Pacer

## AMC Pacer

Because of its unique construction and advanced styling, Pacer combines advantages never found before in a car with a 2.45m (100 in.) wheelbase.

Interior room, for example. Enough for four adults—in comfort—with greater headroom and rear seat leg-room than many larger cars. There is substantial room—0.826 m<sup>3</sup> (29.5 ft<sup>3</sup>) with rear seat folded down.

And the ride! Outstanding smoothness and stability are a result of the extra wide tread and isolated front and rear suspensions. Pacer is designed in a new and stronger manner with a roll-bar type center pillar. Truly a precision driving machine with rack and pinion steering, and the availability of front disc brakes, combining to create an almost magnetic attraction to the road.

For greater passenger convenience, the curb-side door is 9.1cm (3.6 in.) wider than the driver's door allowing for easier entry and exit.

Vision unlimited . . . The almost unrestricted visibility from any seating position inside the Pacer is so unconventional that a new dimension in driving, parking, and safe operation is introduced. Pacer's unobstructed angles of vision exceed that of the best-selling large prestige cars.

*Pacer X seats in luxurious tan Sof-Touch vinyl. This smart optional interior is also offered in black, white, blue and berry.*

*Pacer D/L interior with individual reclining seats. Shown in berry "Basketry Print" fabric. Black, blue and tan are also available with this handsome option.*

*Top: Pacer X—with a sporty flair.*

Pacer is powered by thrifty and dependable AMC Sixes that can go 48,000 km (30,000 miles) between major tune-ups. A 3.8 liter (232 CID) Six is standard; a 4.2 liter (258 CID) engine is available as an option with single or two-barrel carburetor for additional performance. Choice of transmission includes a standard column-mounted 3-speed manual, optional 3-speed floor mounted and Torque-Command automatic.

Pacer looks different because it is different. Read the details on the following pages. Then drive it.

- 1/Pacer
- 2/Large capacity roof luggage rack
- 3/Front vent windows
- 4/Optional rear window wiper/washer for even better visibility.
- 5/Optional 258 CID 2bb1 Six for peppy power and performance.

Pacer D/L instrument panel with air conditioning. AM/FM stereo radio and electric clock options.

1/Extra-wide passenger door for easier access to front and rear seats.  
 2/Roomy cargo area holds 0.826 m<sup>3</sup> (29.5 ft<sup>3</sup>). Easy to get to.  
 3/Easy loading and unloading with a lift gate that opens wide, high and easily.

## Specifications:

### Models: Pacer

- 2-Door Sedan 7666-7

### Standard Features

- 6.95 x 14 unbelted tires, blackwall
- 232 CID six-cylinder engine
- 3-speed manual transmission
- Electronic ignition
- Foam-cushioned seats, front and rear
- Heavy duty 10" clutch
- Folding second seat
- Ventless side glass
- Weather Eye Heating and Defrosting System
- Concealed 2-speed electric wipers and washers
- Dome light actuated by courtesy switches on doors

- Rear window liftgate
- Manual drum brakes
- Ash Tray—front and rear
- Deep-Dip body rust preventative
- 50 AMP "Clear Power" battery
- 37 AMP alternator
- Anti-theft ignition, steering and transmission system
- Rack and pinion steering
- 15 exterior color choices
- Color keyed carpeting
- Fuel tank—83.3 liters capacity (22 gal.)

### Safe Command Features (Standard Features)

- Lap and shoulder belt restraint system
- Energy absorbing steering column and wheel
- Certified flame resistant fabrics
- Two front head restraints
- 4-way hazard warning signals
- Automatic back-up lights
- Front seat back locks
- Inside rear view mirror
- Left hand outside rear view mirror
- Penetration resistant windshield
- Tempered side and rear glass

- Guard rail doors
- Single unit body construction
- Padded sun visors
- Padded instrument panel
- Safety-shaped armrest
- Double safety brake system with warning light
- Self-adjusting brake linings
- Side marker lamps and reflectors
- Parking brake warning light

### Air-Pollution Control Systems (Standard Features)

- Fuel Vapor Control System
- Thermostatically-controlled air cleaner
- Exhaust Gas Recirculation System
- Air Injection "Air Guard" System

