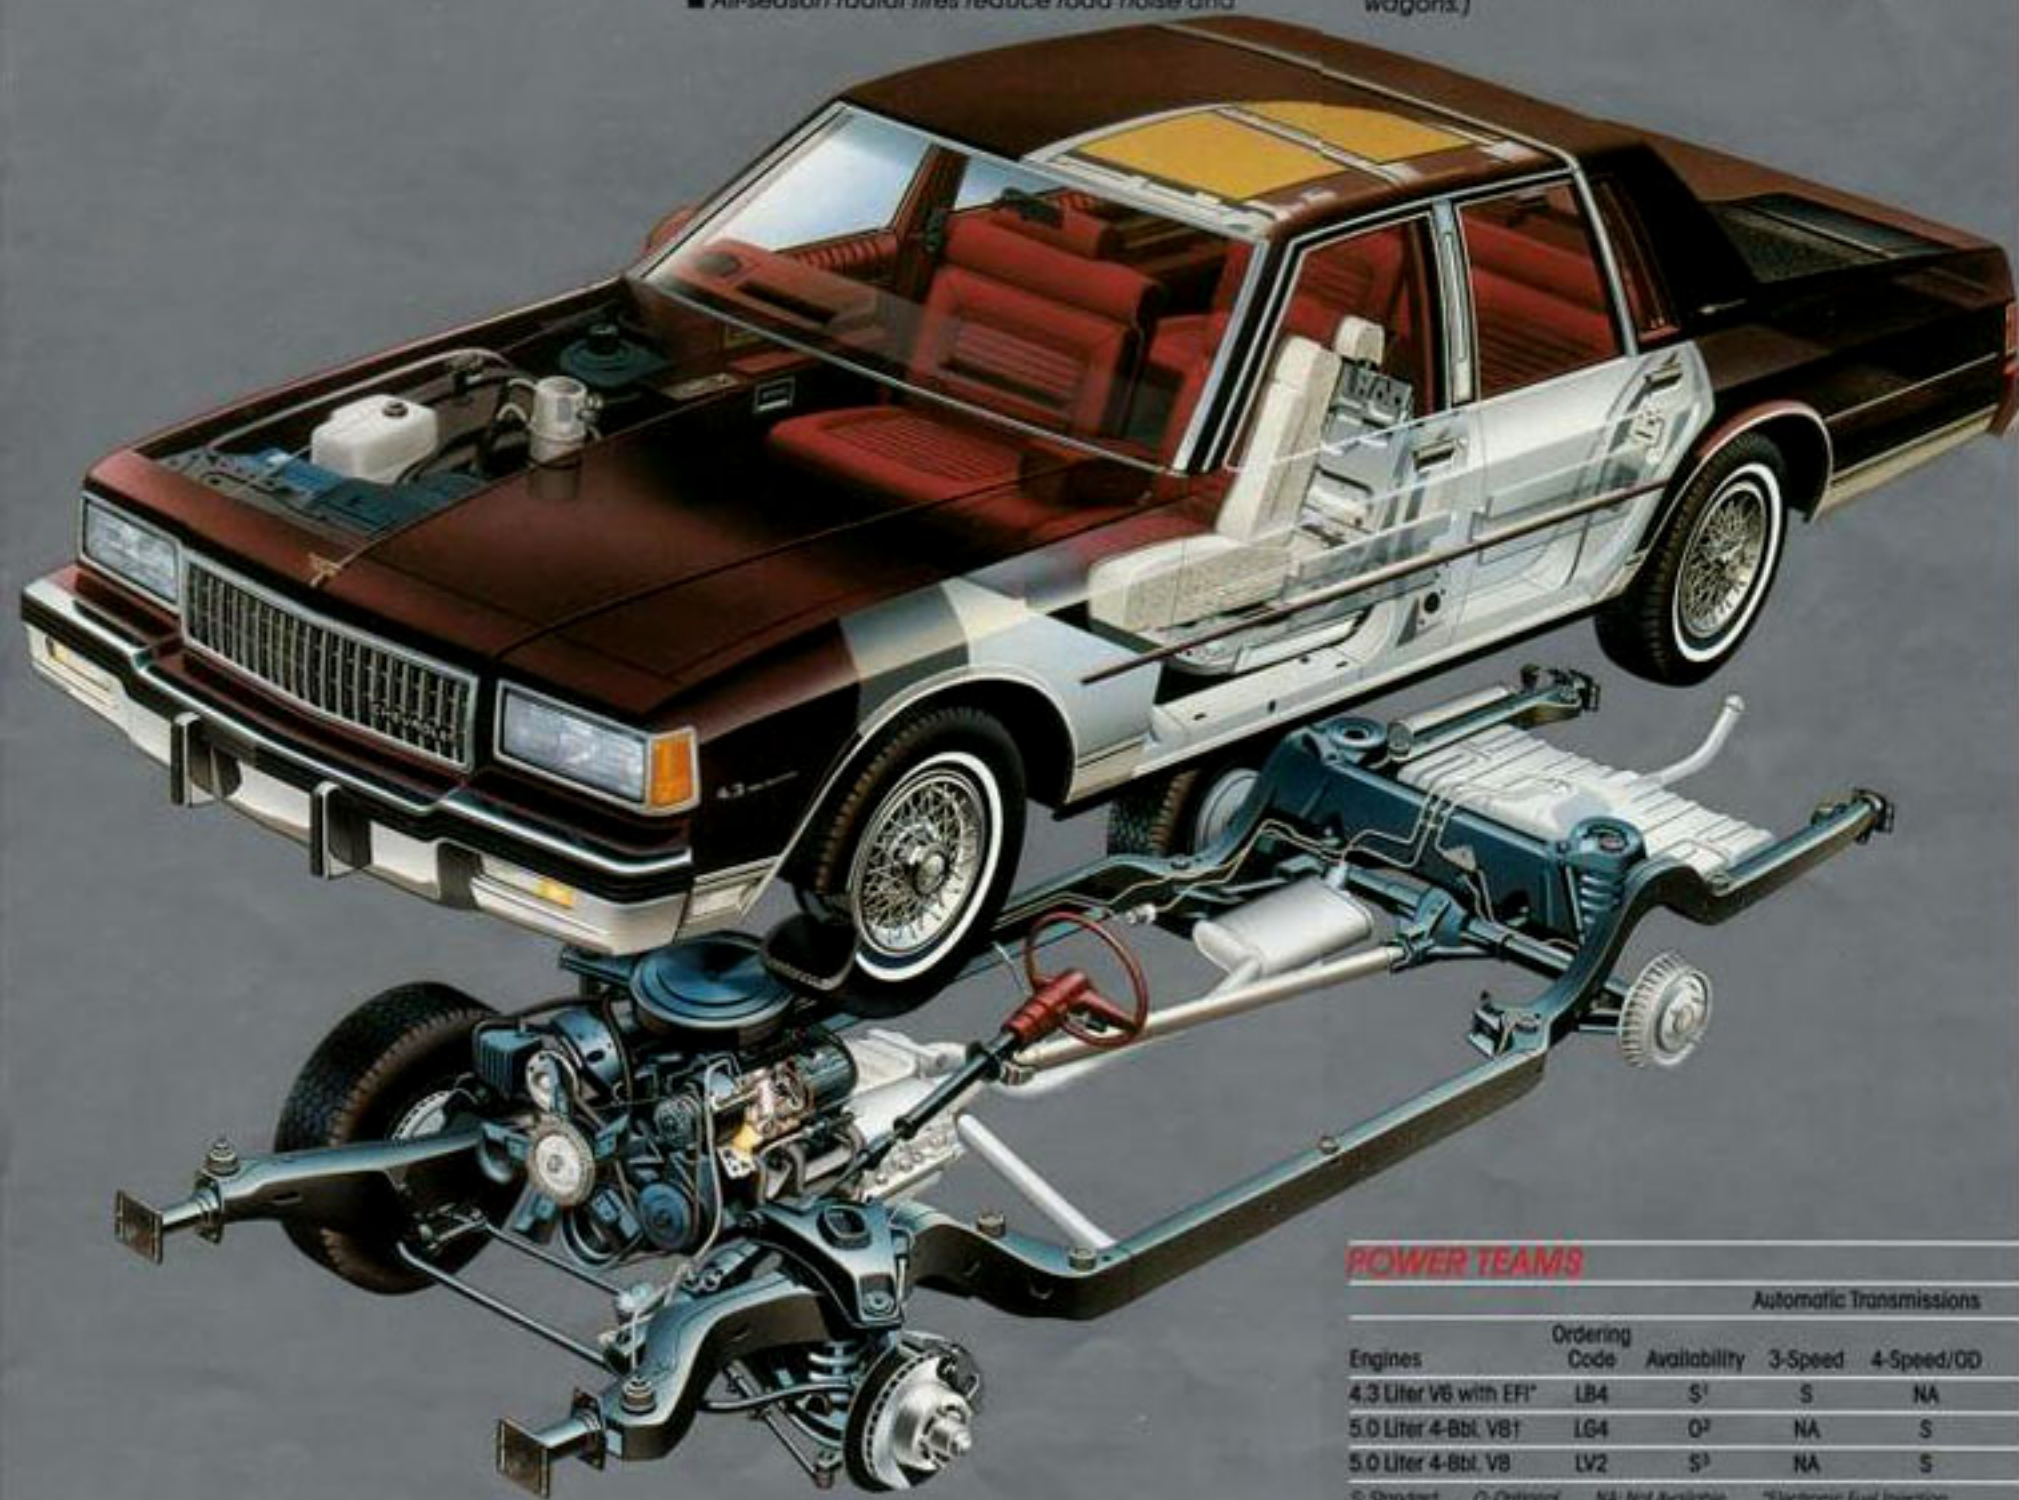

CAPRICE ENGINEERING

Caprice engineering has always been focused on one purpose: driver and passenger comfort. This diagram will give you a more specific idea of how that goal is achieved.

- Standard Computer Command Control, Electronic Fuel Injection and hydraulic valve lifters help the standard 4.3 Liter V6 engine perform consistently in all weather conditions.
- Rear drive allows for substantial towing capacity.
- Computer-selected coil springs enhance roadability.
- Caprice's full-perimeter frame adds to road isolation.
- Standard seating is for six.
- All-season radial tires reduce road noise and

improve all-weather traction.

- Caprice Classic employs as much as 17mm of acoustic insulation in some areas.
- Extensive anti-corrosion protection helps keep Caprice looking good over the years.
- The optional F41 Sport Suspension, which includes rear stabilizer bar, 15" x 7" wheels (requiring optional P225/70R-15 tires) and increased-capacity front and rear shock absorbers, provides great road feel and maneuverability. (NA on Caprice Wagons.)
