

CAVALIER™

1989 CHEVROLET®

THE *Heartbeat* OF AMERICA  TODAY'S CHEVROLET™

CAVALIER

Coupes. Sedans. Wagons. Convertibles.
A complete family of young cars from Chevrolet.

Cavalier is not just one of America's most popular car lines. It is one of America's most complete car lines.

The high-style Coupe is our most affordable Cavalier. Yet it features a refined 2.0-liter 4-cylinder engine with Electronic Fuel Injection, 5-speed manual transmission, even a Delco AM/FM stereo* with Seek and Scan and digital clock.

*Optional on Cavalier VL Coupe.

Other Cavaliers include the roomy sedan and the even roomier wagon. Coupe, sedan and wagon models are all available with the sporty RS package in 1989. RS equipment includes black-accented exterior trim, dual sport mirrors, larger 14" Touring tires on Rally Wheels, an upgraded Special Sport Suspension, power steering and full instrumentation.

Cavalier's sportiest models are the Z24 Coupe and Z24 Convertible. In addition to exclusive styling, the Z24 features a high-output 2.8 Liter V6 with Multi-Port Fuel Injection, Special Sport Suspension, 14" Eagle GT+4 tires on aluminum wheels and a new Sport Cloth interior. New for '89 on Z24 Coupe, a standard split-folding rear seat offering convenient access to the trunk.

Important: A Word About This Catalog.

We have tried to make this catalog as comprehensive and factual as possible. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details, including details on the GM warranty which covers Chevrolets.

A Word About Engines.

Chevrolets are equipped with engines produced by different operating units of GM, its subsidiaries or suppliers to GM worldwide.

A Word About Assembly of Chevrolets.

Chevrolets are assembled by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. Chevrolets incorporate thousands of components produced by different operating units of GM, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolets with different or differently sourced components than originally scheduled. All such components have been approved for use in Chevrolets and will provide the quality performance associated with the Chevrolet name. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

A Word About Updated Service Information.

Chevrolet regularly sends its dealers useful service bulletins about Chevrolet products. Chevrolet monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll-free 1-800-551-4123.

At your Chevrolet dealer's, financing or leasing your new Cavalier can be as easy as saying GMAC.
