

2018 FORESTER

Subaru Forester. A whole lot to love.

 **SUBARU.**
Confidence in Motion

Do what you love, **and do it often.**

The 2018 Subaru Forester

Inspired to do more. Outstanding versatility, great fuel economy and an impressive safety reputation make the 2018 Forester a favorite when it comes to pursuing your passions with those you care about the most.

Efficient

Its available Lineartronic® CVT gives you optimal MPG at every speed, and combined with its efficient SUBARU BOXER® engine, the Forester earns up to 32 highway MPG.¹

Versatile

Subaru Symmetrical AWD helps you drive with confidence, while the available X-MODE® terrain feature with Hill Descent Control² helps you more easily navigate steep and slippery roads with confidence. There's also 8.7 inches of ground clearance, so you can take on nearly any path.

Safe

Get extra peace of mind for your daily drive with available safety technologies like Blind-Spot Detection,³ Rear Cross-Traffic Alert³ and EyeSight® Driver Assist Technology.⁴ SUBARU STARLINK™ Safety and Security is available as well to help keep you and your Subaru safe and sound.⁵

Spacious

Available reclining rear seats and generous leg room make the cabin especially comfortable for rear passengers, while the available power rear gate gives you easy access to the large cargo area. To maximize its cargo capability, we gave the Forester an extra-wide rear opening as well.

1 EPA-estimated fuel economy for 2018 Forester 2.5i CVT at 32 highway MPG. Actual mileage may vary. 2 Requires Lineartronic® CVT. Not available on 2.5i base models. See your retailer for details. 3 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 4 EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operations and limitations. 5 Activation with subscription is required. See your retailer for details.

Forester 2.5i Touring with Saddle Brown Leather.

SUBARU STARLINK™ Safety and Security

STARLINK™ Multimedia Navigation

Well-equipped Interior

There's a lot to enjoy in the 2018 Forester like rich materials and a large panoramic moonroof to give the cabin a wide-open feeling. There's also a 4.3-inch, full-color multifunction display for accessing info like vehicle settings, average fuel economy and the available EyeSight® Driver Assist Technology.¹

Plus, standard SUBARU STARLINK™ Multimedia gives you access to music, news, navigation and other content through Pandora,® Aha,™ available STARLINK™ apps and more on either a 6.2- or 7.0-inch high-resolution touchscreen. It displays the view from the standard Rear-Vision Camera when you're backing up, too. STARLINK™ Safety and Security² is also available to help keep you and your Subaru safe with services like Automatic Collision Notification that can send the appropriate first responder if an airbag deploys.

¹ EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operations and limitations. ² Activation with subscription is required. See your retailer for details.

Lots of room for lots of possibilities.

Forester 2.5i Limited with Platinum Gray Leather.

© 2018 Forester

The Subaru Forester received the **highest possible 2017 rating for front crash prevention** when equipped with EyeSight.

– Insurance Institute for Highway Safety (IIHS)

An extra set of eyes **every time you drive.**

Pre-Collision Braking

A driver ahead unexpectedly hits the brakes or cuts you off. EyeSight^{®1} warns you, applies brakes to help avoid impact and, at lower speeds, can even help you stop your Subaru.

Adaptive Cruise Control

Traffic doesn't always flow smoothly, so EyeSight[®] doesn't only keep a set speed. The system looks ahead and helps automatically adjust to keep your distance, even in stop-and-go highway traffic.

