CHEVROLET

Spark EV in Electric Blue.

## FIND NEW ROADS™

### THE 2016 SPARK EV: PURE. ELECTRIC. FUN.

*What's an electric vehicle doing with 327 lb.-ft. of torque? Well, for one thing, Spark EV does 0 to 60 in 7.2 seconds! Plus, you'll get up to 82 miles of electric range<sup>2</sup> on zero-emissions power. Add to that technologies like available OnStar 4G LTE and built-in Wi-Fi<sup>®</sup> hotspot<sup>3</sup> and you have the most fun, most efficient EV in its class.<sup>2</sup>*

**DRIVE LIKE AN EAGLE.** Spark EV provides excellent aerodynamics by way of a unique closed grille and ingenious shutter system. The shutter system opens automatically when extra cooling is required, while the full-length underbody panel guides airflow and reduces drag.

<sup>1</sup> Based on initial vehicle movement. <sup>2</sup> EPA-estimated 119 MPGe combined city/highway fuel economy equivalent. Your actual range may vary. <sup>3</sup> Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit [onstar.com](http://onstar.com) for coverage map, details and system limitations.

Spark EV in Electric Blue.

**SPARK EV WAS NAMED ONE OF THE  
“MOST FUEL EFFICIENT ELECTRIC CARS OF 2015”  
BY KELLEY BLUE BOOK’S KBB.COM!**

<sup>1</sup> From Most Fuel Efficient Electric Cars of 2015 on Kelley Blue Book's kbb.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc.

Connected by  4G LTE

1 Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Spark EV does not include functionality such as enhanced voice recognition, Gracenote and CD player. 2 Data plan rates apply. 3 Requires Chevrolet MyLink and compatible iPhone running iOS 6 or later. 4 Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit [onstar.com](http://onstar.com) for coverage map, details and system limitations. 5 Requires compatible mobile device and active OnStar subscription. Visit [onstar.com](http://onstar.com) for details and system limitations.

**GO ALL IN.** Spark EV fits four comfortably with 86.3 cubic feet of passenger space – that’s more room than FIAT 500e and smart electric drive. There’s enough room for everything you need to bring along. Get in and go.

**MOVE WITH YOUR MUSIC.** Access your favorite music and media with Chevrolet MyLink<sup>1</sup>, which comes with great entertainment apps like TuneIn<sup>2</sup> global Internet radio and Pandora<sup>®</sup> Internet Radio<sup>2</sup>. You can also utilize Siri Eyes Free<sup>3</sup> to make calls, play music, or get directions with your voice when you pair your compatible iPhone.<sup>®</sup>

**THE ULTIMATE BUILT-IN WI-FI HOTSPOT.** After initial setup, whenever your Spark EV is on, available 4G LTE Wi-Fi is automatically on too. It offers great signal quality and bandwidth for up to seven devices<sup>4</sup>.

