

# 1976 PLYMOUTH VOYAGER

Voyager Sport on a 127" wheelbase with optional sliding side door.

## VOYAGER

### Riding the trend to multi-purpose vehicles, and setting trends of its own.

No matter what your driving and travel needs may be, Plymouth Voyager is the vehicle you want it to be. It's designed to carry people or things. Little Leaguers, gardening supplies, a week's worth of groceries and your latest finds from the flea market. Then you can load up your camping gear or hitch your trailer and head for another horizon.

A word about load capacity. Voyager

stands 80.0" tall, 79.8" wide and offers three basic lengths: 176", 194" and 212" (extended body). That translates into a range of load capacities from 1185/1080 lbs. in the smallest model wagon up to a whopping 3335 lbs. in the biggest. (See chart on page 8 for more information about load capacities and engines.)

Voyager value features include durable all-vinyl color-keyed seats, armrests, dual 5" x 7" outside mirrors, heat-shielding fiberglass engine cover, power front disc

brakes, electronic ignition, to name a few standards. And in addition to your basic Voyager, there are three trim levels — Custom, Sport and Premium Trim Package — so you can add as much luxury as you like. And check the range of optional equipment for whatever else you need, like a sliding side door, air-conditioning and Automatic Speed Control.

For all seasons, for all reasons, this handsome, versatile 1976 Voyager is one of the most popular Plymouth vehicles on the road today.

Voyager Sport Extended Body on a 127" wheelbase, with optional single rear door.

## VOYAGER (EXTENDED BODY)

**There's a big wide world waiting for you.** And all of it is made for traveling in style, convenience and comfort. Call this Plymouth Voyager a recreational vehicle, a multi-passenger carrier or a big-load workhorse. You'll call it a great all-round vehicle when you see how much versatility and value are built into it.

The total extended body is 212 inches, on a wheelbase of 127 inches. That's 18 inches extra cargo space or seating room for up to fifteen people. With the rear seats re-

moved, you have stretch-out space for two sleeping bags, for another nice instance. The optional single rear door (shown on vehicle above) permits one handed opening and added rearview vision without interfering with Voyager's easy loading capabilities. See Page 5 for detailed seating-and-space plans and overall dimensions.

Include Voyager in your plans for back-road travel and camping. With its rugged suspension and high ground clearance, engine/transmission teams, heavy-duty

options and trailer-towing equipment, there's nothing to hold you back. And to make the ride even more enjoyable, Voyager offers you many options such as air-conditioning, AM/FM radio, power steering and auxiliary heater. You can decide what level of luxury trim you want with your choice of Custom, Sport or Premium trim optional packages in your basic extended body Voyager. No matter which one you own, it can put a lot of get-up-and-go in your life.

# INTERIORS

## A. Voyager and Voyager Custom Standard Interior.

Tailored attractive all-vinyl low-back seats and three-passenger rear bench seat with color-keyed trim and armrests. Available in blue, green, parchment and black. Not shown, but included with Voyager Custom are: padded instrument panel, horn bar, padded floor mat, bright instrument cluster trim, cigarette lighter.

## B. Voyager Sport Standard Interior.

Smart pleated all-vinyl front bucket seats and three-passenger rear bench seat with color-keyed vinyl door-trim, padded side panels, armrests and carpeting.

## C. Voyager Sport Optional Interior.

Cloth-and-vinyl high-back front bucket seats with inboard fold-down front armrests in a smart woven texture available in blue, green or parchment. Three-passenger rear bench seat standard. Color-keyed carpeting, padded side panel trim and door trim.

## D. Voyager Premium Interior.

High-back front bucket seats and three-passenger rear bench seat with decorator stripes in cloth-and-vinyl and parchment or gold vinyl interior trim plus inboard fold-down front armrests. Color-keyed carpeting on engine cover. Matching vinyl side panel trim for handsome, first-class styling.

Not shown, but included: padded instrument panel, horn bar, cigarette lighter and bright instrument cluster trim in Sport and Premium Trim Packages.

# ENGINEERING, A VOYAGER STRONG POINT

**Push-out windows** in side-door and opposite side have strong latches that lock securely. Children can't climb out window openings.

**Heater** is located in engine compartment to give more room in front compartment. Auxiliary rear heater is also offered as optional equipment.

**Full-foam front seats** are 20 inches wide, with square corners for broad support and comfort.

**Electronic Ignition System.** Has no points or condenser. Contributes to spark plug life and low maintenance costs.

**Two-stage front door check** keeps door from closing as you enter and leave.

**Sun visors** are full-width for protection from sun's rays.

**Standard 225 Six or 318 V-8.** These engines are tested performers that offer most drivers excellent driveability plus economy.