## Options

### Economy Options

- Cruise Control (automatic trans. required)
- Radial tires
- Overdrive (with standard transmission only)

### Power and Performance

- Power steering
- Power front disc brakes
- Twin grip differential
- Front sway bar
- Manual disc brakes

### Convenience

- Visibility Group: remote control outside left mirror; visor vanity mirror (lighted); day/night rearview mirror; deluxe electric wipers
- Rear Window Washer/Wiper Package
- Hidden compartment
- All Season Air Conditioning System—includes heavy duty engine cooling, power flex fan, 55-AMP alternator (requires tinted glass—all windows)
- Door vent windows
- Tinted Glass—all windows (required w/AC)
- Rear Window Defogger (electric) includes: 55 AMP alternator and tinted rear window
- Rear Visibility Package—includes rear window washer wiper package and rear window defogger (electric)
- Center Console—includes integral stowage bin, ash tray, and center armrest (w/individual or bucket seats)
- Roof rack

- Tilt Steering Wheel (avail. w/auto trans. column—only)
- Deluxe Wiper System—intermittent action (included in Visibility Group)
- Light Group—includes two courtesy lights; glove box light; ash tray light; dome light switch & engine compartment light
- Fuel Economy Light
- Convenience Group—includes dome/reading light; electric clock; stowage/litter containers; dual horns and lights-on warning buzzer

### Appearance Trim and Packages

- Pacer "X" Package—includes 3-speed manual floor shift; sports steering wheel; Extra Quiet insulation package; slot-style wheels; front sway bar; bucket seats in "Sof-Touch" vinyl; color-keyed scuff molding; woodgrain instrument panel overlay; custom door trim; door pull straps; bumper nerfing strips; Pacer "X" ornamentation (exterior); D 78 x 14 blackwall tires (NA w/Pacer D/L Package)
- Pacer D/L Package—includes bench seats in "Basketry" print fabrics; custom door trim w/pull straps; woodgrain instrument panel overlay; wheel covers; Extra-Quiet insulation package; bumper nerfing strips; color-keyed scuff molding; license plate surround molding; D/L ornamentation (NA w/Pacer "X" Package)
- Decor Group—includes wheel-lip molding; upper door molding; rear hood molding; bright license plate surround molding; wheel covers; lower back panel overlay; rear wheelhouse pad

- Rally Package—includes oil, amp. and temp. gauges; electric clock; center console; leather wrapped sports steering wheel; and tachometer (w/individual or bucket seats)
- Sports steering wheel, 3 spokes, 15" (included in "X" Package)
- Leather wrapped sports steering wheel
- Wheel covers (4) (included w/Pacer D/L Package)
- Styled road wheels (4) 14" x 6" w/trim ring
- Aluminum styled wheels (4) (14" wheels)

### Heavy Duty Items

- Front sway bar
- Heavy Duty Engine Cooling System (standard w/AC) includes: H.D. radiator, power flex fan and fan shroud
- 70 AMP battery
- Handling Package—includes front sway bar, H.D. springs, and H.D. shocks
- Engine Block Heater

### Protection Items

- Extra Quiet Insulation Package—(included in Pacer "X" and D/L Packages)—includes cargo floor deadener w/cargo area carpet; full undercoating; cowl panel—side (upper & lower) & insulation at lock pillar, upper trim & rear floor
- Protection Group—includes floor mats (front rubber w/carpet insert, rear rubber only) and rocker panel molding; scuff molding extensions
- Bumper nerfing strips and bumper guards

### Audio

- AM push button radio
- AM/FM push button Multi-Plex stereo radio w/4 speakers.
- Entertainment Center—Stereo 8-track tape player and AM/FM stereo radio w/4 speakers
- Rear speaker (avail. w/AM Radio only)

### Miscellaneous

- Metric speedometer
- Dual horns (separate from Convenience Group)
- Export headlamps (right dipping amber)
- Export headlamps (left dipping amber)
- Clear lens—Parking light
- Touch-up Paint
- Radio suppression kit
- Coolant recovery system

Gremlin X

GOODYEAR POLYSTEEL RADIAL

GOODYEAR POLYSTEEL RADIAL

Gremlin

## AMC Gremlin

Gremlin is well on its way to becoming a modern automotive classic. Instantly recognizable . . . and now more distinctive than ever with a new grille and squared framed headlamps. High quality and lively, economical performance are accepted facts. Gremlin does everything it is designed to do—exceptionally well.