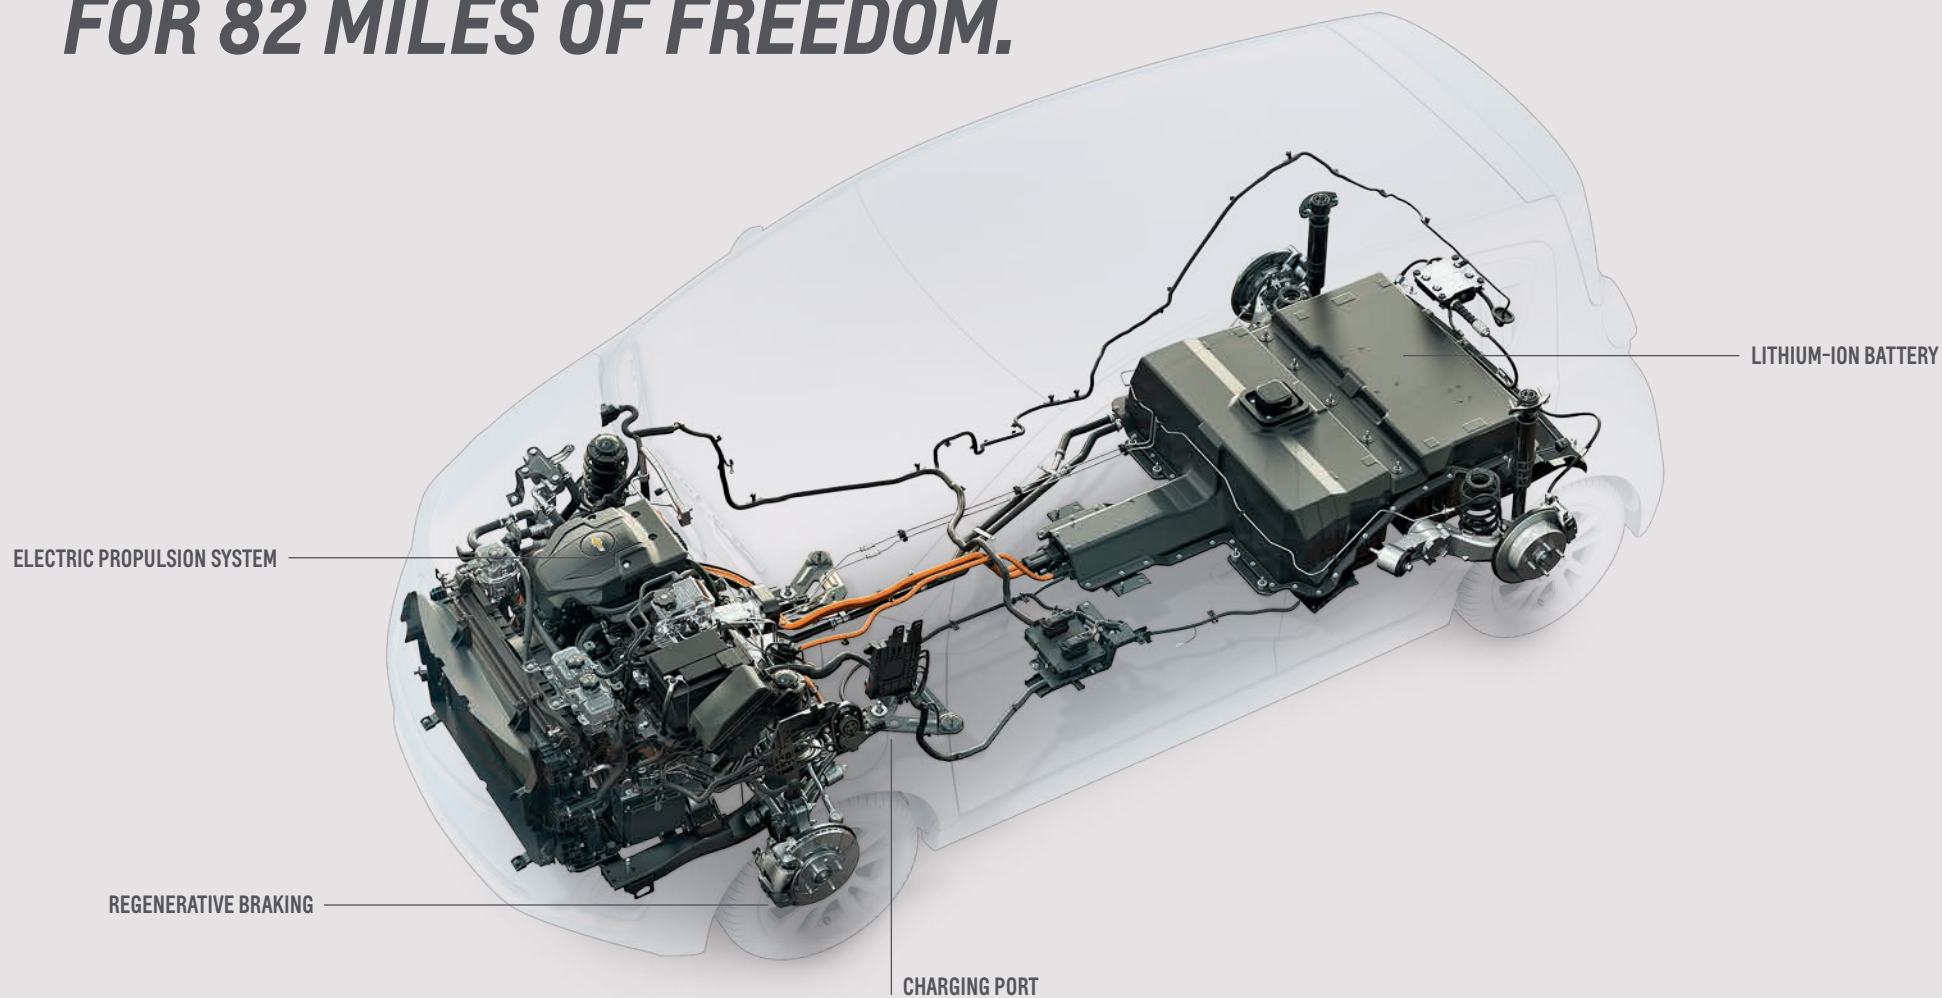

**PERSONALIZED TECHNOLOGY.** Download the OnStar RemoteLink<sup>®</sup> mobile app<sup>5</sup> to your smartphone or tablet to remotely start, lock and check the battery charge of your Spark EV. You can even locate your vehicle from almost anywhere you have cell service.

**BRIGHT – INSIDE AND OUT.**

1. Get instant efficiency feedback and battery info from the LCD Driver Information Center.
2. The center 7-inch diagonal color LCD touch-screen displays energy usage and source of power.
3. Enjoy total control without your hands ever leaving the steering wheel.
4. This is your direct connection to the ingenious Electric Propulsion System.

# GAS-FREE. EMISSIONS-FREE. FOR 82 MILES OF FREEDOM.

<sup>1</sup> Based on initial vehicle movement. <sup>2</sup> Using the portable 120V charge cord will take approximately 18 hours at the 12-amp setting. <sup>3</sup> EPA-estimated 119 MPGe combined city/highway fuel economy equivalent. Your actual range may vary. <sup>4</sup> Whichever comes first. See dealer for limited warranty details.

**ELECTRIC PROPULSION SYSTEM.** Without a traditional transmission, 327 lb.-ft. of instant torque has nowhere to go besides directly to the tires and the road. Bottom line: 0 to 60 mph in 7.2 seconds.<sup>1</sup>

**REGENERATIVE BRAKING.** Even the simple act of braking has been taken to the next level. This ingenious system captures energy that would otherwise be lost while braking, decelerating or going downhill and recycles it back into the battery. Now that's energy innovation.

**CHARGING PORT.** The standard 120V charging unit<sup>2</sup> provides a full charge in 18 hours. The available 240V charger can charge in only seven hours. Owners and lessees are eligible for up to a \$500 discount toward the purchase of a 240V charger from Bosch.