**Large engine hood.** Makes access simple and easy for maintenance and repair work.

**Optional Single Rear Door** is full width and offers good visibility out the rear.

**Easy Access** to cargo area in all models.

**Gas tank** has a large 22.1 gallon capacity. A 36-gallon tank is optional.

**Rust protection** uses galvanized coatings where rust or corrosion could be a problem.

**TorqueFlite Automatic Transmission.** Rugged and dependable. No maintenance, except for fluid checks, under normal driving conditions. Fluid level warning light is standard.

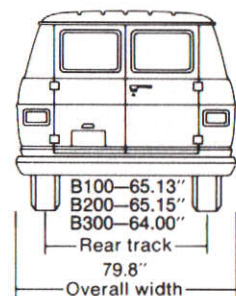

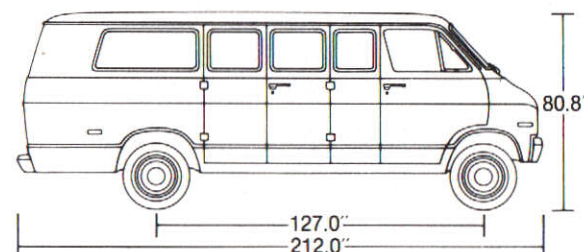

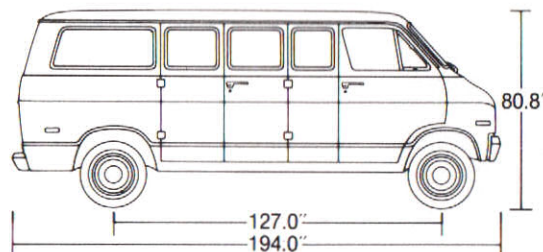

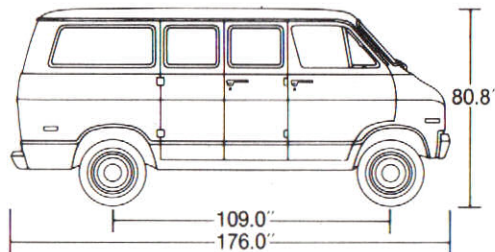

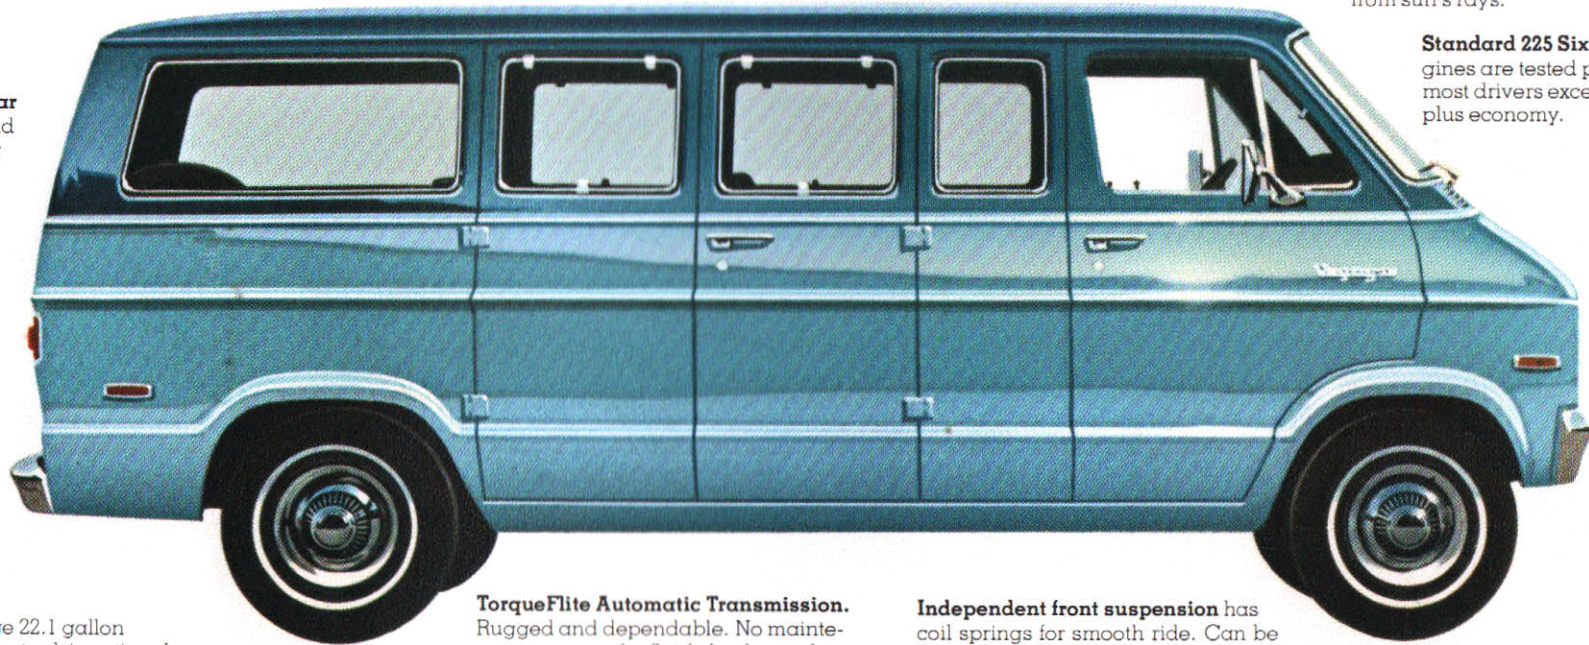

**Independent front suspension** has coil springs for smooth ride. Can be adjusted on passenger-car alignment equipment.

**Fiberglass engine cover** is designed to shield you from heat and noise. Easily removed for maintenance.

**Optional Sliding Door** is available on all 127" models. Recommended for easy loading in narrow places.

**Long 109 inch and 127 inch wheelbases** for easy riding and handling are combined with a short turning radius for nimble maneuvering.

**Power front disc brakes.** Are fade-resistant. Rear brakes are self-adjusting drum-type.

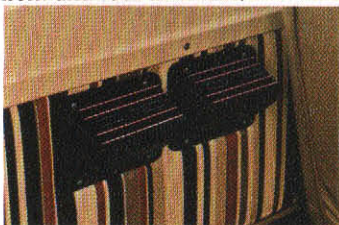

# VOYAGER OFFERS BOTH CONVENIENCE AND COMFORT

Optional Trailer-Towing Packages are available for light or heavy-duty hauling.

Optional air-conditioning (front or front-and-rear available).

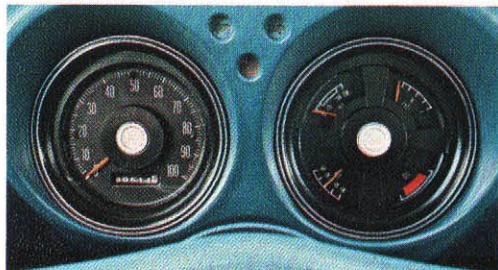

Optional rear air conditioning vents.

Push-button AM/FM radio.

