VEHICLES

✓ **EVERY DAY, ANY TASK.**

**THE 2016 CITY EXPRESS.
A MODERN-DAY TASKMASTER.**

The new 2016 City Express combines city-friendly size, interior functionality, and efficiency at every turn to create a vehicle that can navigate tight city streets and your business needs. When your business routine is anything but routine, the City Express checks every box to help keep your business moving in the right direction.

1. Door and Window Configurations Get in, get out, and get on with your day. The City Express features two sliding side doors as well as rear 60/40 doors that open to both 90 degrees and a full 180 degrees. A number of window-glass packages for side and rear doors are available to help reduce blind spots and to keep drivers more aware of their surroundings.

2. Exterior Dimensions With a 186.3" length, a 68.1" width, and an overall height of 73.7," the City Express certainly lives up to its name. These city-friendly dimensions make it well suited for tight parallel parking, navigating narrow city streets, and low overhead clearances.

3. Appearance Package Want to make more of an impression? The City Express has an available Appearance Package that includes body-color bumpers, door handles, outside heated power mirrors, wheel covers, and a black-accented chrome grille.

INTERIOR DESIGN

DO MORE WITH LESS. With 122.7 cu. ft. of cargo space¹ and a 1500-lb. payload², the City Express makes light work of heavy tasks. Plus, with 48" between wheelwells, you can easily load and unload a standard pallet.

1. Cargo-Area Bin Packages¹ There are a number of available cargo bin packages to help unlock additional capabilities within the City Express. Storage solutions for virtually any task include shelving, drawer units, ladder racks, and more.

2. Cargo Fasteners Keep cargo in its place with six steel floor-mounted D-rings and reinforced weld-nut mounting points.

¹ Cargo and load capacity limited by weight and distribution. Published dimensions indicated are without optional equipment or accessories. Additional accessories or equipment ordered at the customer's request could result in a change in these dimensions. ² These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver door jamb.

DRIVER INFORMATION CENTER.

Knowledge is power, and the Driver Information Center provides plenty of it. With this display you can monitor and be alerted to fuel range, average speed, oil life, tire pressure, fuel used, ice warnings, engine hours, average fuel economy, tachometer, outside temperature, and maintenance reminders.

TECHNOLOGY PACKAGE. Amplify your efforts with an available Technology Package¹ that includes a Rear Vision Camera, Color Connected radio with navigation,² 3-month SiriusXM Satellite Radio trial,³ and an integrated USB port.⁴

AVAILABLE REAR VISION CAMERA⁵
On tight city streets and in narrow alleyways, knowing what's behind you can help you leave plenty of room for loading and unloading.

INFOTAINMENT. The City Express offers a range of radio systems that include navigation² capabilities, Bluetooth[®] connectivity,⁶ SiriusXM Satellite Radio,³ and more.

MOBILE OFFICE. A 12-volt outlet gives you the power to run your business from the road, while a total of 13 separate storage spaces and a fold-flat front passenger seat help keep everything in its place.

SAFETY

MOVING YOUR COMPANY FORWARD IS YOUR BUSINESS. Moving you forward safely is ours. Chevrolet has a strong commitment to safety, and the City Express offers a number of features to aid drivers and passengers in staying safe on the road.

1. Air Bags Six standard air bags,¹ including front driver and passenger air bags and front side curtain air bags, help protect passengers in the event of a collision.

2. Four-Wheel Antilock Brakes Standard front disc and rear drum antilock brakes prevent wheels from locking up in braking situations while helping the driver maintain control of the vehicle.

3. Traction Control and Vehicle Stability Systems Tight turns and slick surfaces are everyday hazards. When these systems work together, the road ahead is a much safer place.

¹ A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child, or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the vehicle Owner's Manual and the child safety seat instructions for more safety information.

ENGINES Chevrolet products are equipped with engines produced by General Motors Powertrain or other suppliers to General Motors worldwide. The engines in Chevrolet products may also be used in other General Motors makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries, or suppliers to General Motors worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

A NOTE ON CHILD SAFETY Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child, or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models, and availability. Specifications, dimensions, measurements, ratings, and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes, and laboratory tests.