Four passengers ride comfortably on a 2.44 m (96") wheelbase. In combination with precision steering and suspension this means sure handling, easy parking and a stable, solid ride. Ample luggage and cargo space is easily accessible through the rear window liftgate. New optional front disc and larger rear drum brakes insure positive smooth stops.

Interior trims are available in various colors. Trim and tailoring reflect a level of quality found in all American Motors products.

New interior options offered include a center console with locking storage for bucket seat models and a snap-down, vinyl tonneau cover for the area behind the folding rear seat. The youthful "Levi's"® interior is a popular and exclusive option to American Motors.

Mechanical highlights include a new electrical choke for six cylinder engines, electronic ignition—and as options, fuel saving overdrive (six cylinder models) and a new economy-ratio rear axle with automatic transmission.

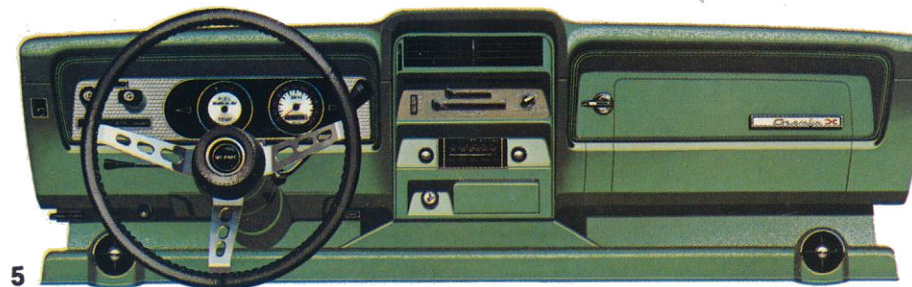

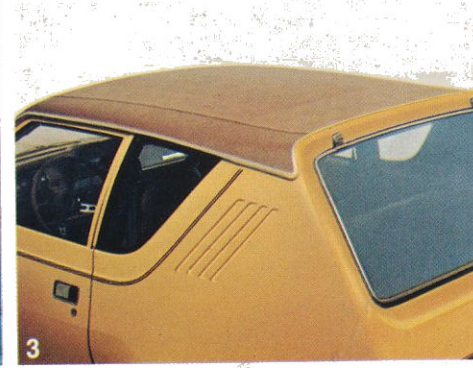

*Levi's trim interior adds the famous denim look to your Gremlin Option.*

*Gremlin Custom bench seats upholstered in the new Potomac Stripe fabric. Available as an option in tan, black, blue & green.*

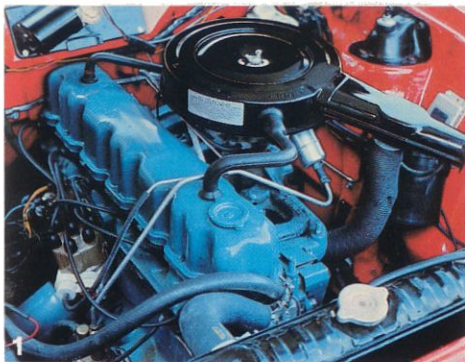

Power train choices are a standard 3.8 liter (232 CID) Six with 3-speed, floor-mounted manual transmission; optional engines include either 4.2 liter (258 CID) Six or 5 liter (304 CID) V-8. Optional floor- or column-mounted Torque-Command automatic transmission is also available. All engines are able to go 48,000 km (30,000 miles) between major tune-ups and will operate economically on regular, low-lead, or no-lead fuel.

For Gremlin at its sportiest, consider the "X" package, forged aluminum wheels, or vinyl roof. These and other options and details are found on the following pages.

1/Gremlin Custom (rally stripe optional).  
 2/Padded armrest and road map pocket for added convenience.  
 3/Vinyl roof is available in a choice of six colors.  
 4/Rear window defogger for better visibility.  
 5/Gremlin X instrument panel with these options: AM/FM stereo radio, air conditioning, leather-wrapped sports steering wheel, rear window defogger.

