

Spirit

 AMC

There's a new excitement in small cars. The 1979 Spirit from American Motors! Snappy styling, loads of standard features, surprisingly peppy 4-cylinder performance and a smooth, quiet ride — that's the Spirit! Add to this the unprecedented level of interior comfort and luxury designed into the Spirit DL and Spirit Limited models, and you have a truly unique small car — and a totally new driving experience.

Spirit is offered in two body styles. The sleek AMC Spirit liftback, with its flip-up rear hatch and fold-down rear seat, provides easy access to plenty of cargo space for load-and-go lifestyles. The AMC Spirit Sedan, with the standard features one would expect in a practical small car, also offers a sensible balance of styling, performance and interior comfort. The opportunities to personalize your Spirit are many — simply make your selection from the Base, DL or Limited models.

Both Spirit liftback and Sedan have a longer wheelbase and a wider track than either the 2-door Pinto or Chevette. That may help explain Spirit's great ride and stability.

And like all cars from American Motors, Spirit gives you added peace of mind with AMC's exclusive BUYER PROTECTION PLANSM — which includes the only full 12-month/12,000-mile new car warranty offered by any U.S. car maker.

All of this plus an astoundingly sensible price tag makes Spirit the outstanding small car value today. Let the Spirit move you!

On cover and backcover Spirit DL liftback (remote control exterior mirrors and bumper nerf stripes shown are optional)

Spirit Limited interior in genuine leather with luxury woodgrain adjustable tilt steering wheel, Walnut Burl woodgrain instrument panel, custom door

trim panels, power door locks and electronic quartz digital clock. Air conditioning, AM/FM stereo radio and automatic transmission are optional.

The Spirit G.T. liftback with its black accent exterior treatment captures the sporty, competitive look and feel of imported performance cars. If you enjoy responsive motoring, get into the Spirit G.T.

Spirit G.T. liftback (righthand remote rear view mirror shown is optional)

The Spirit Limited Sedan. A pleasing new concept in small cars that offers an exceptional level of luxury, comfort and convenience for a car its size.

Spirit Limited Sedan (Spirit Rally stripe optional)

The Spirit DL Sedan. It's no ordinary small car. It's a luxurious small car. With a long list of luxurious extras included or no extra charge. Like custom bucket seats in Coberfae corduroy or Sport Vinyl. White sidewall tires. Plush carpeting. Fold down

split rear seat back. Electronic quartz digital clock. Front disc brakes. And much more. The Spirit DL is also available in liftback — another way to get out of the ordinary.

Spirit DL Sedan
(left-hand remote rear view mirror
and Sprint Rally stripe optional)

The Spirit G.T. — an exhilarating new approach to personal transportation combining refined European-type styling with precise handling for the ultimate driving experience. Check out the list of carefully selected G.T. equipment including glass belted

radials, spoke styled wheels, special instrumentation, black sport steering wheel, remote left-hand sport mirror, and more. In addition, you will find an impressive array of heavy duty items in the optional G.T. Rally-Tuned Suspension Package, such as heavy duty front and

rear sway bars, adjustable Strider shocks, heavy duty front disc and rear drum brakes and unique steering gears that result in positive, tight handling. Take a Spirit G.T. out on the open road, and you'll feel a new exhilaration. . . It's the G.T. experience. Let the Spirit move you!

Spirit G.T. liftback
(right-hand remote rear view
mirror shown is optional)

For 1979... a bold new way to spell "excitement": AMX. Exciting to look at, exciting to be in. With performance to match. An attention-getter any way you look at it.

AMX

If you're wondering what makes the AMX tick, just look over the long list of standard design and performance features, and you'll understand. It all adds up to a very moving experience.

AMX

STANDARDS

SPIRIT BASE models include these standard features: 121 CID 4-cylinder engine • 4-speed manual floor shift (except California—see engine/trans/axle chart) • front disc brakes • white sidewall tires • Sport Vinyl bucket seats or no cost optional notched bench seat (Sedan only) • folding rear seat back • custom steering wheel • color-keyed carpeting (12 oz.) and seat belts • inside hood release • lighted ashtray • full wheel covers • high pressure compact spare tire with cover • dual body side pin stripes • quad rectangular headlamps • anodized aluminum bumpers with black end caps • rear bumper guards • fuel tank capacity 21 gal. (Sedan, 4 cylinder engine 13 gal.) • front sway bar (except Sedan)