Pre-Collision Throttle Management

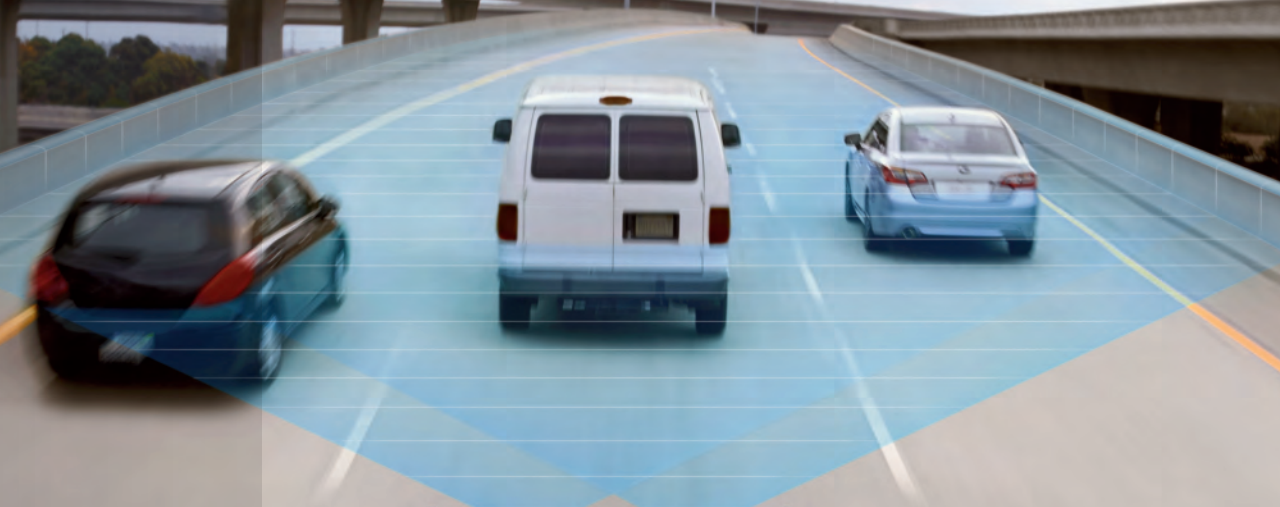

If you put the car in Drive instead of Reverse and EyeSight[®] sees an object in your path, it cuts power to help you avoid accelerating into it.

Lane Departure and Sway Warning with Lane Keep Assist

You accidentally drift to the edge of your lane and begin to cross into another. EyeSight[®] watches for lane markers and chimes to warn you before you leave your lane, and it can even help steer you back into your proper course, thanks to Lane Keep Assist.

¹ EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operations and limitations.

Safe and sound is what we do best.

Enhanced Safety Features

Well-built means well-protected in the 2018 Forester. You can count on standard features like a Rear-Vision Camera and seven airbags.¹ Plus, its standard AWD capability means you'll have control, even in unfavorable weather. There are also available features like Reverse Automatic Braking², as well as LED Steering Responsive Headlights to help you see around corners more easily and available High Beam Assist to automatically initiate and dim the high beams as needed.

Blind-Spot Detection

Using radar sensors, Blind-Spot Detection warns you with a visual indicator in your side mirror if it senses a vehicle in your blind spot. Another feature of this system, **Lane Change Assist**, alerts you with a flashing indicator in your side mirror if it senses a vehicle approaching at a higher speed in a neighboring lane and you signal for a lane change.³

Reverse Automatic Braking

Reverse Automatic Braking² can detect objects directly behind your vehicle when backing up at a low speed and can help bring the Forester to a stop should an object be detected within its range and the driver fail to act. There's also a Rear-Vision Camera to help you keep an eye out.

Rear Cross-Traffic Alert

Rear Cross-Traffic Alert uses radar sensors to help warn you of traffic approaching from the side as you are backing up, utilizing a flashing visual indicator in your side mirror and an audible warning.³

SUBARU
STARLINK
YOUR SUBARU CONNECTED

SUBARU STARLINK™ Safety and Security

Instant access to help when you need it most 24/7, 365 days a year. That's the reassurance of STARLINK™ Safety and Security, which can send first responders when an airbag deploys, help police locate your vehicle if it's stolen, notify you if your vehicle's security alarm is activated, and more.⁴

1 Always wear seatbelts. Children should be properly restrained in the rear seat. 2 This system is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner's Manual for complete details on system operation and limitations. 3 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 4 Activation with subscription is required. See your retailer for details.

A turbocharged **taskmaster.**

Forester 2.0XT

Utility with just the right amount of sport, the Forester 2.0XT features a Direct Injection Turbocharged (DIT) SUBARU BOXER® engine with 250 hp and 258 lb-ft of torque on tap to amp up its performance potential. This advanced engine is mated with a high-torque Lineartronic® CVT featuring paddle shifters with 6- and 8-speed manual modes¹ to help you achieve up to 27 highway MPG,² while keeping things fun behind the wheel.

Pumping out the extra rush the way you want it is Subaru Intelligent Drive (SI-DRIVE) with three distinctive performance modes for customized response at the push of a button. On the outside, its aggressive looks and large 18-inch wheels reveal the fiercer side of the Forester 2.0XT.

¹ 8-speed manual mode with SI-DRIVE Sport Sharp (S#) setting.
² EPA-estimated fuel economy for 2018 Forester 2.0XT at 27 highway MPG. Actual mileage may vary.