1/Gremlin's standard power plant is a 232 CID Six for fine performance with excellent fuel economy.

2/0.75 m<sup>3</sup> (26.9 ft<sup>3</sup>). of handy cargo space with rear seat folded down.

3/Twin-strut lift gate opens easily for ready access to cargo area. Closes tightly, too.

## Gremlin/Specifications

### Exterior

## Specifications

### Models: Gremlin

- 2-Door Sedan (base) 7646-3
- 2-Door Sedan (custom) 7646-5

### Standard Features

- 6.45 x 14 unbelted tires, blackwall
- Vinyl cover for spare tire
- Floor covering—rubber (model 46-3), carpeting (model 46-5)
- Weather Eye heater and defroster
- Step-on parking brake
- Suspended pedals (brake, clutch and accelerator)
- 2-speed electric windshield wipers
- Long wearing, easily cleaned vinyl upholstery
- Plug-in socket for main wiring harness
- Ash tray, front, ball-bearing
- Deep-Dip body rust preventive
- Double-coat, baked acrylic enamel finish
- Dual pin stripe (model 46-5 only)

- Dome light actuated by courtesy switches on doors
- 50 Amp. "Clear Power" battery
- 37 Amp. alternator (55 with air conditioning)
- Electronic ignition
- Side-of-car, scissors action tire jack
- Foam front and rear cushion pads
- Sway bar, front (V-8 only)
- Fold down rear seat back
- Rear window liftgate
- All-synchromesh, 3-speed manual transmission
- Heavy duty 10" clutch
- Fuel tank—21 gal. capacity (79.5 liters)

### Air-Pollution Control Systems (Standard Features)

- Positive crankcase ventilation
- Fuel vapor control system
- Air-Guard system (V-8 only)
- Thermostatically controlled air cleaner
- Exhaust gas recirculator

### Safe Command Features

#### (Standard Features)

- Lap and shoulder belt restraint system
- Certified flame resistant fabrics
- Two front head restraints
- 4-way hazard warning signals
- Automatic back-up lights
- Side-of-car safety marker lights
- Inside rear-view mirror
- Left side rear-view mirror
- Windshield washers (electric)
- Single-unit body construction
- Energy-absorbing steering column
- Energy-absorbing steering wheel
- Energy-absorbing front bumper
- Steel reinforced rubber bumper guards, rear
- High-strength windshield glass

- Tempered side and rear glass
- Guard rail doors
- Captive engine mounts
- Padded sun visors
- Padded instrument panel
- Double-safety brake system w/warning light
- Self-adjusting brake linings
- Anti-theft ignition, steering and transmission lock with warning buzzer
- Front seat-back lock
- Soft-feel instrument panel control knobs with international codes
- 2-key locking system
- Soft-feel horn bar
- Parking brake warning light

## Options

### Power and Performance

- Power steering
- Manual disc brakes, front
- Power disc brakes, front
- Twin grip differential

### Convenience

- Console (w/bucket seats 46-5 model only)
- Air conditioning system, 40 Amp. alternator w/V-8 (55 Amp. w/6 Cyl.), heavy duty engine cooling, 50 Amp. battery
- Air conditioning group: air conditioning system plus power steering, tinted glass
- Tinted glass, all windows or windshield only
- Tailgate air deflector
- Roof rack
- Rear quarter vent windows
- Tilt steering wheel including custom steering wheel automatic transmission column-only
- Fuel economy gauge
- Cruise-Control (w/auto transmission only)
- Convenience group: dome/reading light, electric clock, stowage/litter containers, dual horns, and lights-on warning buzzer
- Visibility group: remote control left outside mirror, visor vanity mirror, day/night rearview mirror, deluxe electric wiper
- Deluxe electric wipers, intermittent action
- Light group: two courtesy lights, glove box light, ash tray light, and engine compartment light
- Space-saver tire

- Rear window defogger (electric) includes 40 Amp. alternator w/V-8 (55 Amp. w/6 cyl.) and tinted rear glass
- Hidden compartment (vinyl tonneau cover)

