SUBURBAN 1987

No ordinary wagon can do as much as America's Superwagon. Equip it to haul the boat. Seat up to nine with optional seating. Take off on vacation. Take on more cargo than any full-size wagon. And Suburban is truck-tough, with rugged full-frame construction.

SUBURBAN IS VERSATILE. Select the model that makes Suburban your personal Superwagon:

- The 10 Series 1/2-ton with two-wheel drive.
 - The 20 Series 1/2-ton with two-wheel drive.
 - The 10 Series 1/2-ton with four-wheel drive.
 - The 20 Series 1/2-ton with four-wheel drive.
- See page 8 for detailed specifications.

STANDARD VS. POWER. Choose from a lineup of powerful V6s, gasolines and diesels. All gasoline engines feature Electronic Fuel Injection:

- 5.0 Liter (305) V6, standard 10 Series 2WD models.
- 5.7 Liter (350) V6, standard 20 Series 2WD models and 10 and 20 Series 4WD models. Optional other models.
- 7.4 Liter (454) V8, optional 20 Series 2WD models.
- Optional 6.2 Liter (379) Diesel V6.

A VARIETY OF TRANSMISSIONS.

- A 4-speed overdrive automatic transmission is standard on 1/2-ton gasoline and diesel Suburbans.
- The 1/2-ton 2WD Suburban and the 1/2- and 1/2-ton 4x4 feature a 4-speed manual.
- The 1/2-ton 4x4 diesel Suburban features a 3-speed automatic.

INSIDE SUPERWAGON.

Suburban offers passenger room for up to nine with the

optional second and third seats in place. The third seat is easily removable; the second seat folds forward to make way for loads of cargo.

TOWING POWER. Suburban has more towing power than any full-size wagon. For example, a properly equipped 20 Series 2WD model can haul up to 15,500 lbs. Including Suburban, trailer, passengers, cargo and equipment. Optional equipment is required. See the trailer chart, page 8.

TOUGH-TRUCK CONSTRUCTION. Bring on the work. And the play. Suburban is built to take it.

- The full-frame construction is Chevrolet-truck-based.
- Double-wall construction is

used on doors, front fenders and rear quarter panels.

- Comprehensive anti-corrosion protection includes extensive use of pre-coated and galvanized steels.

TWO TAILGATE DESIGNS. Dual rear panel-type doors are standard equipment.

- A wagon-type rear tailgate with optional power-operated rear window is also available.

Power to you. Power to go. That's what Chevy Suburban is all about.

Show us first over to Series Suburban. Electronic 4x4 with optional Spectra™ has four-point tie-rod flex. Auto-tilt® wiper. Sh.

20 Series Subaru Schwab 2WD with optional Exterior door Package in Silver Gray Metallic/Apple Red.

Subaru 4x4 is ready for tough-road action. Power window locking hubs are standard. If you prefer, optional automatic hubs let you shift at speeds up to 25 MPH. Whether you're negotiating uncertainty, mud or city snow, Subaru 4x4 helps keep you going.

20 Series Subaru Schwab 4x4 shown in Double Two.

SUBURBAN INTERIORS

A luxurious estate wagon. A practical heating vehicle. A spacious people-mover. Suburban is the one wagon that does it all.

Three trim levels are available.

SUBURBAN SEAT TRIM AVAILABILITY

Seat Type (see how to use)	Trim Levels		
	Capitan Deluxe	Scottsdale	Silverado
Vinyl Bench	■	■	■
Custom Vinyl Bench	■	■	■
Custom Cloth Bench	■	■	■
Custom Vinyl Reclining Buckets	■	■	■
Custom Cloth Reclining Buckets	■	■	■

Note: All seat trim levels are available for both two-row and three-row models. ■ = standard ■ = optional ■ = not available

CUSTOM DELUXE. This is the standard Suburban interior. Features include:

- Embossed all-vinyl upholstery in a choice of two colors.
- An embossed black rubber floor mat covers the entire floor area. Sweep it out, scrub it down or hose it out.
- Tinted glass is standard all around. The upper windshield features a shaded band to reduce glare.
- A quiet ride is enhanced by extra sound-deadening insulation beneath floor mats, under

front seats and in the firewall.

SCOTTSDALE. Enjoy family comfort with this popular interior trim option.

- Color-keyed rubber floor covering.
- Color-keyed insulated headliner.
- Dome lamps, front and rear.
- Additional interior sound-deadening insulation.
- Exterior body side and rear moldings and special Scottsdale identification.

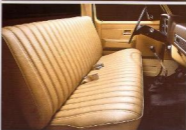

SILVERADO. For the ultimate in Suburban luxury, choose the optional Silverado Package. It includes all Scottsdale's features, with additions or substitutions as follows:

- A choice of Custom Vinyl or Custom Cloth upholstery in

four available colors.

- Door-to-door color-keyed carpeting.
- Luxury door panels with cloth inserts and pull-straps.
- Full instrumentation, including voltmeter, engine temperature and oil pressure gauges.
- Mirror on right-hand side.
- Specific Silverado exterior trim with body side moldings, bright grille with color-keyed center bar and quad headlamps.

High-back reclining front bucket seats in your choice of Custom Cloth or Custom Vinyl are optional on Silverado. These buckets feature captain's-chair-type armrests and a large center console with storage area.

The optional Deluxe interior, shown at far left, is available for Custom Cloth with optional front bucket seats, optional second and third seats.

Optional Scuffplate Van, shown at top, is available for Custom Cloth.

Standard Custom Deluxe interior, shown above right, is available for Vinyl.

AVAILABLE SEATING

FOR UP TO NINE. With the optional second and third seats in place, Suburban seats up to nine adults in spacious comfort—yet still packs in 40 cu. ft. of cargo. The right-hand side of the second seat folds forward to allow easy access to the rear.