<sup>®</sup> Visit the Bosch Automotive Service Solutions website for more information.

**LITHIUM-ION BATTERY.** The thermal-conditioned lithium-ion battery delivers zero-emissions power and 82 miles of EV range.<sup>3</sup> The battery is backed with an 8-year/100,000-mile<sup>4</sup> Battery and Specific Electric Propulsion Components Limited Warranty.

### INTERIOR (CONTINUED)

	1LT	2LT
Remote vehicle starter system: Cabin preconditioning	●	●
Steering wheel: 3-spoke, silver-color accents	●	–
Leather-wrapped, 3-spoke, silver-color accents	–	●
Steering wheel controls: Mounted controls for audio, cruise and phone	●	●
Windows: Power, front and rear	●	●
<b>SEATING</b>		
Seats: Front high-back buckets with adjustable head restraints	●	●
Heated driver and front passenger	●	●
Seat adjuster: Driver 4-way manual with manual recline	●	●
Passenger 2-way manual with manual recline	●	●
Seat: Rear, 60/40 split-folding with adjustable outboard head restraints	●	●

### AUDIO SYSTEMS

Chevrolet MyLink <sup>®</sup> Radio: 7-inch diagonal color touch-screen, AM/FM stereo with seek-scan and digital clock, includes Bluetooth audio streaming <sup>7</sup> for select phones, smartphone app integration for Pandora <sup>®</sup> Internet Radio, <sup>9</sup> Tuneln <sup>®</sup> and Stitcher SmartRadio, <sup>10</sup> compatibility for Siri Eyes Free <sup>10</sup> voice recognition, and 6-speaker system	●	●
Sirius XM Satellite Radio <sup>11</sup> All Access Package with 3-month trial subscription	●	●
USB port <sup>12</sup> and auxiliary input jack	●	●
OnStar 4G LTE and built-in Wi-Fi hotspot for up to seven devices, <sup>13</sup> includes data trial for 3 months or 3 GB (whichever comes first)	●	●

