

2019 CONTINENTAL

THE LUXURY EXPERIENCE REDEFINED

Time is the ultimate luxury, which is why Lincoln is dedicated to helping you spend more of yours the way you prefer. As a Continental driver, you'll be able to access remote vehicle features, contact a Lincoln Concierge, and find and pre-pay for parking in select cities, easily with the Lincoln Way™ app on your mobile device.¹ With complimentary Lincoln Pickup & Delivery,² you can continue seamlessly through your day while we service your vehicle.² Plus, Lincoln is working with CLEAR[®] to help you soar through lines at the airport.³ It's all part of an exclusive collection of services we call the Lincoln Way – benefits designed to help uncomplicate your life and make each day more effortless.

Warmly greeting you with a series of illuminating gestures, Continental senses your approach. Dynamic signature lighting⁴ in its adaptive headlamps flows gracefully outward, while luminous welcome mats quietly appear. Grasp the beautifully backlit handle of your door, and it opens with ease. Close it, and the autofold sideview mirrors⁴ unfold to your personalized settings. The 2019 Continental embodies your elegantly refined approach to life – making it the ideal companion for the ride.

¹Lincoln Way app is available via download and compatible with select smartphone platforms. Learn more at lincolnway.com. Message and data rates may apply. ²Lincoln Pickup & Delivery is valid for owners of 2017 or newer model-year Lincoln vehicles. Service available for retail and warranty repairs. CRAFTED FOR YOUR JOURNEY

Designed with an emphasis on providing a serene experience, the beautifully detailed interior environment of Continental is crafted to be physically comforting, visually soothing and peacefully quiet. Relax into the Perfect Position front seats¹ trimmed in Bridge of Weir Deepsoft™ leather¹ created exclusively for Lincoln by the historic Scottish tannery. Inspired by private aircrafts, Perfect Position seats¹ feature a patented comfort-carrier design that flexes around you in a personalized embrace. Each thigh cushion extends and adjusts independently to help support both of your legs, the one at rest and the one engaging the pedals as you drive. Heated and ventilated settings¹ help optimize your comfort in any climate, while the Active Motion® massage functionality¹ helps reduce muscle fatigue in your upper legs and lower back. Arrive feeling revitalized and refreshed in Continental.

While the dual-panel moonroof¹ invites all to bask in the sun, the vivid head-up display^{1,2} uses Digital Light Projection technology to help the driver stay informed – even when wearing polarized sunglasses and in bright lighting conditions. Customize the display by adjusting its position and level of brightness, and selecting the details you want to see. Outside, chrome flows seamlessly over the E-Latch door handles, creating a graceful line that quietly contributes to your serenity. Nestle in as your power-cinch¹ doors finish closing themselves, and enjoy every mile of your journey within these spectacular surroundings.

¹Available feature. ²Don't drive while distracted. See owner's manual for details and system limitations.

You'll delight in the luxurious comfort and harmonious design Continental offers to all. In addition to the generous leg room featured in both rows, you'll find an exceptional collection of amenities in the Rear-Seat Package. It lets you care for your travel companions in back by offering them the power to control their environment.

First, they'll want to customize the fit of their heated and ventilated outboard seats with Active Motion® massage functionality, plus power-adjustable lumbar support and power recline. Next, they can select a temperature and adjust the power rear-window sunshade. Sunshades can also be extended over both rear-door windows.

All of this can be done while enjoying beautiful views framed by the dual-panel moonroof with power sunshade, and increased airflow from the extra rear registers. With this package, the person riding behind the front-passenger seat even has the ability to move it forward when it's not occupied – creating more room to relax in the back.

PAMPERING EXTENDS TO YOUR COMPANIONS

SPIRITED IN ITS RESPONSE

Empowering you to move with purpose, Continental is driven by the smoothly calibrated V6 engine of your choice. Twin-turbocharging and direct-injection technology help the 3.0-liter and 2.7-liter engines¹ generate virtually instantaneous on-demand power. With the capable 3.7-liter, you get twin independent variable camshaft timing that precisely controls the operation of intake and exhaust valves to help optimize fuel combustion.