### Appearance Trim and Packages

- Vinyl roof
- Rally stripes optional in 6 colors
- Bench cushion, custom fabric (NA 46-3)
- Bucket seats, vinyl (NA 46-3)
- Gremlin "X" package: spear side decal, slot style wheels w/trim rings, special "X" back panel overlay, instrument panel overlay decals, Extra-Quiet insulation package and D-70 x 14 black tires (NA 46-3)
- "Levi's"® custom trim package (fabric): blue denim bucket seat trim w/"Levi's" buttons and door panels, stowage/litter containers in blue denim, blue headlining, sun visors & front fender "Levi's" decal, plus carpeting
- Custom steering wheel
- Leather wrapped sports steering wheel
- Sports steering wheel, 3 spokes, 15"
- Wheel covers (4)
- Styled road wheels w/trim rings (4) 14" x 16"
- Aluminum-styled wheels (4) 14" x 16"
- Decor group: wheel opening moldings and wheel covers
- Interior appointment package: parcel shelf, glove box lock, cigarette lighter
- Carpeted cargo area: carpet on stowage floor, rear wheel houses and rear seat back (NA 46-3)

- Interior decor group: carpeted cargo area, interior appointment package and Extra-Quiet insulation package

### Protection Items

- Extra-Quiet insulation package: (Incl. w/"X" pkg., "Levi's"® and Decor Group)—Includes undercoating-full, hood insulation, roof insulation pad, absorption pads, vinyl foam tape, cargo floor deadener, front & rear floor insulation
- Protection group: stainless steel door edge guards, color-keyed rubber floor mats, inside hood release, and body side scuff moldings
- Bumper guards, front
- Inside hood release
- Scuff moldings

### Heavy Duty Items

- Engine cooling system: heavy duty radiator, power-flex fan and fan shroud (std. w/AC)
- 70 Amp. battery
- H.D. suspension package: heavy duty springs and shocks plus front sway bar on 6 cylinder models, H.D. springs and shocks on V-8's
- Front sway bar, 6 Cyl. (std. on V-8)
- Engine block heater

### Audio

- AM push button radio
- AM/FM push button radio, 4 speakers
- Rear speaker (w/AM only)

### Miscellaneous

- Export headlamps (amber or clear lens)
- Metric speedometer
- Touch-up paint
- Cigarette lighter, separate from appointment package
- Dual horns
- Coolant recovery system
- Clear lens-parking light

Hornet

## AMC Hornet

Value is the word for Hornet. A wealth of features and a range of models make it an ideal choice.

For the family, there are 2-door and 4-door Sedans—roomy, comfortable, gracious. The Hatchback is both sporty and a practical worker, while Sportabout combines the best of both the sedan and wagon worlds.

A smooth and stable luxury ride is offered on a 2.74 m (108") wheelbase. Quality vinyl and fabric upholstery covers deep foam seat padding in all models. There's cut-pile nylon carpeting, a locking glove box, full-width package tray, cigarette lighter and a lot more. A new center console is available on the Hatchback.

The Sportabout carries five adults in a sedan-like atmosphere. With the second seat folded down, a roomy 1.58 m<sup>3</sup> (56.4 ft<sup>3</sup>) of cargo space is available. The optional D/L or "X" interior/exterior packages add such elegant and practical advantages as individually reclining seats and a roof rack. To emphasize the station wagon aspect of Sportabout, you can select woodgrain side and rear panels. The Hornet Hatchback also has a dual work-and-play personality with 855 liters (30.5 cubic feet) of load space with rear seat down. Make it even more interesting with the sporty "X" package with optional forged aluminum wheels.

