BUILDING THE VEHICLES THAT BUILD TRUST.

Beyond the mechanical excellence you expect, you need a trusted partner that can provide and service the vehicles designed to handle some of the most critical situations. That's why we offer the diverse, reliable Police Patrol Vehicles (PPV) and Special Service Vehicles (SSV) from Chevrolet. They deliver cutting-edge safety features, impressive cargo capacity, and efficient ownership costs.

Our extensive product lineup will assist you and your community, providing the performance and efficiency you expect with the broadest range of work-ready vehicles and outstanding service—it goes hand in hand with GM Fleet and Commercial's commitment to great products, innovative business solutions, and an exceptional customer experience. Because we know they're more than just cars and SUVs—they're an integral part of your officer's job.

Your success. It's how we measure ours.

CAPRICE PPV

CHEVROLET CAPRICE PPV

We Took the Best **AND MADE IT EVEN BETTER.**

The powerful, spacious Caprice PPV offers outstanding performance, comfort, and utility. For 2014, new convenience features include a column shift lever and center console steel mounting platform for more convenient equipment installation. Plus, Caprice PPV comes with Chevrolet's new 2-year/24,000-mile scheduled maintenance program.¹

When it comes to interior room, Caprice offers the most of any police sedan with a spacious 112 cubic feet.^{2,3} And for superb fuel economy and power, choose from a no-charge 6.0L V-8 or a direct-injected 3.6L V-6 engine.

9C1 PATROL CAPRICE PPV

Designed for high-speed operations, Caprice PPV has a top speed rated at 154 mph,³ the highest top speed of any police vehicle (optional 130-mph speed limiter). Plus, there are industry-leading police seat and segment exclusives like the available auxiliary battery and front-seat-only head curtain air bags⁴ that allow installation of a full-width prisoner partition.

SPECIFICATIONS

[Inches, unless otherwise stated]	SEDAN
Wheelbase	118.5
Length	204.2
Width	74.8
Height	58.7
Seating (front/rear)	2/3
Head room (front/rear)	38.7/37.6
Shoulder room (front/rear)	59.1/59.0
Hip room (front/rear)	57.5/57.9
Leg room (front/rear)	42.2/43.2
Total interior passenger volume ² (cubic feet)	112
Maximum cargo volume ² (cubic feet)	17.4
Approximate fuel capacity (gallons)	19
Turning diameter curb to curb (feet)	38.0
Ground clearance	6.0
Base curb (without original manufacturer's optional equip.) V-6/V-8 (lbs)	4,043/4,162
EPA-estimated V-6 engine mpg fuel economy (city/hwy/combined)	18/26/21
EPA-estimated V-8 engine mpg fuel economy (city/hwy/combined)	15/24/18

INTELLIGENTLY DESIGNED INSTRUMENT PANEL WITH COLUMN SHIFTER

New features include an all-new instrument panel and gauge cluster, Bluetooth[®] connectivity⁵ for select phones, and a column shift lever that gives you increased interior room. There's also the peace of mind of a class-leading eight air bags⁴ with knee air bags⁴ and newly improved rollover protection.

¹Covers only scheduled oil changes with filter, tire rotations, and 27-point inspections, according to your new vehicle's recommended maintenance schedule for up to 2 years or 24,000 miles, whichever comes first. Does not include air filters. Maximum of four service events. See participating dealer for other restrictions and complete details.

²When properly equipped. Cargo and load capacity limited by weight and distribution. Includes optional full-size spare tire and auxiliary battery.

³Based on final results of 2012 Michigan State Police performance testing. For more information, visit michigan.gov.

⁴Always use safety belts and the correct child restraint for your child's age and size, even in vehicles equipped with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in an appropriate infant, child, or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner's Manual and child safety seat instructions for more information.

⁵Go to gmtotalconnect.com to find out which phones are compatible with the vehicle.

Designed for Your
**COMFORT, CONVENIENCE,
AND SAFETY.**

The Caprice has the most interior room of any police sedan, with 112 cubic feet^{1,2} and offers 3 inches greater rear-seat leg room than Ford or Dodge. It also has 17.4 cubic feet of fully usable trunk space¹ to easily accommodate police gear on a flat load surface.