Direct Injection Turbocharged (DIT) SUBARU BOXER® Engine

Manual-mode Paddle Shifters and SI-DRIVE

The **best-selling all-wheel drive cars** in America for the past 10 years.¹

IHS Markit

“The Subaru Forester is one of an increasingly rare breed that is **equally adept on-road and off-road.**”

2018 Forester | Trim Levels

2.5i

- 170-hp 2.5-liter 4-cylinder SUBARU BOXER® engine
- Subaru Symmetrical All-Wheel Drive
- 6-speed manual transmission or optional Lineartronic® CVT (Continuously Variable Transmission)
- 17-inch styled steel wheels
- Cloth upholstery
- 6-way manually adjustable driver's seat. 4-way manually adjustable front-passenger's seat.
- SUBARU STARLINK™ 6.2-inch Multimedia with smartphone app integration;⁵ Bluetooth® audio streaming and hands-free phone connectivity
- Manually adjustable CFC-free air conditioning system with air filtration
- Driver's auto-up/down power window
- Analog gauges with LCD display
- Color multifunction display
- Rear-Vision Camera

2.5i Premium

Includes 2.5i key features and adds:

- 17-inch aluminum-alloy wheels
- Panoramic moonroof
- Raised roof rails: black finish
- Rear spoiler
- Body-color side mirrors
- 10-way power adjustable driver's seat
- Reclining rear seatbacks
- SUBARU STARLINK™ 7.0-inch Multimedia Plus with smartphone app integration;⁵ Siri® Eyes Free, SiriusXM® All Access Radio⁶ and Travel Link^{6b}
- SUBARU STARLINK™ Safety Plus enabled⁷
- Dual USB ports
- Automatic climate control system
- Front-passenger's auto-up/down power window
- All-Weather Package⁸
- Privacy glass

Subaru is Kelley Blue Book's **2017 Most Trusted Brand, Best Overall Brand, and lowest 5-Year Cost to Own.²**

2.5i Touring

Includes 2.5i Limited key features and adds:

- 18-inch aluminum-alloy wheels
- LED Steering Responsive Headlights (SRH) with High Beam Assist (HBA)
- Body-color side mirrors with integrated turn signals
- Chrome accents on lower door cladding
- Keyless Access with Push-Button Start and PIN-code vehicle access
- SUBARU STARLINK™ Multimedia Navigation with SiriusXM Traffic^{9,10}
- 440-watt-equivalent Harman Kardon® audio system with 8 speakers
- EyeSight® Driver Assist Technology¹¹
- Reverse Automatic Braking (RAB)¹²
- Heated steering wheel
- 2-position driver's seat memory
- Dual-zone automatic climate control system
- One-touch folding rear seatback
- Shifter handle with leather boot and gloss black trim

2.0XT Premium

Includes 2.5i Premium key features and adds:

- 250-hp turbocharged 2.0-liter 4-cylinder SUBARU BOXER® engine
- Subaru Symmetrical All-Wheel Drive with X-MODE® featuring Hill Descent Control (HDC)
- Lineartronic® CVT (Continuously Variable Transmission) with manual-mode paddle shifters
- Sport-tuned suspension
- SI-DRIVE
- 18-inch aluminum-alloy wheels
- Auto-on/off headlights
- Sport cloth upholstery
- Leather-wrapped steering wheel and shifter handle
- Shifter handle with leather boot and gloss black trim
- Welcome lighting

Bolder in Black

The 2018 Forester 2.5i Premium Black Edition kicks up your everyday with sharp 18-inch gloss black wheels, gloss black mirror caps and badging, as well as standard Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert^{9,13} EyeSight® Driver Assist Technology^{11,13} and LED Steering Responsive Headlights (SRH) to help you see around corners. Inside, you'll find standout touches like a leather-wrapped steering wheel with paddle shifters, silver and gloss black dash trim, and exclusive Black Cloth seats with Sport Bolsters, to name a few. It's available in Crystal Black Silica, Crystal White Pearl, Ice Silver Metallic and Dark Gray Metallic.