Car-style instrument panel in padded, color-keyed vinyl with controls and dials easy-to-read and-reach. Steering wheel is positioned at a comfortable passenger-car angle. Optional air conditioning has four centralized ducts.

Easy-to-read circular dials.

Optional Automatic Speed Control lets you select speed and hold that speed during highway travel. Contributes to fuel economy as well as driver comfort.

## Exercise Your Options.

- Convenience package • Insulation package • Trailer-towing, (light and heavy-duty packages) includes 52-amp alternator, 70-amp-hr. battery, increased cooling, heavy-duty variable load flasher and wiring harness. ## 1976 COLORS

**NOTE:** Due to occasional printing irregularities, the colors shown may vary slightly from actual hues. See your Plymouth Dealer for accurate color chips.

\*Additional Charge

## and here's "The Clincher!"

**For the first 12 months of use, any Chrysler Motors Corporation dealer will fix, without charge for parts or labor, any part of our 1976 passenger cars we supply (except tires) which proves defective in normal use, regardless of mileage.**

**The owner is responsible for normal maintenance service such as changing filters and wiper blades.**

We'll even replace many of the expensive parts that could just wear out if you drive enough miles that first year. Even though they're not defective. Brake drums and linings, mufflers, shock absorbers, clutch and pressure plates, tailpipes, headlamps, disc brake discs and pads. All we expect of you is normal, routine maintenance, such as changing filters and wiper blades.

If you make an appointment to come in for warranty repairs and the job can't be completed in one working day, participating dealers will supply you with a loaner. Free.

It's part of our new Owner Care Program. And it's going to take better care of you and all the people who buy our cars.