### WHEELS

15" aluminum <sup>3</sup>	●	●
---------------------------	---	---

<sup>1</sup> Extra-cost color. <sup>2</sup> Available only on 2LT. <sup>3</sup> These wheels are paired with summer-only tires. Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to [gmaccessorieszone.com](http://gmaccessorieszone.com) or see your dealer. <sup>4</sup> Enables vehicle to be charged using third-party SAE Combo DC Fast Charge stations. <sup>5</sup> A NOTE ON CHILD SAFETY: Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and the child safety seat instructions for more safety information. <sup>6</sup> Visit [onstar.com](http://onstar.com) for coverage map, details and system limitations. <sup>7</sup> Go to [my.chevrolet.com/learn](http://my.chevrolet.com/learn) to find out which phones are compatible with the vehicle. <sup>8</sup> Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Spark EV does not include functionality such as enhanced voice recognition, Gracenote and CD player. <sup>9</sup> Data plan rates apply. <sup>10</sup> Requires compatible iPhone running iOS 6 or later. <sup>11</sup> If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at [siriusxm.com](http://siriusxm.com). All fees and programming subject to change. <sup>12</sup> Not compatible with all devices. <sup>13</sup> Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit [onstar.com](http://onstar.com) for coverage map, details and system limitations.

## WARRANTY

### 5-YEAR/60,000-MILE TRANSFERABLE POWERTRAIN

**LIMITED WARRANTY** Every 2016 Chevrolet Spark EV comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. Plus, you get 5 years/60,000 miles (whichever comes first) of the 24/7 Roadside Assistance Program and 8 years/100,000 miles (whichever comes first) of the Courtesy Transportation Program, and much more. See dealer for details.

**NEW VEHICLE LIMITED WARRANTY** GM vehicles registered in the USA are covered for 3 years/36,000 miles (whichever comes first). The complete vehicle is covered, including tires, towing to your nearest Chevrolet dealership and cosmetic corrosion resulting

## IMPORTANT INFORMATION

**CHEVROLET OWNER CENTER (MY.CHEVROLET.COM)** Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

**CHEVROLET COMPLETE CARE** Every new 2016 Chevrolet Spark EV comes with 2 years/24,000 miles of scheduled maintenance that includes tire rotations and multipoint vehicle inspections. Covers only scheduled tire rotations according to your new vehicle's recommended maintenance schedule for up to 2 years or 24,000 miles, whichever comes first. Maximum of two service events. See participating dealer for other restrictions and complete details.

**ASSEMBLY** Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

**ONSTAR** OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

**A NOTE ON CHILD SAFETY** Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information.

**IMPORTANT WORDS ABOUT THIS CATALOG** We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details.

from defects. Repairs will be made to correct any vehicle defect, and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

**BATTERY LIMITED WARRANTY** Spark EV battery and specific electric drive components are covered for 8 years/100,000 miles (whichever comes first). The Spark EV battery warranty covers 161 battery components in addition to the thermal management system, charging system and electric drive components. See dealer for details.

Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mini Car segment and latest available competitive information. Excludes other GM vehicles.

**SPARE TIRE INFORMATION** There is no standard jack or spare tire in the 2016 Chevrolet Spark EV. Your vehicle has a tire sealant and compressor kit that uses a liquid tire sealant to temporarily seal up to a one-quarter-inch puncture in the tread area of the tire. After using the tire inflator kit, it is recommended that you take the tire to an authorized retailer for inspection and repair as soon as possible, but at least within 100 miles of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than one-quarter inch, or a tire that has unseated from the wheel. The sealant can only be used on one tire and for one time before its expiration date.

**FLEET ORDERS** Some standard content may be deleted on fleet orders. See dealer for details.

**CHEVROLET OWNERSHIP EXPERIENCE** Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You'll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

**CHEVROLET.COM/SAFETY** Chevrolet is committed to keeping you and your family safe – from the start of your journey to your destination. That's why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.

**GMMOBILITY.COM (1-800-323-9935)** GM Mobility™ offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

**THE BUYPOWER CARD** The Chevrolet BuyPower Card – Every purchase you make with the BuyPower Card from Capital One® helps you earn toward an eligible new Chevrolet, Buick, GMC or Cadillac vehicle. There's no limit on the amount you can earn or redeem, and your Earnings don't expire. Visit chevroletbuypowercard.com/catalogs.

\* Capital One, N.A. is the issuer of the BuyPower Card. General Motors ("GM") is responsible for the operation and administration of the Earnings program.
