

DeVille

Commemorating half a century of prestige, power and panache.

Special amenities for a special DeVille.

The original DeVille appeared in 1949. And it helped Cadillac win the first Car of the Year Award ever presented by *Motor Trend* magazine. Since then, DeVille has been an integral part of America's automotive passion. In honor of that bond, this special edition DeVille is equipped in full measure. Included is 50th anniversary identification on the exterior sail panels and seats, premium White Diamond paint, 16" chrome wheels, cassette and single-slot CD player, Nuance leather seating areas, Zebrano wood trim, a Northstar 32-valve V8 and more. Dealer-installed options include a hands-free voice-activated cellular phone as well as the OnStar System. Once again, DeVille is poised to make history.