*Hornet Touring Interior option. Individual reclining seats are covered in tan Sof-Touch vinyl.*

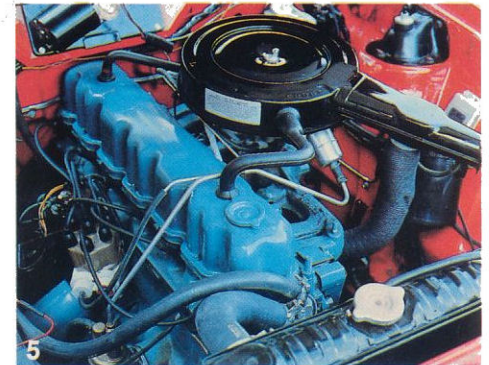

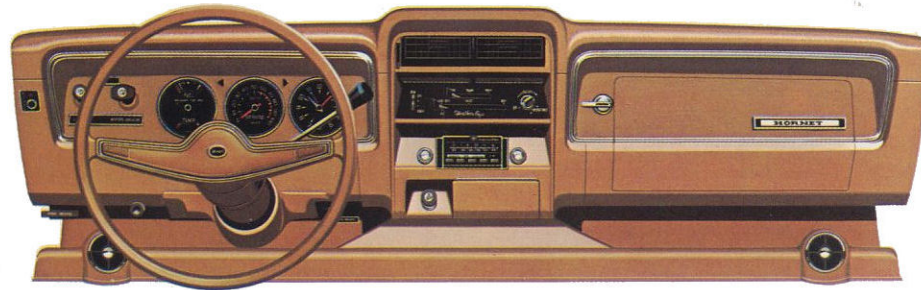

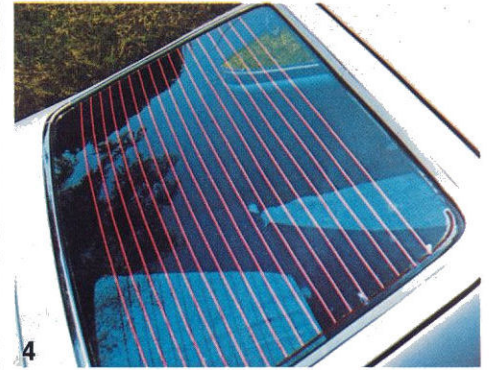

*Hornet D/L interior with optional Kasmir Knit fabric for individual reclining seats.*

Standard engine is a 3.8 liter (232 CID) Six with an optional 4.2 liter Six or 5 liter (304 CID) V-8. All engines are capable of going 48,000 km (30,000 miles) between tune-ups. Overdrive is optional with the standard manual transmission and six cylinder engines. Torque-Command automatic transmission is optional with all engines. A floor-mounted gear selector for standard transmission and Torque-Command can be supplied on the Hatchback.

Engines feature electronic ignition and the Sixes have a new electric choke. All fuel grades are suitable—regular, low-lead, or no-lead.

Pick the Hornet model that matches your needs. You can count on an exceptional value and a bonus of economical, trouble-free performance.

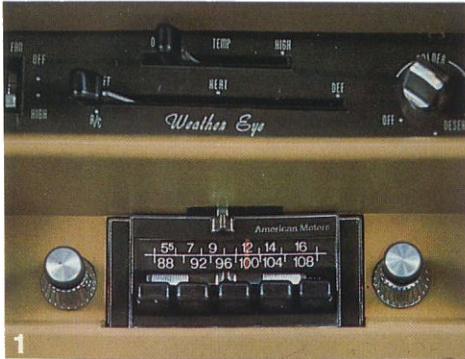

1/Top: Hornet Hatchback.  
2/Hornet's hatch gives access to 0.854 m<sup>3</sup> of luggage space with rear seat folded down.

3/Hatchback's standard rear quarter vent windows flip open, close securely.

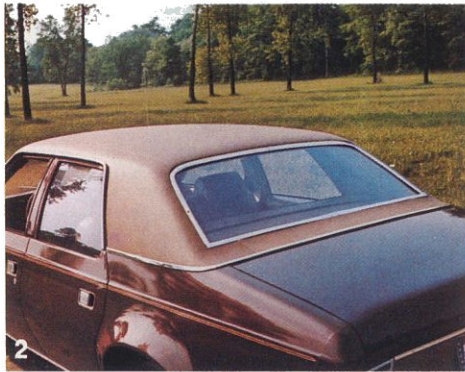

4/Optional rear window defroster.

5/Thrifty and lively Hornet 232 CID Six.

Functional and attractive Hornet instrument panel. Options shown: Visibility Group, AM/FM radio, air conditioning, rear window defogger.