- The optional F40 Heavy-Duty Suspension adds higher rated componentry to Caprice. (Standard on wagons.)

Standard cloth bench seat for Caprice Classic Sedan and Wagon. (Coupe similar except for folding backrest.) Available in cloth or vinyl for wagon only.

Cloth 50/50 front seat optional for all Caprice Classic models.

Standard cloth 55/45 front seat for Caprice Classic Brougham and LS.

Leather seating surfaces optional on Caprice Classic Brougham and LS. (Available interim 1987 model year.)

SAFETY FEATURES.

OCCUPANT PROTECTION

■ Manual lap/shoulder safety belts for driver and right front passenger (driver's side includes visual and audible warning system) ■ Manual lap safety belts at each rear-seat and center front position ■ Energy-absorbing steering column ■ Energy-absorbing instrument panel ■ Energy-absorbing front seat-back tops ■ Laminated safety windshield glass and tempered safety side and rear window glass ■ Safety interlocking door latches ■ Passenger-guard inside door lock handles ■ Inertia-locking, folding front seat-backs on two-door models ■ Safety armrests ■ Head restraints, driver and right front passenger (adjustable).

ACCIDENT AVOIDANCE

■ Side marker lights and reflectors ■ Parking lamps that illuminate with headlamps ■ Four-way hazard warning flasher ■ Backup lights ■ Center high-mounted stop lamp ■ Directional signal control and lane-change feature ■ Windshield defroster, washer and dual-speed wipers ■ Inside rearview mirror with vinyl-bonded glass ■ Outside left rearview mirror ■ Brake system with dual master cylinder and warning light ■ Starter safety switch ■ Dual-action hood-latch system ■ Low-glare finish on instrument panel top, inside windshield moldings, wiper arms/blades, metallic steering wheel surfaces ■ Illuminated heater and defroster controls ■ Illuminated windshield wiper and washer controls ■ Tires with built-in tread-wear indicators.