Every engine is paired with an engaging SelectShift[®] automatic transmission that puts the control of a manual at your fingertips. Just tap the steering wheel-mounted paddle shifters to change gears when you want, or leave it to Continental. Intelligent all-wheel drive (AWD)¹ is available with any engine to provide you with a dynamic driving experience – rain or shine.

Imagine yourself gliding effortlessly along – at peace with your surroundings. Lincoln Drive Control featuring Adaptive Suspension gets you there by helping to isolate your Continental from road imperfections. To personalize your ride, explore each of the 3 drive modes – Comfort, Normal and Sport. With any of them, Electric Power-Assisted Steering (EPAS) provides steering response and feedback that helps you feel confident behind the wheel.

When you equip Continental with the 400-horsepower² Twin-Turbocharged 3.0-liter V6 engine¹ and Intelligent all-wheel drive (AWD),¹ you'll also benefit from the addition of Dynamic Torque Vectoring.³ This technology works in tandem with AWD to enhance performance by sending up to 100% of the available rear-axle torque to the outside rear wheel while cornering. The result is smooth and seamless – the driving experience of your dreams.

Twin-Turbocharged 3.0-liter V6¹

400 hp²/400 lb.-ft. torque²

Twin-Turbocharged 2.7-liter V6¹

335 hp²/380 lb.-ft. torque²

3.7-liter Ti-VCT V6

¹Available feature. ²Horsepower and torque ratings achieved with 93-octane fuel. ³Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

VOICE-ACTIVATED SIMPLICITY

SYNC 3 makes it easy to listen to your favorite music, handle phone calls and more, while you're on the go.¹ It all works through simple voice commands and the controls on your steering wheel. The system also includes Apple CarPlay™ and Android Auto™ compatibility.²

SYNC 3 AppLink^{®3} gives you voice control of compatible mobile apps on your connected phone, too. You can use it with the Waze™ community-based traffic and navigation app³ on your iPhone.® Plus, Continental now works with Amazon Alexa in two convenient ways. While inside the vehicle, you can ask Alexa to play music, listen to audiobooks, check the weather, control smart home devices and much more, through the Lincoln+Alexa app.⁴ While at home, you can use the Lincoln Way Alexa Skill⁴ on your Alexa enabled device to remotely start your vehicle and climate control system, lock and unlock the doors, and more.

((SiriusXM))

SiriusXM[®] gives you music, sports, comedy, news and more – in your Continental and on the go with a 6-month All Access trial subscription.⁵ Plus, you'll enjoy a 6-year prepaid subscription⁵ to SiriusXM Traffic and Travel Link[®] services – the longest of any automobile manufacturer⁶ – with the Voice-Activated Touchscreen Navigation System.⁷ You can use it to check fuel prices and station locations, taking advantage of all the latest traffic and travel information, along with vivid 3-D maps and pinch-to-zoom capability, on the large touchscreen within easy reach.

EXCLUSIVE AUDIO

Lincoln is the only automaker to offer Revel[®] and Revel Ultima[®] audio systems.⁷ They're expertly engineered to deliver a level of precision and musical accuracy you won't just hear – you'll feel. It's as if you're seated in the "Audience" or up "On Stage" when using the personalized listening modes. Outstanding, multi-dimensional sound in every seat is courtesy of advanced cabin correction tuning, QuantumLogic[®] Surround sound technology, and Revel Waveguides. Revel Ultima features 19 speakers and patented Clari-Fi™ music restoration technology that enhances satellite radio, streaming services, MP3s and other digital sources – for clear, crisp, wide, dynamic sound.

QUICK STREAMING

Passengers can surf the web, stream movies and music, and more while you're driving, and up to 50' away from the vehicle when it's parked, using Lincoln Connect.^{™8} It's an integrated 4G LTE Wi-Fi hotspot that can host up to 10 devices at a time. For help making the most of this, or any other Continental feature, remember your Lincoln Concierge is available 24/7.

¹Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²Requires phone with active data service and compatible software. SYNC 3 does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality. ³Commands may vary by phone and AppLink software. ⁴Certain Alexa functionality is dependent on smart phone and home technology. ⁵After your trial period ends, SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc.