2.5i Premium Black Edition

Includes 2.5i Premium key features and adds:

- Subaru Symmetrical All-Wheel Drive with X-MODE® featuring Hill Descent Control (HDC)
- Lineartronic® CVT (Continuously Variable Transmission) with manual-mode paddle shifters
- 18-inch gloss black aluminum-alloy wheels
- LED Steering Responsive Headlights (SRH)
- Fog lights
- Crystal Black Silica badging and mirror caps
- Exclusive Black Cloth seats with Sport Bolsters
- EyeSight® Driver Assist Technology^{11,13}
- Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert^{9,13}
- Leather-wrapped steering wheel
- Shifter handle with leather boot and gloss black trim
- Silver metallic and gloss black interior accent trim
- Analog gauges with color LCD display and electroluminescent lighting¹³
- Cargo area tray

98% of Subaru Forester vehicles sold in the last 10 years are still on the road today.³

IHS Markit

The Subaru Forester retains **its value better than any other vehicle in its class for 2017, according to ALG.⁴**

1 Based on IHS Markit total registrations among all-wheel drive vehicles from 2007–2016. 2 2017 Kelley Blue Book Brand Image Awards are based on the Brand Watch™ study from Kelley Blue Book Strategic Insights. Award calculated among non-luxury shoppers. 2017 model-year vehicle's projected cost to own for the initial five-year ownership period is based on the average Kelley Blue Book 5-Year Cost to Own data which considers depreciation and costs such as fuel and insurance. For more information, visit www.kbb.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc. 3 Based on IHS Markit U.S. vehicles in operation vs. total new registrations in the Non-Luxury Compact CUV segment for MY2007–2016 as of January 2017. 4 ALG is the industry benchmark for residual values and depreciation data, www.alg.com. 5 Compatible smartphone and applications required. For applications to operate, latest version of each application is required. Data provided by smartphone is displayed on the audio system screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier's rates may apply. 6 Activation and required monthly subscription sold separately. Includes 4-month trial subscription. See your retailer. 7 Activation and required subscription sold separately. Includes 1-year trial subscription. See retailer for details. 8 Standard with manual transmission. Optional with Lineartronic® CVT. 9 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 10 Activation and required monthly subscription sold separately. Includes 3-year trial subscription. See your retailer. 11 EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operations and limitations. 12 This system is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner's Manual for complete details on system operation and limitations. 13 Late availability. See your retailer for details.

2.0XT Touring

Includes 2.5i Touring key features and adds:

- 250-hp turbocharged 2.0-liter 4-cylinder SUBARU BOXER® engine
- Lineartronic® CVT (Continuously Variable Transmission) with manual-mode paddle shifters
- Active Torque Vectoring
- Sport-tuned suspension
- SI-DRIVE

Engine and Drivetrain		2.5i	2.0XT
Engine Power Torque	2.5-liter DOHC aluminum-alloy 16-valve 4-cylinder horizontally opposed SUBARU BOXER® engine with Active Valve Control System (AVCS). 170 hp @ 5,800 rpm 174 lb-ft @ 4,100 rpm	●	—
	2.0-liter DOHC Direct Injection Turbocharged (DIT), intercooled aluminum-alloy 16-valve 4-cylinder horizontally opposed SUBARU BOXER® engine with Dual Active Valve Control System (DAVCS). 250 hp @ 5,600 rpm 258 lb-ft @ 2,000-4,800 rpm	—	●
SI-DRIVE performance management system	Subaru Intelligent Drive (SI-DRIVE) enables three distinctively different modes of vehicle performance characteristics by regulating the engine control unit (ECU) and the transmission control unit (TCU) as well as fine-tuning the electronically controlled throttle.	—	●
Manual Transmission	Fully synchronized 6-speed manual with Incline Start Assist. 2.5i and 2.5i Premium: Standard. 2.5i Limited, 2.5i Touring, 2.0XT Premium and 2.0XT Touring: Not available.	●	—
Automatic Transmission	Lineartronic® CVT (Continuously Variable Transmission) with Adaptive Control, Incline Start Assist and 6- and 8-speed manual modes (2.0XT models). 2.5i and 2.5i Premium: Optional. 2.5i Limited, 2.5i Touring, 2.0XT Premium and 2.0XT Touring: Standard.	○	●
CA Emissions		LEV III/SULEV 30	LEV2
Maximum towing capacity	1,500 lbs	●	●
Traction and Stability			
All-Wheel Drive type	Subaru Symmetrical All-Wheel Drive	●	●
X-MODE®	X-MODE® optimizes engine output and transmission ratio, increases all-wheel drive system engagement and uses enhanced control of the VDC system to reduce individual wheelspin, providing optimal traction on low-friction surfaces. 2.5i: Not available. 2.5i Premium: Optional! 2.5i Limited, 2.5i Touring, 2.0XT Premium and 2.0XT Touring: Standard.	○	●
Hill Descent Control (HDC)	X-MODE® also incorporates Hill Descent Control (HDC) that helps to maintain a constant vehicle speed when traveling downhill, enhancing vehicle control. 2.5i: Not available. 2.5i Premium: Optional! 2.5i Limited, 2.5i Touring, 2.0XT Premium and 2.0XT Touring: Standard.	○	●
Vehicle Dynamics Control (VDC)	VDC electronic stability control utilizes sensors that constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate and lateral g-forces. If VDC detects a difference between the driver's intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path.	●	●
Active Torque Vectoring	Active Torque Vectoring works in tandem with VDC, applying braking power to the inside front wheel, resulting in sharper turn-in, more neutral steering and higher cornering limit while turning.	—	○ ²
Traction Control System (TCS)	VDC also incorporates an all-wheel, all-speed traction control system that senses a loss of traction and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion.	●	●