THEFT DETERRENCE

■ Audible reminder for ignition key removal ■ Theft-deterrent steering column lock ■ Visible vehicle identification number.

IMPORTANT: A WORD ABOUT THIS CATALOG. We have tried to make this catalog as comprehensive and factual as possible. However, since the time of printing, some of the information may have been updated. Also, some of the equipment shown or described throughout this catalog is available at extra cost. Your dealer has details and, before ordering, you should ask him to bring you up to date. The right is reserved to make changes at any time, without notice, in prices, colors, materials, equipment, specifications and models. Check with your Chevrolet dealer for complete information.

A WORD ABOUT ASSEMBLY, COMPONENTS AND

OPTIONAL EQUIPMENT IN THESE CHEVROLETS. The Chevrolets described in this catalog are assembled at facilities operated by General Motors or GM of Canada. These vehicles incorporate thousands of different components produced by car groups and various component divisions of General Motors, and by various suppliers worldwide to General Motors. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emissions, safety and fuel economy requirements, or for other reasons, to produce Chevrolet products with different components or differently sourced components than initially scheduled. All such components have been approved for use in Chevrolet products and will provide the quality performance associated with the Chevrolet name.

With respect to extra-cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your car is built. Your dealer receives advice regarding current availability of options. You may ask your dealer for this information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest that you verify that your car includes optional equipment you ordered or, if there are changes, that they are acceptable to you.

GM PROTECTION PLAN. The GM Protection Plan offers service protection in addition to that provided by GM's new-vehicle limited warranty. Ask your dealer about it. Coverage available only in U.S. and Canada.

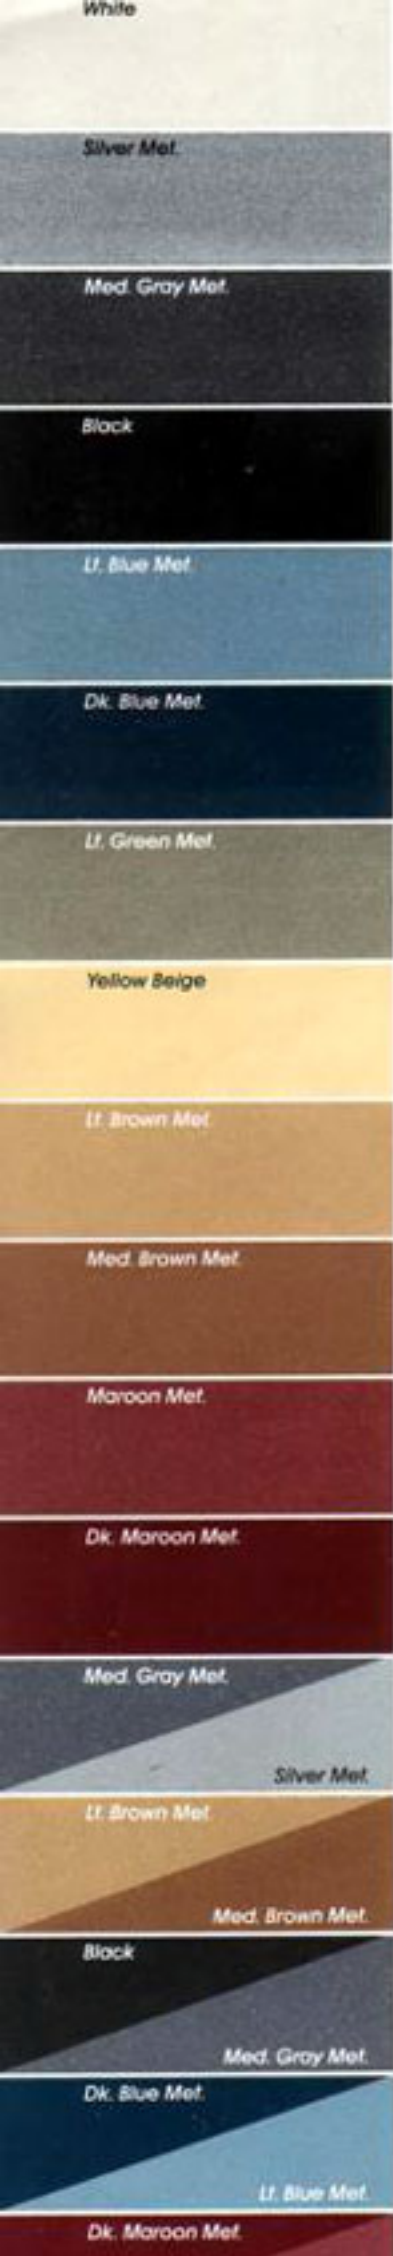

A WORD ABOUT UPDATED SERVICE INFORMATION.