1

2

3

- 1/AM/FM stereo radio—full rich sound and increased station selections.  
2/Vinyl roof option in a selection of six colors.  
3/Day/Night rear view mirror (See Visibility Group.)  
4/Hornet 4-Door Sedan  
5/Hornet Sportabout D/L

- "Hatch" panel on Hatchback
- Hidden compartment storage space for Sportabout w/lock and available as a separate option on Hatchback
- Package tray full width under instrument panel

- Cigarette lighter
- Bench seats, non-reclining
- 6.95 x 14 unbelted cord tires, blackwall
- Fuel tank—22 gal. capacity (83.3 liters)

### Mechanical (Standard Features)

- All synchromesh 3-speed manual transmissions
- "Twin-Ball-Joint" front suspension design
- Coil springs (front), leaf (rear)
- Heavy duty 10" clutch with 3-speed transmission and 232 engine
- Sway-bar, front (V-8 only)
- Step-on parking brake
- Suspended operating pedals
- Captive engine mounts
- Brake diameter sixes, 9 in.
- Brake diameter V-8's, 10 in.
- Brake lining area sixes, 153 in.<sup>2</sup>
- Brake lining area V-8's, 167 in.<sup>2</sup>
- Space saver spare tire (standard on Sportabout)
- 50 Amp. "Clear Power" battery
- 37 Amp. alternator (55 with air conditioning)
- Electronic ignition

### Heating (Standard Features)

- Weather-Eye heater & defroster

### Air-Pollution Control Systems (Standard Features)

- Positive crankcase ventilation
- Fuel vapor control system
- Exhaust gas recirculation
- Air Guard System (V-8 only)
- Thermostatically controlled air cleaner

### Safe Command Highlights (Standard Features)

- Back-up lights & 4-way hazard warning lights
- Rear view mirror left side, exterior
- Inside rear view mirror
- Electric windshield washers (actuating feature as part of wiper control knob)
- Side-of-car safety markers (illuminated with headlights)
- 2-speed electric windshield wipers

- Guard rail doors
- Lap & shoulder belt restraint system
- 2-key locking system
- Double-safety brake system w/warning light
- High strength laminated windshield
- Tempered side & rear glass
- Self-adjusting brake linings
- Two front head restraints
- Padded instrument panel, visors, and front seat back
- Soft-feel instrument panel control knobs with international codes
- Soft-feel horn bar
- Safety shaped armrest
- Anti-theft lockable steering column
- Energy absorbing steering column
- Energy absorbing steering wheel, custom
- Energy absorbing front bumper
- Steel reinforced rubber bumper guards, rear
- Parking brake warning light
- Single-unit body construction
- Certified flame resistant fabrics
- Front seat back locks

## Options

Matador

## AMC Matador

Three models invite your inspection: Coupe, 4-door Sedan and 4-door Wagon. Clearly, these are American Motors' finest. They look the part and the high level of trim and appointments confirms this impression.

The 4-door model's ride is superb on a 3.0 m (118") wheelbase—longest in the American intermediate class. The Coupe's wheelbase is an easy-to-manuever 2.89 m (114"). Coil spring suspension on all four wheels further cushions passengers from road harshness. Operating economy is outstanding for a car of Matador's size. The Coupe's smooth, low-flowing lines are set off by a new horizontal motif grille. Already luxurious, a still higher degree of distinction is available with the Brougham Package.

A new Barcelona Package with a deluxe interior treatment in black or tan and exclusive identification is offered for the Brougham Coupe.

4-door models are ideal family cars with abundant room and a strong emphasis on comfort and convenience. An excellent combination of passenger car and cargo carrier, the Matador Wagon comes in two and three seat models. All popular options are available for all models.