The long wheelbase design (118.5 in.) and near-perfect 50/50 weight distribution provide an exceptional ride and superb handling. A tight turning radius (38 ft.) and increased ground clearance (6.0 in.) enhance maneuverability²

Shown with aftermarket equipment

EVERYTHING IN ITS PLACE

The 2014 Caprice can accommodate most radios, rear-seat barriers, gun racks, and light bars from Crown Victorias with simple adapters. The open console on the 9C1 Patrol PPV is designed with a new steel mounting platform that provides space for a computer mount and other equipment.

NEW FEATURES FOR 2014

Features aimed at improving comfort and convenience include more supportive front seats designed to accommodate equipment belts. The seats feature four-way power adjustment with power lumbar support and extended safety belt receivers for easier buckling. Also new is Surveillance Mode with an integrated circuit for connection to a customer-supplied switch and a trunk release button now located on both front-door interior panels.

STANDARD**SAFETY AND SECURITY**

- Dual-stage frontal air bags with Passenger Sensing System¹, driver and front-passenger seat-mounted thorax side-impact air bags², knee air bags², outboard front-only head curtain side-impact air bags², and Rollover Protection
- Ultra-high-strength steel added to both A-pillars for improved roof crush safety in rollover situations
- StabiliTrak stability enhancement system with police performance mode

INTERIOR

- New column-mounted shift lever for increased room and convenience
- New center console steel mounting platform for easier equipment installation
- New instrument panel and gauge cluster with Chevrolet MyLink color touch-screen⁴ featuring AM/FM stereo and CD player
- New Bluetooth[®] streaming audio⁵ and cell phone connectivity, voice recognition, and music navigator
- New Surveillance Mode with integrated circuit for connection to customer-supplied switch
- New front cloth bucket seats sculpted for equipment belts with 10 inches between seats for equipment
- 4-way power driver/passenger seat includes power lumbar support
- Rear cloth bench seat

- Dual-zone climate control with air filtration
- Cruise control
- 160-mph certified speedometer and Multifunction Display
- Tilt/telescoping adjustable steering column
- Power windows with rear window lockout
- Auxiliary ground stud in trunk
- Wiring provision for headlamp and taillamp flashing
- 110-amp power supply in IP, 120-amp in trunk
- Ignition-controlled trunk release
- Engine and hour idle monitor
- Outside temperature display

MECHANICAL

- Rear-wheel drive
- 3.6L Direct Injection V-6 with 301 hp, Variable Valve Timing and FlexFuel capability⁴
- 6-speed automatic transmission
- Transmission and power steering coolers
- Heavy-duty power 4-wheel disc anti-lock brake system [ABS]
- Heavy-duty police suspension
- Electric power steering
- 170-amp high-output alternator
- 700-CCA battery with rundown protection
- Radio suppression

EXTERIOR

- Remote start
- Remote Keyless Entry
- Power outside rearview mirrors
- P235/50R18 Goodyear W-rated all-season tires

- Heavy-duty 18-inch steel wheels with bolt-on center caps
- Trunk, driver, and front-passenger key lock cylinder
- Halogen headlamps

OPTIONAL

See your Ordering Guide for details.

- 6.0L V-8 with 355 hp, Active Fuel Management and FlexFuel capability⁴ [no additional charge]
- Auxiliary battery, 700 CCA
- Headlamp and taillamp flashing system [includes flashing module and control wire]
- Heated outside rearview mirrors
- Spot lamps, driver and passenger
- Full-size spare tire [includes Tire Pressure Monitoring system]
- Vinyl rear seat
- Heavy-duty vinyl flooring
- Grille lamps and siren speaker wiring
- Horn/siren circuit wiring
- Hole for wiring in roof [center or right]
- Inoperative inside rear door handles, locks, and window switches
- Common fleet keyed alike
- Daytime running lamps and automatic lamp control delete
- Carpeted floor mats
- Vinyl trunk mat
- Full wheel covers

- Speed limiter [130 mph]
- Autonet Mobile Wi-Fi⁷ in-car router [dealer accessory]
- Full-length, roof rail-mounted front and rear occupant head curtain air bags³

¹When properly equipped. Cargo and load capacity limited by weight and distribution. Includes optional full-size spare tire and auxiliary battery.

²Based on final results of 2012 Michigan State Police performance testing. For more information, visit michigan.gov.

³Air bag inflation can cause severe injury or death to anyone too close to the bag when it deploys. Be sure every occupant is properly restrained. Always use safety belts and the correct child restraint for your child's age and size, even in vehicles equipped with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in an appropriate infant, child, or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner's Manual and child safety seat instructions for more information.