Chevrolet regularly sends its dealers useful service bulletins about Chevrolet products. Chevrolet monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll-free 1-800-551-4123.

LET'S GET IT TOGETHER...BUCKLE UP.

At your Chevy dealer's, financing or leasing your new Caprice can be as easy as saying **GMAC**.

CAPRICE

FEATURES & OPTIONS

OPTIONAL EQUIPMENT

APPEARANCE AND PROTECTION.

- Body pin striping
- Bumper guards
- Bumper rub strips (Std. Caprice Classic, Brougham)
- Deluxe luggage compartment trim (sedans and coupe)
- Estate Equipment Package (Classic Wagon)
- Floor covering: Carpeting, Deluxe rear compartment decor (wagons); Color-keyed carpet mats, front and/or rear
- Full vinyl roof
- Landau Equipment

Add the personal touch of the optional vinyl Landau roof. (Coupe only.)

Optional electronic speed control can make the traveling easier, so you arrive fresher.

PACKAGE (Classic Coupe)

- Mirrors: Sport, LH remote; Sport, LH remote, RH manual; Sport twin remote
- Moldings: body side; Wheel opening (Std. Classic, Brougham)
- Paint: Custom Two-Tone
- Rear compartment deluxe decor (wagons).

COMFORT AND CONVENIENCE.

- Air conditioning
- Air deflector (wagons)
- Auxiliary lighting (Std. on Brougham)
- Comfortilt steering wheel
- Electric rear window defogger
- Electronic speed control with resume feature
- Illuminated right-hand visor vanity mirror
- Intermittent wiper system
- Power door locks
- Power tailgate lock
- Power trunk opener
- Power windows
- Quiet Sound Group Package (Std. on Caprice Classic and Brougham)
- Roof carrier (wagons)
- Seats: 50/50 split bench

The optional power window and six-way power seat controls are located on the armrest for easy

(Caprice Classic): Front-passenger backrest recliner with 50/50 seat (Caprice Classic); Six-way power seat (individual driver's and passenger's side with 50/50 seat)

- Special Instrumentation
- Tinted glass (Std. Brougham LS).

PERFORMANCE.

- Engine block heater
- Heavy-duty battery
- Heavy-duty cooling
- Limited slip differential
- Performance axle ratio
- Suspension equipment: Inflatable rear shock absorbers (wagons only); Heavy-duty front and rear suspension (sedans and coupe, Std. on wagons); F41 Sport Suspension (sedans and coupe).

DELCO AUDIO EQUIPMENT.

- (With fixed-mast antenna; stereos include four speakers.)
- Electronically tuned AM radio w/clock (Caprice only)
 - Electronically tuned AM/FM stereo radio w/Seek and Scan
 - Electronically tuned AM/FM stereo radio w/Seek and Scan and digital clock
 - Electronically tuned AM/FM stereo radio w/Seek and Scan, stereo cassette tape and digital clock
 - Electronically tuned AM/FM stereo radio w/Seek and Scan, cassette tape, digital clock, graphic equalizer and Extended Range Sound (ERS™) system (NA wagons)
 - Power antenna
 - Premium extended range dual rear speakers (NA wagons).

TIRES AND WHEELS.

- P205/75R-15 all-season steel-belted radial ply white-stripe (sedans and coupe)
- P225/70R-15 all-season steel-belted radial ply

white-stripe (sedans and coupe; required with F41 Sport Suspension)

- P225/75R-15 all-season steel-belted radial ply white-stripe (wagons)
- Puncture-sealant tires

(white-stripe only) P205/75R-15 (coupe, sedans), P225/75R-15 (wagons)

- Sport wheel covers
- Wire wheel covers with integral locks.
