SLE V-Jimmy shown with available equipment, including deluxe two-tone paint

ground-gripping traction for any driving situation. And big V8 power packs plenty of hill-climbing, dune-busting torque for operating off the road. Specify either the standard 4-speed manual or available 4-speed automatic overdrive transmission. The standard rear wheel anti-lock brake system helps provide straight, smooth, stable stops on slick or dry pavement (system operates only in the 2-WD model). Inside, V-Jimmy is roomy enough to carry up to five passengers when equipped with the available folding rear bench seat. Or haul up to

106.2 cu ft of cargo with the rear seat folded. When it comes to truck-tough muscle, V-Jimmy's big 1595-lb payload rating speaks for itself (payload includes occupants, cargo and all equipment).

**TWO BEAUTIFUL WAYS TO GO ANYWHERE.** Choose from standard SLX or the extra-luxurious SLE trim package. All models offer a selection of nine solid exterior paint colors, including new Brilliant Blue Metallic and Slate Metallic. Standard features include power tailgate window and an electronically-tuned AM radio with digital clock.

**SLE.** This top-level trim offers a choice of Custom Vinyl or Custom Cloth high-back reclining front bucket seats in Dark Blue, Saddle, Garnet or Gray colors. Other features include deluxe instrument panel, sport steering wheel and auxiliary lighting package.

**SLX.** This attractive package comes with Custom Vinyl high-back front bucket seats in a choice of Dark Blue or Saddle colors. Standard equipment includes gage-type instrument cluster, tinted glass and headlamp-on warning buzzer. See page 6 for further details of SLX and SLE interior/ exterior features.

Available 5-person seating allows 51.3 cu ft of cargo volume behind the folding rear bench seat in the unfolded position

With available folding rear bench seat folded, there's a maximum of 106.2 cu ft of cargo volume

**Top:** SLE interior with available folding rear bench seat in Custom Cloth trim.  
**Bottom:** SLE interior with standard reclining front bucket seats in Custom Cloth trim.

# SUBURBAN

ONE OF AMERICA'S  
MOST WANTED WAGONS

Roof console is included on SLE Suburban with available reclining front bucket seats

Front/rear air conditioning is available (rear shown)

Trailer hitch platform is included as part of the available trailering equipment package

**THE ENDURINGLY POPULAR TRUCK-SIZE WAGON.** Suburban continues to be the one wagon you can count on for genuine full-size space, comfort, strength and power. Equipped with available center and rear seating, it can carry up to nine persons. Or haul up to 167 cu ft of cargo with no rear seat (or available rear seat removed) and center seat folded. Plus, Suburban can move gross trailer weights (weight of trailer, cargo and equipment) up to 9500 lb., depending on model and equipment. Choose from 4x2 or 4x4 versions with big V8 gasoline or diesel power (diesel engine not available in California on 1500 Series models). A 4-speed automatic transmission with overdrive is standard. Rear wheel anti-lock brakes also are standard; on 4x4 models, the anti-lock brakes operate only in the 2-WD mode.

4x4 SLE Suburban shown with available equipment, including deluxe two-tone paint

**GOOD LOOKS AND LUXURY.** Suburban offers two smart trim treatments. Both come with a standard 3-passenger front bench seat. All models offer a selection of 9 standard solid exterior paint colors, including new Brilliant Blue Metallic and Slate Metallic. **SLE.** This available luxury trim features rich Custom Cloth seat upholstery in a choice of Dark Blue, Garnet, Saddle or Gray colors. Other features include full-length floor carpeting, sport steering wheel, power door locks, auxiliary lighting package and simulated woodgrain accents. See page 6 for details. **SLX.** This handsome standard trim offers a choice of Custom Vinyl or Deluxe Cloth seat upholstery in either Dark Blue or Saddle colors. Other features include a full headliner and full-length color-keyed rubber floor covering. See page 6 for details.

3-person seating with standard front bench seat

5-person seating with available reclining front bucket seats and folding center bench seat (SLE models only)

9-person seating with standard front bench seat and available folding center and removable rear bench seats

**Top:** SLE instrument cluster with standard gauges and simulated woodgrain applique.  
**Bottom:** SLE interior with available seating, including reclining high-back front bucket seats.

## OWNER BENEFITS

The GM 3-year/50,000-mile BUMPER TO BUMPER PLUS WARRANTY covers repairs for any new GMC Truck model, including labor and parts, to correct any defects in material or workmanship occurring during the warranty period. The complete vehicle (except tires, which are covered by their manufacturer) will be covered for 3 years or 50,000 miles, whichever comes first. After the first year or 12,000 miles, there is a \$100 deductible per repair visit. Body sheet metal rust-through from corrosion is covered for 6 years or 100,000 miles, whichever comes first. There is no deductible for rust-through repairs. See your GMC Truck dealer for terms of this warranty.

- Rear wheel anti-lock brake system.

**IMPORTANT: A WORD ABOUT THIS CATALOG.** We have tried to make this catalog as comprehensive and factual as possible. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Also, tires shown in illustrations are supplied by various manufacturers. Since some information may have been updated since the time of printing, please check with your GMC Truck dealer for complete details.

**A WORD ABOUT ENGINES.** GMC Truck models are equipped with engines produced by the GM Engine Division, its subsidiaries or suppliers to GM worldwide.

**A WORD ABOUT ASSEMBLY OF GMC TRUCK MODELS.** GMC Truck models are assembled by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce GMC Truck models with different or differently sourced components than originally scheduled. All such components have been approved for use in GMC Truck models and will provide the quality performance associated with the GMC Truck name. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

**A WORD ABOUT UPDATED SERVICE INFORMATION.** GMC Truck Division regularly sends its dealers useful service bulletins about GMC Truck products. GMC Truck Division monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll free 1-800-551-4123.

**A WORD ABOUT CORROSION PROTECTION.** GMC Truck models are designed and built to resist corrosion. All body sheet metal components are warranted against rust-through corrosion for 6 years/100,000 miles. Application of additional rust-inhibiting materials is not required under the corrosion coverage.