Removing the third seat and folding the second seat flat opens up 167 cu. ft. of room.

SOLID SUPPORT. Thanks to a suspension system ideally suited to its dual personality, Suburban carries people or cargo with equal ease.

When the need to fight, the two-stage rear springs give a responsive, carlike ride, made even smoother on 2WD models

by an independent front suspension that helps absorb road shock before it reaches occupants.

As the load gets heavier, two-stage springs provide progressively firmer support.

For even greater stability, heavy-duty front springs are optional on 4x4 models.

Components like high-capacity axles and brake systems computer-matched to your Suburban's GVWR add to Suburban's ability to transport almost anything you want to carry around.

SEATING FOR
5 + 49.0" cu. ft.

SEATING FOR
5 + 104.4" cu. ft.

SEATING FOR
3 + 167.0" cu. ft.

Deluxe conversion involves removal of second and third bench seats. The second seat folds flat and third seat is easily removable for additional cargo room.

*Always model only. Cargo volume in the passenger Suburban are slightly less.

SUBURBAN FEATURES AND OPTIONS

STANDARD FEATURES

SUBURBAN INTERIOR

- Ammeter, fuel and oil gauges.
- Airflow, independent power seat and rear floor mats.
- Seat Belts: 60 and LB.
- Floor Covering: Black rubber mats.
- Wiper and Defogger: Deflate air type.
- Steel Lock Release: Inside mounted.
- Instruments:
 - Gauge: Speedometer, odometer and fuel.
 - Switches: Blower, for mirrors, exterior and instrument panel.
 - On steering column for direction signals, headlamp high-low beams and windshield wiper wipers. Hazard warning, heater fan and ignition with key-in warning buzzer.
 - Warning Light: Electronic oil pressure, engine temperature, and fuel, air filter parking brake, direction hazard signal and high beams.

- Insulation and Sound-Deadening Material: On front and under floor mats.
- Lights: Instrument cluster and cab mirrors.
- Mirror: Adjustable 10° panoramic.
- Seals: Full-width, full-depth foam front bench, with vinyl trim.
- Safety belts: All seating positions.
- Seats: Low Backer, LH rear side.
- Steering Column and Wheel: 19" soft touch plastic 2-spoke wheel with energy-absorbing column.

- Storage Box: RH side of instrument panel with key lock.
- Suspension: RH and LB padded, coil-sprung.
- Tire Flares: Color-keyed molded plastic on rear doors.

EXTERIOR

- Bumper: Front and rear chromed.
- Doors: Two LH and two RH, plus two rear panel tops.
- Glass: Tinted, all windows.

IMPORTANT: A WORD ABOUT THIS CATALOG. We have tried to make this catalog as comprehensive and useful as possible and we trust you find it helpful. However, since the time of printing, some of the information you will find here may have been updated. Also some of the equipment shown or described throughout this catalog is available as factory-installed options, dealer accessories and specialized equipment from various independent suppliers of motor. Your dealer has details and, before ordering, you should ask him to bring you up to date.

The right is reserved to make changes of any kind, without notice, in prices, colors, materials, equipment, specifications and models. Check with your Chevrolet dealer for complete information.

A WORD ABOUT ASSEMBLY, COMPONENTS AND OPTIONAL EQUIPMENT IN THESE CHEVROLET PRODUCTS. The Chevy vehicles being described in this catalog (Series 110, 120, 130 and 130) are assembled at facilities operated by General Motors or GM of Canada. These vehicles incorporate thousands of different components produced by our and truck group and various component divisions of GM and by various suppliers worldwide to General Motors. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emissions, safety and fuel economy requirements, or for other reasons, to produce Chevrolet products with different components or differently sourced components than initially scheduled. All such components have been approved for use in Chevrolet products and will provide the quality performance associated with the Chevrolet name.

With respect to factory-installed extra cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some systems may be unavailable when your vehicle is built. Your dealer receives advice regarding current availability of systems. You may

ask your dealer for this information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest that you verify that your vehicle includes the optional equipment you ordered so, if there are changes, that they are acceptable to you.

These vehicles are also available under the GMC nameplate GMC Suburban Series C1500, C1500, K1500, K1500.

A WORD ABOUT ENGINES. Chevrolet trucks are equipped with engines produced exclusively by GM car and truck group, subsidiaries or affiliated companies worldwide.

A WORD ABOUT UPDATED SERVICE INFORMATION. Chevrolet regularly sends its dealers useful service bulletins about Chevrolet products. Chevrolet monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins. Use. Ask your dealer. To get ordering information, call toll-free 1-800-525-0102.

AS PART OF THE 1987 CHEVROLET NEW-VEHICLE LIMITED WARRANTY, your Chevy truck includes three-year performance-lean corrosion coverage. Exhaust system components not included. See your Chevy dealer for details and other limitations.

THE GM PROTECTION PLAN. An option that offers service protection in addition to that provided by GM's new vehicle limited warranty. Available only in the U.S. and Canada for the 1987 model year. Ask your dealer about this option.

AT YOUR CHEVY DEALER'S, FINANCING or leasing your new Suburban can be as easy as saying GMC.

FOR INFORMATION ON ANY NEW CHEVY TRUCK. See your Chevy dealer for a complete selection of 1987 truck catalogs. They cover:

- Chevy 3-10 Blazer
- Full-size 4WD Blazer
- Chevy 3-10 Pickup
- Full-size Chevy Pickup
- Camaro
- Chevy Van/Sparkvan
- Astro/Astro Van
- All Medium-Duty Chevy and GMC
- Chevy Truck and Trailer Guide.

LET'S GET IT TOGETHER...
BUCKLE UP.

NOTHING WORKS LIKE A CHEVY TRUCK
