been looking for!*

new **TOWN COUPE** for five

by Dodge

An Entirely New Kind of Dodge Coupe

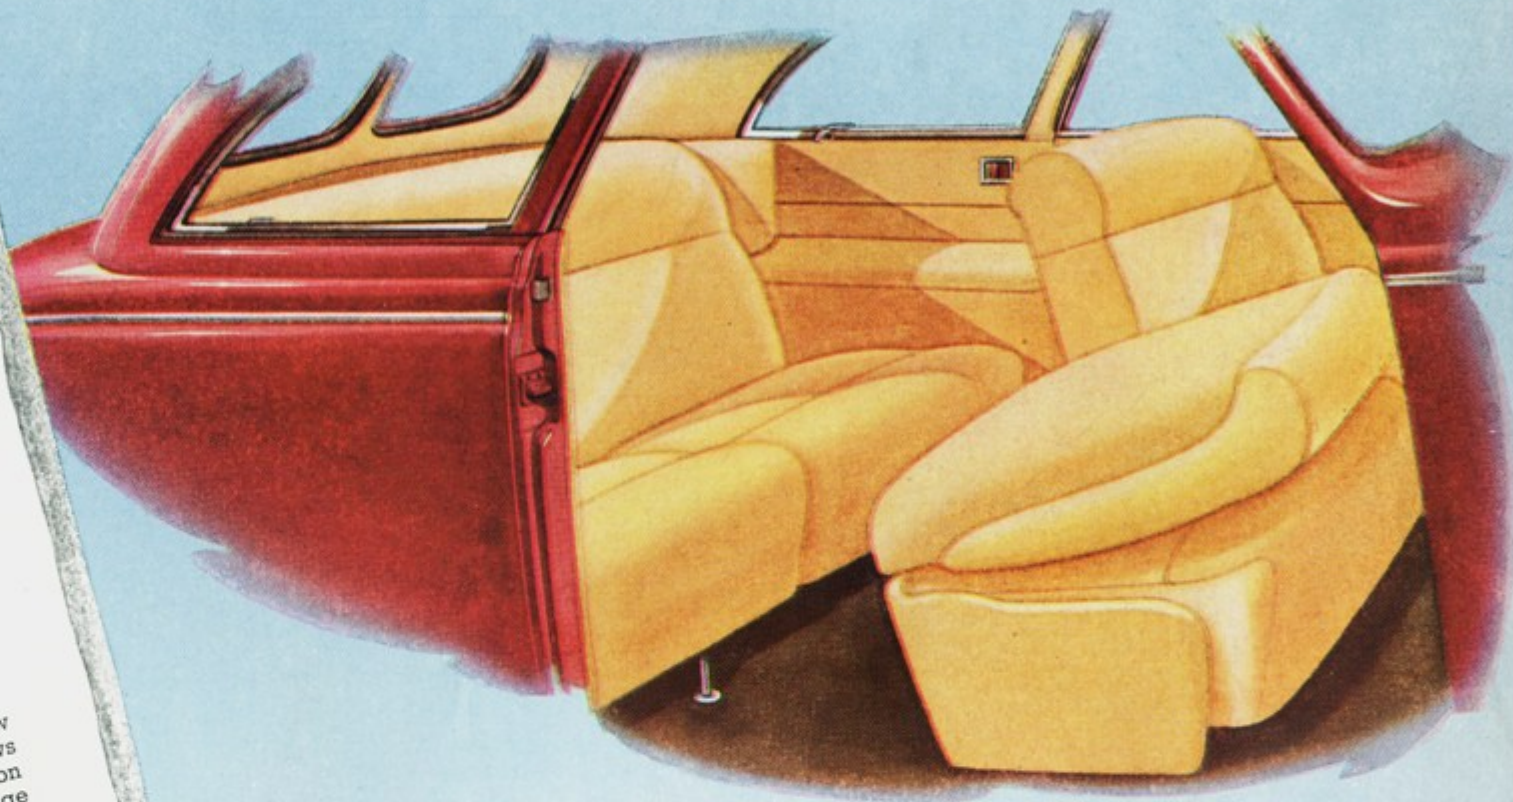

**PLENTY OF ROOM FOR FIVE . . .
WITH ALL THE ADVANTAGES OF A
CONVERTIBLE, PLUS ALL THE
ADVANTAGES OF A CLOSED CAR!**

Here's the kind of car you've been looking for—a car you'll be proud to drive in the most distinguished company! It's an entirely new kind of coupe with plenty of room for five—and all the advantages of both a convertible and a closed car—the smart new Town Coupe for Five by Dodge!

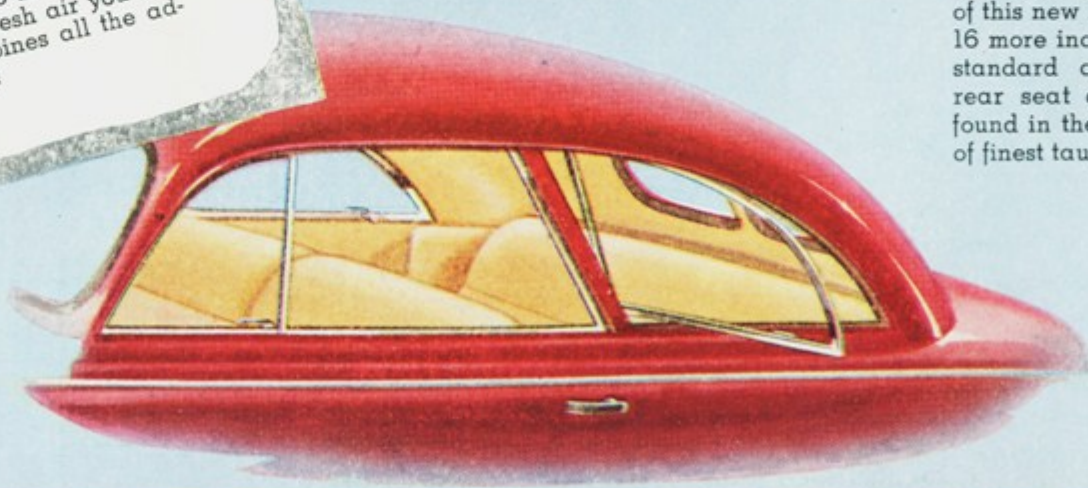

One look at the picture at the right, or on the cover of this brochure, and you'll quickly see this is no ordinary auxiliary seat coupe. Here is an entirely new body design with actually 16 more inches of interior room, front to rear, than in a standard coupe!

See how effectively this additional space has been utilized to give extra roominess and comfort to rear seat passengers! Plenty of leg and foot-room . . . distance from back of rear seat to back of front seat ranges from 23 to 28 inches, depending on front seat adjustment. Rear seats total 42½ inches in width, are 13½ inches from cushion to floor. Here are luxury and comfort comparable to that found in the rear seats of many sedans!

And below you will see pictured another advantage of this new Dodge Town Coupe! See how the extra-large rear quarter windows swing horizontally on center pivots to give plenty of air circulation in the rear compartment. This feature, combined with the extra-large door windows and narrow dividing post, allows you to throw the car "wide open" for better vision and to let in all the fresh air you will ever need! No wonder we say this new Dodge combines all the advantages of both convertible cars and closed cars!

Look at all the room in the spacious rear compartment of this new Dodge Town Coupe for Five. With actually 16 more inches of interior room, front to rear, than in standard coupe bodies, this new Dodge provides rear seat comfort and luxury comparable to that found in the rear seats of many sedans! Upholstery is of finest taupe woven broadcloth!

Rear windows swing on center pivots to give plenty of air circulation in rear compartment. This feature, combined with extra-large door windows and narrow dividing post, allows you to throw the car "wide open" for summer driving!

Take a Look . . . THAT'S ALL DODGE ASKS!
