**CUSTOM BEAUTY . . .
ALL AROUND UTILITY
WITH THE SAFETY OF ALL-STEEL
AIRFLYTE CONSTRUCTION!**

Now — for the first time — you can enjoy all the extra strength, safety, rigidity and quiet of all-steel Airflyte Construction in the trimmest, most exciting Station Wagon you've ever seen! Here is beauty with a purpose . . . all around utility for a low, low price that is really big news!

Every Refinement you would expect in the finest custom cars, plus smart Rambler styling. Curved, undivided windshield.

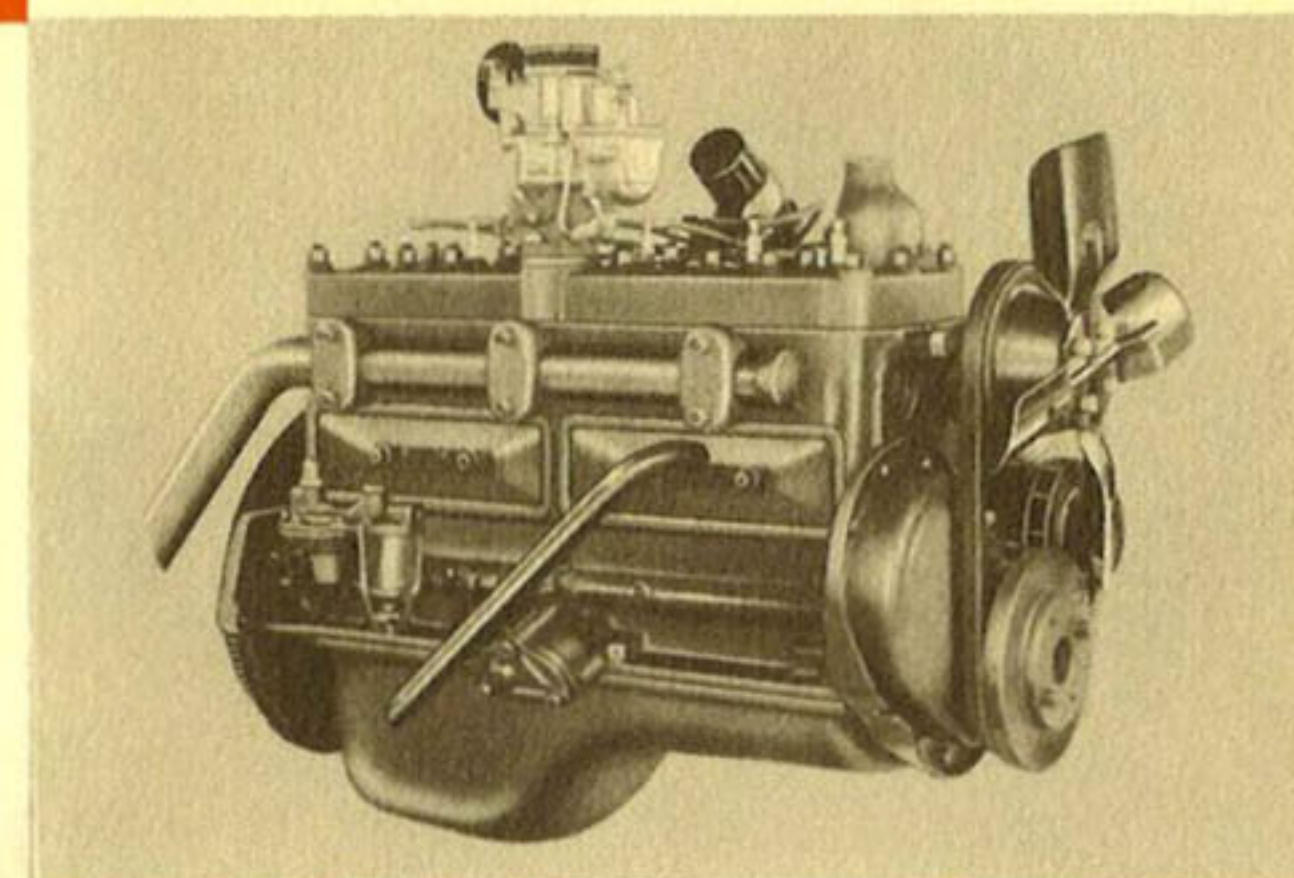

(Left) **Widely Spaced Seats** give plenty of leg room. Five passengers ride in solid comfort on deep, soft seat cushions. The spacious passenger compartment is nearly nine feet long!

★ **Sophisticated Styling**—from the sleek front end to trim tail gate—with upper panels finished in simulated wood grain enameling—makes the Rambler Station Wagon the Suburbanite's choice. Easiest to handle and park, too!

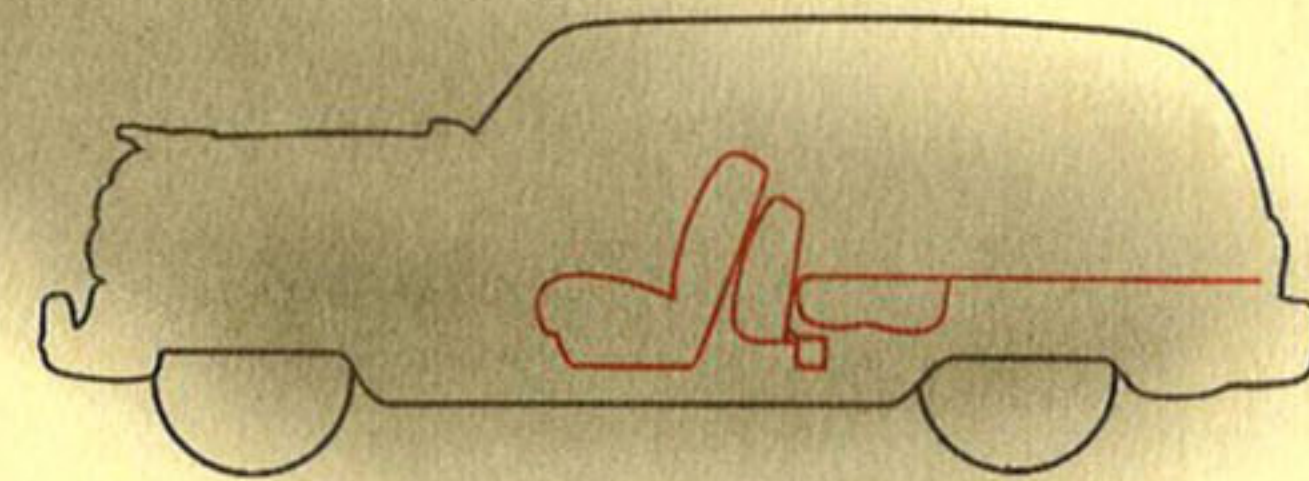

★ **The Outdoors Beckons** the Rambler Airflyte owner. Here is a car built to go places in style! The rear compartment opens up widely for easy access to the spacious storage space. Great for luggage and gear.

(Right) **In a Jiffy** the rear seat—cushion and seat back—folds down flush with the floor. With the seat folded, you have a storage space 5 feet long.

(Left) **More Power Per Pound** of car than for any engine using regular gasoline (7.25 to 1 high compression)!