● Standard ○ Optional — Not equipped

● Standard ○ Optional — Not equipped □ Available retailer-installed accessory

Forester | Accessories

Side Window Deflectors. Let the fresh air in while helping to keep the weather out. Black acrylic plastic construction is designed specifically for an exact fit.

May not be legal in all states. Please check your state laws.

Cargo Net. Neatly holds cargo and prevents it from sliding while the vehicle is in motion.

Door Edge Guards. Help protect your door edges from dings and dents with custom-fit, body-colored matched, stainless steel Door Edge Guards. They preserve the appearance of your Subaru while seamlessly blending into the door design.

All-Weather Floor Mats. Custom-fitted, heavy-gauge floor mats help protect the vehicle carpet from sand, dirt and moisture. Not intended for use on top of Carpeted Floor Mats.

Not Dimmed

Dimmed

Auto-Dimming Exterior Mirrors with Approach Light

Make it easier—and safer—to come and go with the accessory Auto-Dimming Exterior Mirrors with Approach Light.¹

When the doors are opened or unlocked with the key fob, LED lights on the side-view mirrors will help illuminate the way, casting light on all four doors and the ground near the vehicle.

They can also help reduce headlight glare in traffic. When the Auto-Dimming (Interior) Mirror detects excessive light from the rear of the vehicle, the side-view mirrors automatically dim, helping to keep the glare out of your eyes. The brighter the light, the dimmer the mirrors and the better you'll be able to see.

¹ Auto-Dimming Exterior Mirrors with Approach Light are accessory equipment. Requires Auto-Dimming Mirror.

Crossbar Set – Aero. Increase your vehicle's cargo-carrying capabilities by adding a crossbar set. These aero-style crossbars may be used in conjunction with Genuine Subaru roof attachments and carriers.

Rear Seatback Protector. Provides additional protection to the rear seatbacks when lowering the seats to transport larger cargo. Use in conjunction with the Cargo Tray.

Cargo Tray. Tough, durable tray helps protect cargo area. Can be easily removed and rinsed clean.

Rear Bumper Cover. Helps protect the upper surface of painted rear bumper from scratches and dings.

Body Side Molding. Color-matched molding helps protect vehicle doors from parking lot dings while attractively blending with the lines of the car.

Trailer Hitch. Rated at 176 lbs tongue weight with 1,500 lbs of towing capacity. Engineered to the same rigorous standards as the rest of the Forester. Hitch Ball not included. Trailer brakes may be needed.

Luggage Compartment Cover. Keep items in the back out of sight with this fully retractable, maximum-coverage compartment cover.

Auto-Dimming Mirror with HomeLink. This upgraded auto-dimming mirror detects glare and darkens automatically to protect your vision while featuring an 8-point digital compass. Three backlit HomeLink® buttons can be programmed to operate most garage doors, security gates, home lighting and more. Can also provide you with the last status of your garage door (open or closed) if programmed to a compatible opener featuring two-way communication.

Let nothing hold you back.

When your passion is even bigger than your cargo area, Genuine Subaru active lifestyle accessory attachments, manufactured by Thule®, are a smart way to securely transport larger gear like bikes, skis, snowboards, kayaks, paddleboards and more. Each carrier safely attaches to your roof rack and can be removed if needed.

Thule® Ski and Snowboard Carrier

Thule® Paddleboard Carrier

Thule® Cargo Carrier

Take a Guided Tour

It's the ultimate way to get to know the Forester on your terms. Get up close and personal with color configurators, videos, 360-views, interactive content and so much more.