⁴Functionality varies by model. Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity.

⁵Go to gmtotalconnect.com to find out which phones are compatible with the vehicle.

⁶When running on E85, Caprice offers an EPA-estimated mpg 13 city/18 hwy [V-6]; 11 city/17 hwy [V-8]. E85 FlexFuel capacity is not available in AZ, CA, CT, DE, MA, MD, ME, NJ, NY, OR, PA, RI, VT, and WA. E85 is a combination of 85% ethanol and 15% gasoline. Go to afd.energy.gov/afdc/fuels to see if there is an E85 fuel station near you.

⁷Equipment from independent suppliers is not covered by the GM New-Vehicle Limited Warranty. GM is not responsible for the safety or quality of independent supplier alterations. Monthly rates apply. Visit autonetmobile.com for coverage map and details.

POLICE-SPECIFIC SEATING includes new padded cloth front bucket seats made of heavy-duty foam. The new seats feature a seat-back security panel, long-term durability, and ease of cleaning, and allow for quick entry and exit.

A 700-CCA AUXILIARY BATTERY is connected to the vehicle's charging system through an isolation relay. This prevents electrical loads from depleting the primary vehicle battery (also 700 CCA) if the engine is not running and the ignition is OFF.

A COMPREHENSIVE AIR BAG SAFETY SYSTEM comes with eight standard air bags³, including knee air bags and head curtain air bags (front seat only). It also allows installation of a full-width prisoner partition for protection from rear-seat occupants.

IMPALA

CHEVROLET IMPALA LIMITED POLICE PACKAGE

THE POWER, PERFORMANCE, AND SAFETY YOU NEED.

In your line of work, front-wheel-drive segment-leading acceleration¹, impressive room, cargo capacity, and safety are key. The Impala has all of that, and more. It's powered by a 3.6L V-6 engine matched to a 6-speed automatic transmission that helps it achieve the best highway fuel economy of any police vehicle¹—an EPA-estimated 28 mpg. Chevrolet's new 2-year/24,000-mile scheduled maintenance program is also included.²

Impala offers tremendous space throughout—105 cubic feet of interior volume and 18.6 cubic feet of cargo volume in the trunk.³ Standard dual head curtain side air bags⁴ for front and rear add to its impressive safety. Impala is available in Marked Patrol and Undercover.

¹Maximum trailer weight ratings are calculated assuming a properly equipped base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers, and cargo will reduce the maximum trailer weight your vehicle can tow.

²When running on E85, Express offers an EPA-estimated mpg of 11 city/16 hwy [6.0L V-8]. E85 FlexFuel capability is not available in AZ, CA, CT, DE, MA, MD, ME, NJ, NY, OR, PA, RI, VT, and WA. E85 is a combination of 85% ethanol and 15% gasoline. Go to afdc.energy.gov/afdc/fuels to see if there is an E85 fuel station nearby.

³Covers only scheduled oil changes with filter, tire rotations, and 27-point inspections, according to your new vehicle's recommended maintenance schedule for up to 2 years or 24,000 miles, whichever comes first. Does not include air filters. Maximum of four service events. See participating dealer for other restrictions and complete details.

⁴Always use safety belts and the correct child restraint for your child's age and size, even in vehicles equipped with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in an appropriate infant, child, or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle's Owner Manual and child safety seat instructions for more information.

⁵Visit onstar.com for coverage map, details, and system limitations.

⁶Tire Pressure Monitoring System does not apply to spare tire.

⁷Map coverage includes only the 48 contiguous United States and portions of Hawaii and Canada. Not available in Alaska, Puerto Rico, or the Virgin Islands.

⁸Not compatible with all devices.

⁹If you subscribe after your trial period, subscriptions are continuous until you call SiriusXM to cancel. See SiriusXM Customer Agreement for complete terms at siriusxm.com. Other fees and taxes will apply. All fees and programming subject to change. For more information about NavTraffic, visit siriusxm.com/navtraffic. For more information about Travel Link, visit siriusxm.com/travelink. XM satellite service is available only to those in the 48 contiguous USA and DC. Sirius, XM, and all related marks and logos are trademarks of SiriusXM Radio, Inc.

¹⁰Go to gmtotalconnect.com to find out which phones are compatible with the vehicle.
