1982 AMC EPA FUEL ECONOMY FIGURES

Spirit	49 States		California	
	Est. MPG	Hwy. Est.	Est. MPG	Hwy. Est.
4-cylinder 4-speed	25	34	26	33
	25	37	25	35
	23	29	23	29
6-cylinder 4-speed	21	30	21	30
	22	34	21	31
	21	29	21	29
Concord				
4-cylinder 4-speed	24	34	25	33
	25	37	25	35
	23	29	23	29
6-cylinder 4-speed	21	30	20	28
	22	32	21	34
	21	28	21	28

EPA ratings vary by engine and transmission selection. Use EPA est. MPG for comparison. Your mileage may vary with speed, weather, trip length. Actual highway mileage will probably be less.

AMC automobiles incorporate thousands of different components produced by American Motors Corporation, affiliated companies and various independent suppliers. From time to time during the manufacturing process, it may be necessary to produce AMC automobiles with different components or differently sourced components than initially scheduled. All components must meet the standards of American Motors Corporation and will provide the performance expected from AMC automobiles.

1982 BUYER PROTECTION PLAN

Complete Warranty Coverage

This warranty gives you 12-month or 12,000-mile (20,000 km) coverage on many items not covered by most automobile warranties. It covers wiper blades, brake linings, light bulbs — everything we put on the automobile except tires. If any part American Motors supplies goes wrong on your 1982 automobile, you won't have to pay for the parts or the labor. You are responsible to see that your automobile is maintained, at your expense, according to the 1982 Owner's Manual and Maintenance Schedule booklet.

Service Adjustments

Any needed service adjustments required during the first 12 months or 12,000 miles (20,000 km) of normal use, whichever comes first, and which are not required as part of normal scheduled maintenance will be per-

formed by an authorized AMC dealer without charge to the owner.

Warranty Service for Owners Who Move or Travel

If you move or are traveling, any AMC dealer in the fifty United States or Canada will perform warranty repairs for you.

Warranty Coverage for Subsequent Owners

Subsequent owners of an AMC automobile are eligible for any unused warranty coverage. A subsequent owner need simply present the folder (properly filled out) to an authorized AMC dealer to obtain warranty repairs.

Tire Policy

The tire manufacturer provides a limited warranty for the tires supplied with your new automobile. Specific

warranty information and tire adjustments are handled directly with owners by the tire manufacturer's distributors, dealers or retail stores. Your AMC dealer will assist if you need help in securing an adjustment.

New Automobile Pre-Delivery Service

Your AMC dealer will service and test your automobile for starting, handling, braking and overall performance in accordance with the AMC Dealer Pre-Delivery Service Procedure. In addition, many other checks, inspections, adjustments and final clean-up services have been performed to assure your automobile meets the quality standards of AMC products.

A Loaner Automobile

If your automobile needs warranty repair work and "same day" (morning to evening) service cannot be com-

pleted as promised or if warranty repairs require that the automobile be kept overnight, your AMC dealer will provide you with a free loaner car, for local use only, until your automobile is ready. To qualify you must comply with your dealer's work schedule.

Special Trip Interruption Protection

If you're 100 miles (160 km) or more from home and a servicing AMC dealer can't provide "same day" warranty repairs for your automobile, interrupting your trip, we will reimburse you for reasonable extra lodging and meal costs up to \$150, based upon your actual expenses. Submit receipts to the AMC dealer who serviced your automobile. He'll handle the paperwork that generates a direct reimbursement from American Motors to you.

THE TOUGH AMERICANS

To earn the name "Tough Americans," American Motors engineers and manufacturers durable yet fuel-efficient and smartly-styled automobiles... and then stands behind them with the exclusive American Motors Buyer Protection Plan[®] which offers the only full 12 month/12,000 mile new automobile

warranty available; a plan that even includes provisions for a free loaner automobile, special trip interruption protection as well as warranty coverage for subsequent owners.

Then, there is the exclusive Ziebart[®] Factory Rust Protection with galvanized steel in 100% of the exterior body panels, backed by the

innovative full 5-year No Rust-Thru[™] Warranty.

Finally, at no extra cost, American Motors offers the new Extended Powertrain Protection Limited Warranty, providing protection for specific powertrain components for an additional 12 months or 12,000 miles.

(See your AMC salesperson for details on this exclusive warranty protection)

ONLY AMERICAN MOTORS HAS GALVANIZED STEEL IN 100% OF THE EXTERIOR BODY PANELS AS PART OF ZIEBART[®] FACTORY RUST PROTECTION