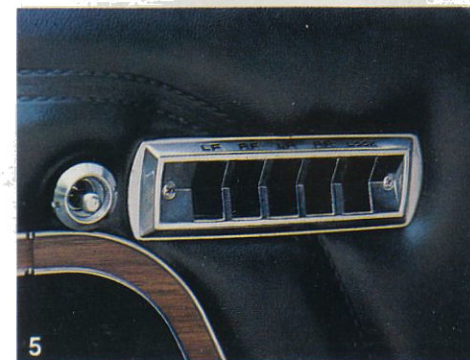

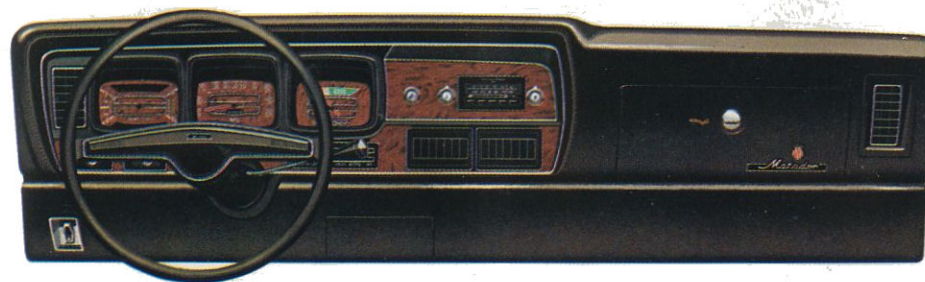

Matador bucket seats shown in Sof-Touch tan vinyl. Other color choices: black, white, and blue.

For the Matador Coupe—individual reclining seats in sumptuous tan Barcelona trim—also available in black.

The Matador Sedan and Coupe standard engine is a 4.2 liter (258 CID) Six with column-mounted 3-speed manual transmission. A 5 liter (304 CID) V-8 is standard in the Matador Wagon; and a 5.9 liter (360 CID) V-8 (2- or 4-barrel carburetors) is optional. Column-mounted Torque-Command automatic transmission is optional. A floor-mounted gear selector is also offered for the Coupe. All engines feature electronic ignition and are thoroughly proven for dependable, efficient operation with regular, low-lead or no-lead fuel.

You can pay far more, but you can't buy better than Matador . . . American Motors' great luxury value.

- 1/Matador Brougham Wagon.
- 2/Matador Wagon can handle up to 2.67 m<sup>3</sup> (95.2 ft<sup>3</sup>) of cargo.
- 3/Matador Wagon's dual tailgate swings like a door for close-up loading.
- 4/Or swings down like a door to provide extra space for an extra long cargo.
- 5/Power lift side windows are optional on the Brougham Sedan and Wagon.

Matador Barcelona instrument panel. Options shown: air conditioning, AM/FM radio, rear window defogger.

1/Opera Window and Padded vinyl roof package add a touch of elegance to the Coupe.

2/Matador Brougham Interior with individually reclining seats trimmed in black fabric. Other colors: blue or tan.

3/Both the Matador Coupe (shown) and the sedan have big, roomy trunks with luggage space for touring.

- Captive engine mounts
- Front sway bar
- Suspended operating pedals
- Step-on parking brake
- Manual disc brakes, front (Sedan & Coupe)
- Power disc brakes, front (Wagon)
- 50 amp. "Clear Power" battery

- 55 amp. alternator
- Electronic ignition
- Parking brake warning light

### Heating (Standard Features)

- Weather eye heater & defroster

### Air-Pollution Control System

- (Standard Features)
- Positive crankcase ventilation
- Fuel vapor control system
- Exhaust gas recirculation system
- Thermostatically controlled air cleaner
- Air-Guard system (V-8 only)

### Safe Command Highlights

- (Standard Features)
- Back-up lights and 4-way hazard warning signals
- Rear view mirror left side, exterior
- 12" day-nite mirror, inside
- Electric windshield washers

- Anti-theft lockable steering column
- 2-speed electric windshield wipers
- Side-of-car markers, illuminated with headlights
- Self-adjusting brake linings
- Lap & shoulder belt interlock system
- Guard rail doors
- Two front seat head restraints
- Energy-absorbing bumper, front & rear
- Steel reinforced rubber bumper guards, front and rear (except rear wagon)
- Padded instrument panel, visors and front seat back
- Soft-feel instrument panel control knobs with international codes
- Soft-feel horn bar
- Energy-absorbing steering column
- Double-safety brake system w/warning light
- High-strength laminated windshield
- Energy-absorbing steering wheel
- Tempered side and rear glass
- Single-unit body construction
- Front seat back locks
- Certified flame resistant fabrics

## Options
